Long neglected by European historians, the unspeakable atrocities of Franco's Spain are finally brought to tragic light in this definitive work. Evoking such classics as Anne Applebaum's Gulag and Robert Conquest's The Great Terror, The Spanish Holocaust sheds light on one of the darkest and most unexamined eras of modern European history. As Spain finally reclaims its historical memory, a full picture can now be drawn of the atrocities of Franco's Spain—from torture and judicial murders to the abuse of women and children. Paul Preston provides an unforgettable account of the systematic terror carried out by Spain's fascist government.

She believes that everyone has an agenda. Can he convince her his feelings are real but still hide his true purpose? Edwina, "Edi", Ross was only a teenager when her family fell apart because of her father's infidelity. And the media covered it all. She's been running from any type of relationship ever since. She learned the hard way that everyone is hiding secrets and she wants nothing to do with it. That includes her father's new wife, twin sons and the handsome man who happened to sit next to her on the plane ride down to Argentina. Archer Tomlinson has never been into stubborn women. Heaven knows he's had enough of that with his sister. So when he's assigned to protect a client who doesn't want protection, he's more than a little disgruntled. Good thing his boss puts him under orders to pretend to be a friend rather than a bodyguard. But as he gets to know Edi, Archer begins to realize she's so much more than what she looked like on paper. Soon he's falling for her spunk and sweetness and praying she won't hold his lie against him. Just as Edi begins to trust Archer, the unthinkable happens and the two of them are attacked. During the fallout, Archer can't stop the truth from rising to the surface. Will Edi see past the lies to Archer's true feelings? Or will she believe he's just like everyone else? "Her Loyal Bodyguard" is the fifth stand-alone story in the "Lockwood Industries" sweet, contemporary romance series. If you enjoy spunky heroines, hunky heroes and clean Happy Ever Afters, then you'll adore Laura's undercover story of love! Buy HER LOYAL BODYGUARD today and bring Romance to the top of the charts! In 1864, George Eliot began writing her longest poem, "The Spanish Gypsy". This project exhausted her, and her partner took the manuscript away from her for fear it was making her ill. This work explains what Eliot read to research the poem, which parts caused her particular problems and summarises the poem's critical reception.

**containing the signification of words, with their different uses; the terms of arts, sciences, and trades; the constructions, forms of speech, idioms used in both languages, and several thousand words more than any other dictionary; with their proper, figurative, burlesque, and cant significations, &c. This book deals with one of most controversial issues of the Spanish Civil War (1936–9): the 'Red Terror'. Approximately 50,000 Spaniards were extrajudicially executed in Republican Spain following the failure of the military rebellion in July 1936. This mass killing of 'fascists' seriously undermined attempts by the legally constituted Republican government to present itself in foreign quarters as fighting a war for democracy. This study, based on a wealth of scholarship and archival sources, challenges the common view that executions were the work of criminal or anarchist 'uncontrollables'. Its focus is on Madrid, which witnessed at least 8,000 executions in 1936. It shows that the terror was organized and was carried out with the complicity of the police, and argues that terror was seen as integral to the antifascist war effort. Indeed, the elimination of the internal enemy - the 'Fifth Column' - was regarded as important as the war on the front line. *Also an Analysis of the Orthography of the Welsh Language* Her Loyal Bodyguard

**Revolutionary Violence in Madrid** BookCaps Study Guides

The paratexts in early modern English playbooks – the materials to be found primarily in their preliminary pages and end matter – provide a rich source of information for scholars interested in Shakespeare, Renaissance drama and the history of the book. In addition, these materials offer valuable insights into the rise of dramatic authorship in print, early modern attitudes towards theatre, notorious literary wrangles and the production of drama both on the stage and in the printing house. This unique two-volume reference is the first to include all paratextual materials in early modern English playbooks, from the emergence of print drama to the closure of the theatres in 1642. The texts have been transcribed from their original versions and presented in old-spelling. With an introduction, user's guide, multiple indices and a finding list, the editors provide a comprehensive overview of seminal texts which have never before been fully transcribed, annotated and cross-referenced.

Every single Shakespeare play is included in this massive anthology! Each play contains the original language with modern language underneath!

**The Works of the English Poets, from Chaucer to Cowper;: Pope's Homer's Iliad and Odyssey, Dryden's Virgil and Juvenal, Pitt's Virgil's Aeneid and Vida's Art of Poetry, Francis's Horace** Cambridge University Press

The influential and adventurous Chicago socialite Mrs. Potter Palmer (Bertha) struck out for Florida in 1910, eventually buying thousands of acres of land across the state. In 1914, after setting up residence in Sarasota, she established Riverhills, a hunting preserve on 19,000 acres in the area now known as Temple Terrace. Local historians believe it was Palmer's vision to create one of America's first planned golf course communities, where every Mediterranean Revival villa sold would include its own grove. Intended to provide a hobby and part-time income for the wealthy Northerners lured to the Sunshine State, 5,000 acres were planted with the exotic hybrid Temple orange--making up

the largest citrus grove in the world at the time. The new city was named after the orange and for the sloping terrain of the land along the Hillsborough River.

**Extra series** Cambridge University Press

This book defines the attitude of English writers between 1500 and 1625 toward the question of literary property rights, of imitation, of what today is called plagiarism.
