### NOELLE BRAUN

*The Luxe* Henry Holt and Company (BYR)

In Ivory Shoals, twelve-year-old Gussie Dwyer--audacious, resilient, determined to adhere to the morals his mother instilled in him--undertakes to trek across the sumptuous yet perilous peninsula of post-Civil War Florida in search of his father, a man who has no idea of his son's existence. Gussie's journey sees him cross paths with hardened Floridians of every stripe, from the brave and noble to a bevy of cutthroat villains, none worse than his amoral shark of a stepbrother. Rich in visceral details and told with a pulse-quickening pace, Ivory Shoals is a distinctly American story, in the tradition of Mark Twain and Cormac McCarthy. The novel is also a timeless epic, tracking Gussie's odyssey from childhood toward adulthood. Will he survive his quest, and at what cost? *Henderson's Boys: One Shot Kill* HarperCollins  
 "Play ball!" yelled the umpires as the teams of the AAGPBL took the field in the tense, war-torn days of 1943. Like all professional baseball players, these athletes scrambled to their positions,

tossed balls across diamonds, and filled the air with chatter. But there was something different about them--they all wore skirts, went to charm school, and continually had to answer one question: "What is a woman doing playing baseball?" What were they doing? Having a great time, playing top-notch ball, and showing that a woman's place was at home only when she was at bat, behind the plate, or scoring a run. For twelve seasons, from 1943 to 1954, some of America's best female athletes earned their livings by playing baseball. This is their story in their own words, a tale of no-hitters and chaperones, stolen bases and practical jokes, home runs and run-ins with fans. Life in the league, however, was not all fun. Born out of a wartime "manpower" shortage, the AAGPBL ended with the growth of television and the ideal of the suburban home. Here, too, is the story of America's changing attitudes toward men and women and the roles we expect each to play. Author Sue Macy spent eleven years tracking down the women of the AAGPBL, interviewing them, and looking at their scrapbooks. Along the way she found that their odyssey did not end with the collapse of the league. The same courage and spunk the players displayed on the field led them to get back in touch with each other in the 1980s, to remind the world of what they had achieved, and to take their rightful places in the National Baseball Hall of Fame. Balancing the

voices of the women of the league with a lively, insightful overview of the changing patterns of American life, *A Whole New Ball Game* is a sports story full of telling insights about who we expect to be at home and how women can get back to first base.

**Book 2** Arcadia Publishing

New York Times Bestseller The definitive story of the Ritchie Boys, as featured on CBS's 60 Minutes "An irresistible history of the WWII Jewish refugees who returned to Europe to fight the Nazis." —Newsday They were young Jewish boys who escaped from Nazi-occupied Europe and resettled in America. After the United States entered the war, they returned to fight for their adopted homeland and for the families they had left behind. Their stories tell the tale of one of the U.S. Army's greatest secret weapons. *Sons and Soldiers* begins during the menacing rise of Hitler's Nazi party, as Jewish families were trying desperately to get out of Europe. Bestselling author Bruce Henderson captures the heartbreaking stories of parents choosing to send their young sons away to uncertain futures in America, perhaps never to see them again. As these boys became young men, they were determined to join the fight in Europe. Henderson describes how they were recruited into the U.S. Army and how their unique mastery of the German language and

psychology was put to use to interrogate German prisoners of war. These young men—known as the Ritchie Boys, after the Maryland camp where they trained—knew what the Nazis would do to them if they were captured. Yet they leapt at the opportunity to be sent in small, elite teams to join every major combat unit in Europe, where they collected key tactical intelligence on enemy strength, troop and armored movements, and defensive positions that saved American lives and helped win the war. A postwar army report found that nearly 60 percent of the credible intelligence gathered in Europe came from the Ritchie Boys. *Sons and Soldiers* draws on original interviews and extensive archival research to vividly re-create the stories of six of these men, tracing their journeys from childhood through their escapes from Europe, their feats and sacrifices during the war, and finally their desperate attempts to find their missing loved ones. *Sons and Soldiers* is an epic story of heroism, courage, and patriotism that will not soon be forgotten.

**Book 5** Simon and Schuster

In 1941, when German submarines are sinking ships filled with food and fuel for Britain, six young agents must sneak into Nazi-occupied Europe and sabotage a submarine base on France's western coast.

**Midnight Bites** Twelve

At Penford High School, Brittany Taylor is the queen bee. She dates whomever she likes, rules over her inner circle of friends like Genghis Khan, and can ruin anyone's life with a snap of perfectly manicured fingers. Just ask the unfortunate few who have crossed her. For April Bowers, Brittany is the answer to her prayers. April is so unpopular, kids don't know she exists. One lunch spent at Brittany's table, and April is basking in the glow of popularity. But Brittany's friendship comes with a high price tag, and April decides it's not worth the cost. Inspiring and empowering, this is the story of one girl who decides to push back.

**Eagle Day** Candlewick Press

Jamie Carpenter's father is dead, his mother is missing, and he was just rescued by an enormous creature named Frankenstein. Now Jamie is pulled into a secret organization responsible for policing the supernatural, founded more than a century ago by Abraham Van Helsing. . . . Department Nineteen takes us through history, across Europe, and beyond - from the cobbled streets of Victorian London to prohibition-era New York, from the icy wastes of Arctic Russia to the treacherous mountains of Transylvania. Part modern thriller, part classic horror, it's packed with mystery, mayhem, and a level of suspense that makes a Darren Shan novel look like a romantic comedy.

The Prisoner Scholastic Inc.

Spring, 1941. German submarines are prowling the North Atlantic, sinking ships filled with the food, fuel and weapons that Britain needs to survive. With the Royal Navy losing the war at sea, six young agents must sneak into Nazi-occupied Europe and sabotage a submarine base on France's western coast. If the submarines aren't stopped, the British people will starve.

**The Secret History of the American Empire** Hachette Children's

A NEW YORK TIMES NOTABLE BOOK OF 2021 • From New York Times bestselling author Eleanor Henderson comes a turbulent love story meets harrowing medical mystery: the true story of the author's twenty-year marriage defined by her husband's chronic illness—and a testament to the endurance of love Eleanor met Aaron when she was just a teenager and he was working at a local record store—older, experienced, and irresistibly charming. Escaping the clichés of fleeting young love, their summer romance bloomed into a relationship that survived college and culminated in a marriage and two children. From the outside looking in, their life had all the trappings of what most would consider a success story. But, as in any marriage, things weren't always as they seemed. On top of the typical stresses of parenting, money, and work, there were the untended wounds of depression, addiction, and childhood trauma. And then one day, out of nowhere: a rash appeared on Aaron's arms. Soon, it had morphed into painful lesions covering his body. Eleanor was as baffled as the doctors. There was no obvious diagnosis, let alone a cure. And as years passed and the lesions gave way to Aaron's increasingly disturbed concerns about the source of his sickness, the husband she loved seemed to unravel before her eyes. A new fissure ruptured in their

marriage, and new questions piled onto old ones: Where does physical illness end and mental illness begin? Where does one person end and another begin? And how do we exist alongside someone else's suffering? Emotional, intimate, and at times agonizing, *Everything I Have Is Yours* tells the story of a marriage tested by powerful forces outside both partners' control. It's not only a memoir of a wife's tireless quest to heal her husband, but also one that asks just what it means to accept someone as they are.

**Rainbow Six** Hachette Children's

Summer, 1940. Hitler's army is advancing towards Paris, and millions of French civilians are on the run. Amidst the chaos, two British children are being hunted by German agents. British spy Charles Henderson tries to reach them first, but he can only do it with the help of a twelve-year-old French orphan. The British secret service is about to discover that kids working undercover will help to win the war.

**New Guard** Hodder & Stoughton

Robin and Marion are taking on the authorities again in the third action-packed adventure from international bestseller Robert Muchamore. 'Strikes the bullseye.' - The Times Children's Book of the Week (Robin Hood: Hacking Heists and Flaming Arrows) There's a price on Robin's head, one that has attracted a gang of ruthless mercenaries determined to track him down and hand him over to Guy Gisborne. So Robin is hiding out by the sea, but trouble has a way of finding him. Before long he is helping out rescuing refugees and trying to avoid the attentions of Customs and Immigration officials. Then he and Marion discover a people-smuggling operation: desperate people brought into the country to work in slave-like conditions making cheap goods. It's only a matter of time before the two of them are trying to find out who is behind it - and Robin is again making the headlines with spectacular raids on the rich and powerful.

Scorched Earth Hodder Children's Books

Set in the charming town of Peachtree Bluff, “a compelling, beautifully drawn tale of love, hope, and small-town secrets” (Mary Alice Monroe, New York Times bestselling author) following a trio of sisters and their mother as they discover a truth that will change not only the way they see themselves but also how they fit together as a family. Sloane's world crumbles after receiving the news that her military husband is missing in action. She can barely climb out of bed, much less summon the strength to be the parent her children deserve. Her mother, Ansley, provides a much-needed respite as she puts her personal life on hold to help Sloane and her grandchildren wade through their new grief-stricken lives. But between caring for her own aging mother, her daughters, and her grandchildren, Ansley's private worry is that secrets from her past will come to light. But when Sloane's sisters, Caroline and Emerson, remind Sloane that no matter what, she promised her husband she would carry on for their young sons, Sloane finds the support and courage she needs to chase her biggest dreams—and face her deepest fears. Taking a cue from her middle daughter, Ansley takes her own leap of faith and realizes that, after all this time, she might finally be able to have it all. Lyrical, warm-hearted, and charming, “Kristy Woodson Harvey has delivered another masterpiece with the second book in her beautifully Southern, evocative Peachtree Bluff series” (Kristin Harmel, author of *The Winemaker's Wife*).

*Robin Hood 3: Jet Skis, Swamps & Smugglers* Secret Army

Presents an expose of international corruption activities as reported by some of the world's top assassins, journalists, and activists, in a cautionary report that makes recommendations for safeguarding the world.

*Henderson's Boys 3-Book Collection* Hachette Children's

One of Henderson's best agents is being held captive in Frankfurt. A set of forged record cards could be his ticket to freedom, but might just as easily become his death warrant. A vital mission awaits him in France - if he can find a way to escape.

*The Army Medical Department, 1775-1818* Hodder Children's Books

Secret ArmyHodder & Stoughton

Penguin

Britain, 1941. The government is building a secret army of intelligence agents to work undercover,

gathering information and planning sabotage operations. Henderson's boys are part of that network: kids cut adrift by the war, training for the fight of their lives. They'll have to parachute into unknown territory, travel cross-country, and outsmart a bunch of adults in a daredevil exercise. In wartime Britain, anything goes.

**Department 19** HarperCollins

The Luxe is the first book in the New York Times bestselling Luxe series by Anna Godbersen. In a world of luxury and deception, where appearance matters above everything and breaking the social code means running the risk of being ostracized forever, five teenagers lead dangerously scandalous lives. This thrilling trip to the age of innocence is anything but innocent. Pretty girls in pretty dresses, partying until dawn. Irresistible boys with mischievous smiles and dangerous intentions. White lies, dark secrets, and scandalous hook-ups. This is Manhattan, 1899. Beautiful sisters Elizabeth and Diana Holland rule Manhattan's social scene. Or so it appears. When the girls discover their status among New York City's elite is far from secure, suddenly everyone—from the backstabbing socialite Penelope Hayes to the debonair bachelor Henry Schoonmaker to the spiteful maid Lina Broud—threatens Elizabeth's and Diana's golden future. With the fate of the Hollands resting on her shoulders, Elizabeth must choose between family duty and true love. But when her carriage overturns near the East River, the girl whose glittering life lit up the city's gossip pages is swallowed by the rough current. As all of New York grieves, some begin to wonder whether life at the top proved too much for this ethereal beauty, or if, perhaps, someone wanted to see Manhattan's most celebrated daughter disappear... “Mystery, romance, jealous, betrayal, humor, and gorgeous, historically accurate details. I couldn't put The Luxe down!” —Cecily von Ziegesar, author of the #1 New York Times bestselling Gossip Girl series

A Marriage Hachette Children's

New York Times bestselling author Rachel Caine presents a collection of stories—including six new tales—featuring the little Texas town that's overrun by the undead. WELCOME TO MORGANVILLE. YOU'LL NEVER WANT TO LEAVE. By day, Morganville, Texas, is just a typical college town. By night, the vampires emerge and take control.... In a town where it's not safe to be out after dark, student Claire Danvers and her friends have had their fair share of thrills. But Morganville still has a few secrets left to tell. Now, in this collection, you can venture down the town's strange streets, revisit all the tales you've come to love, and experience six new stories featuring your favorite Morganville residents—both human and vampire...

**The Escape** Simon and Schuster

Some extraordinary rats come to the aid of a mouse family in this Newbery Medal Award-winning classic by notable children's author Robert C. O'Brien. Mrs. Frisby, a widowed mouse with four small children, is faced with a terrible problem. She must move her family to their summer quarters immediately, or face almost certain death. But her youngest son, Timothy, lies ill with pneumonia and must not be moved. Fortunately, she encounters the rats of NIMH, an extraordinary breed of highly intelligent creatures, who come up with a brilliant solution to her dilemma. And Mrs. Frisby in turn renders them a great service.

Robin Hood 2: Piracy, Paintballs & Zebras McSweeney's

Spring, 1943. The war is turning against Germany, but Hitler isn't giving up. In a secret bunker deep in occupied France, scientists are hard at work on Hitler's latest deadly weapon: code name FZG-76. Back in England Henderson's boys will need to undergo advanced sniper training if they've any chance of infiltrating the bunker. Parachuting into occupied France, they track down a secret dossier filled with invaluable material - and uncover the meaning of the enigmatic code. For official purposes, these children do not exist.
