The sport she loves is out of reach. The boy she loves wants someone else. What now? She expected to start Harkness College as a varsity ice hockey player.

But a serious accident means that Corey Callahan will start school in a wheelchair instead. Across the hall, in the other handicapped-accessible dorm room, lives the too-delicious-to-be real Adam Hartley, another would-be hockey star with his leg broken in two places. He's way out of Corey's league. Also, he's taken. Nevertheless,

an unlikely alliance blooms between Corey and Hartley in the "gimp ghetto" of McHerrin Hall. Over tequila, perilously balanced dining hall trays, and video games, the two cope with disappointments that nobody else understands. They're just friends, of course, until one night when things fall apart. Or fall together. All Corey

knows is that she's falling. Hard. But will Hartley set aside his trophy girl to love someone as broken as Corey? If he won't, she will need to find the courage to make a life for herself at Harkness — one which does not revolve around the sport she can no longer play, or the brown-eyed boy who's afraid to love her back. . "I absolutely loved it, and I can't wait to read the rest of her books." Colleen Hoover, bestselling author of Hopeless. "I bought - and read - this entire series in a week. It is

OMG-awesome-NA-at-its-finest." Tammara Webber, bestselling author of Easy. "Sarina Bowen's Ivy Years is my favorite New Adult series of all-time!" Elle Kennedy, New York Times bestselling author of The Deal "This page-turner will have readers eagerly awaiting Bowen's next book." Publisher's Weekly

There's just one problem: the most important relationship of his life is one he needs to keep hidden, or else face a media storm that will eclipse his success on the ice. Jamie loves Wes. He really, truly does. But hiding sucks. It's not the life Jamie envisioned for himself, and the strain of keeping their secret is taking its toll. It doesn't help that his new job isn't going as smoothly as he'd hoped, but he knows he

can power through it as long as he has Wes. At least apartment 10B is their retreat, where they can always be themselves. Or can they? When Wes's nosiest teammate moves in upstairs, the threads of their carefully woven lie begin to unravel.  Freshman Lianne Challice

is known to millions of fans as Princess Vindi. But sometimes a silver screen sorceress just wants to hang up her wand, tell her manager to shove it, and become a normal college student. Too bad that's harder than it looks. She's never lived a normal life. She hasn't been to school since kindergarten. And getting close to anyone is just too risky -- the last boy she kissed sold the story to a British tabloid. But she can't resist trying to get close to Daniel "DJ" Trevi, the hot, broody guy who spins tunes for

hockey games in the arena. Something's haunting his dark eyes, and she needs to know more. DJ's genius is for expressing the mood of the crowd with a ten second song snippet. With just a click and a fade, he can spread hope, pathos or elation among six thousand screaming fans. Too bad his college career is about to experience the same quick fade-out as one of his songs. He can't get close to Lianne, and he can't tell her why. And the fact that she seems to like him at all? Incredible.

Going undercover as Posy's new barista wasn't my idea. I don't even drink coffee. But now I have to call her "boss," and do everything the curvy perfectionist asks of me. I'd forgotten

how much we infuriate each other, and that she somehow fills me with both irritation and desire in the same breath. There's nobody more skilled at stealth ops than me. I can bring this killer down. Rennie Road Books
 From the acclaimed Booker Prize-winning author comes a dazzling novel of family, love and love's disappointments
 Anna's aged mother is dying. Condemned by her children's pity to living, subjected to increasingly desperate medical interventions, she turns her focus to her hospital window, through which she escapes into visions of horror and delight.
 When Anna's finger vanishes and a few months later her knee disappears, Anna too feels

the pull of the window. She begins to see that all around her, others are similarly vanishing, yet no one else notices. All Anna can do is keep her mother alive. But the window keeps opening wider, taking Anna and the reader ever deeper into an eerily beautiful story of grief and possibility, of loss and love and orange-bellied parrots. Hailed on publication in Australia as Richard Flanagan's greatest novel yet, *The Living Sea of Waking Dreams* is a rising ember storm illuminating what

remains when the inferno beckons: one part elegy, one part dream, one part hope.

Everyone knows the girl is off limits. But it's so good to be bad. There's this girl... Heidi and I have been trading hungry looks all year, and everything she does makes me smile. But I don't do girlfriends, and I certainly can't get involved with the league commissioner's daughter. I need shots on goal, not a hookup and a widely misunderstood paparazzi

photo. Can I resist her, though? The way she teases me should be a game penalty for interference with my libido. There's this guy... Jason wants me, but he won't admit it. That man looks at me the way a hockey player eyes the lunch buffet after practice—and I love it. But when victory is finally within my grasp, I blow it and humiliate myself. Even then I can't even avoid him—as the team intern, I'm in constant view of his hard body and cocky smile. I need

 In Kathy Fiscus: A Tragedy that Transfixed the Nation historian William Deverell tells the heartbreaking

story of a young girl trapped in a well--a story that transfixed the nation in what would become the first live, breaking-news TV spectacle in history. Kathy Fiscus tells the story of the first live, breaking-news TV spectacle in American history. At dusk on a spring evening in 1949, a three-year old girl fell down an abandoned well shaft in the backyard of her family's home in Southern California. Across more than two full days of a fevered rescue attempt, the fate of Kathy

Fiscus remained unknown. Thousands of concerned Southern Californians rushed to the scene. Jockeys hurried over from the nearby racetracks, offering to be sent down the well after Kathy. 20th Century Fox sent over the studio's klieg lights to illuminate the scene. Rescue workers--ditch diggers, miners, cesspool laborers, World War II veterans--dug and bored holes deep into the aquifer below, hoping to tunnel across to the old well shaft that the little girl had somehow

tumbled down. The region, the nation, and the world watched and listened to every moment of the rescue attempt by way of radio, newsreel footage, and wire service reporting. They also watched live television. Because of the well's proximity to the radio towers on nearby Mount Wilson, the rescue attempt became the first breaking-news event to be broadcast live on television. The Kathy Fiscus event invented reality television and proved that real-time

television news broadcasting could work and could transfix the public. William Deverell is professor of history and director of the Huntington-USC Institute on California and the West at the University of Southern California. He is the author of numerous studies of the nineteenth- and twentieth-century American West, including *Whitewashed Adobe: The Rise of Los Angeles and the Remaking of Its Mexican Past*.

NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts *The Great Gatsby* and *The Bonfire of the Vanities* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • PBS • HARPER'S BAZAAR • ESQUIRE • FINANCIAL TIMES • THE TIMES OF INDIA On the day of Barack Obama's inauguration, an enigmatic billionaire from foreign shores takes up

residence in the architectural jewel of “the Gardens,” a cloistered community in New York's Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist,

sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden's world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Golden's, he ingratiates himself into

their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie's triumphant and exciting return to realism. The result is a modern epic of

love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age. Praise for *The Golden House* “[A] modern masterpiece . . . telling a story full of wonder and leaving you marveling at how it ever came out of the author’s head.”—Associated Press “Wildly satiric and yet piercingly real . . . If F. Scott Fitzgerald, Homer, Euripides, and Shakespeare collaborated

on a contemporary fall-of-an-empire epic set in New York City, the result would be The Golden House.”—Poets & Writers “A tonic addition to American—no, world!—literature . . . a Greek tragedy with Indian roots and New York coordinates.”—San Francisco Chronicle

A Hockey Romance

Tuxbury Publishing LLC
In the tradition of Sarah Dessen, this powerful debut novel is a compelling portrait of a young girl coping with her mother’s cancer as she

figures out how to learn from—and fix—her past mistakes. Few things come as naturally to Harper as epic mistakes. In the past year she was kicked off the swim team, earned a reputation as Carson High’s easiest hook-up, and officially became the black sheep of her family. But her worst mistake was destroying her relationship with her best friend, Declan. Now, after two semesters of silence, Declan is home from boarding school for the summer. Everything

about him is different—he’s taller, stronger...more handsome. Harper has changed, too, especially in the wake of her mom’s cancer diagnosis. While Declan wants nothing to do with Harper, he’s still Declan, her Declan, and the only person she wants to talk to about what’s really going on. But he’s also the one person she’s lost the right to seek comfort from. As their mutual friends and shared histories draw them together again, Harper and Declan must decide

which parts of their past are still salvageable and which parts they'll have to let go of once and for all. In this honest and affecting tale of friendship and first love, Emily Martin brings to vivid life the trials and struggles of high school and the ability to learn from past mistakes over the course of one steamy North Carolina summer.

The Understatement of the Year Harlequin

'A very readable, occasionally apocalyptic, almanac of "interesting times.'" The Age 'He

He...write[s] like an angel, albeit an avenging one with a taste for the salacious.' Good Reading In 2011, history was made and the future broken... One of our most incisive and eloquent observers, Bob Ellis has reviewed the occurrences of 2011 and found it to be a year as important as 1848. He and his collaborators, Damian Spruce and

Stephen Ramsey, refresh and repopulate our memories with enormous events already half-forgotten, revealing their coherence and resonance. From the Arab Spring to the London riots and Occupy Wall Street; from the Christchurch earthquake and the Fukushima meltdown to the possible discovery of the Higgs-Boson 'God' particle; from the shooting of US Senator Gabby Giffords to her vote on the bill that saved America's economy; from Assange fighting

extradition to the Murdoch empire on trial; from the last hours of Kim Jong-il and Vaclav Havel to the Breivik massacre in Norway and the executions of Gaddafi and bin Laden – the year 2011 was portentously charged.  READ WITH JENNA BOOK CLUB PICK AS FEATURED ON TODAY • A spellbinding debut novel tracing three generations of a Southern Black family and one daughter's discovery that she has the power to change her

family's legacy. "I fell in love with this family, from Joan's fierce heart to her grandmother Hazel's determined resilience. Tara Stringfellow will be an author to watch for years to come."—Jacqueline Woodson, New York Times bestselling author of *Red at the Bone* ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Oprah Daily, Essence, Glamour, Business Insider, Marie Claire, The Millions, She Reads, Book Riot, Bad Form Summer 1995: Ten-year-old Joan, her mother,

and her younger sister flee her father's explosive temper and seek refuge at her mother's ancestral home in Memphis. This is not the first time violence has altered the course of the family's trajectory. Half a century earlier, Joan's grandfather built this majestic house in the historic Black neighborhood of Douglass—only to be lynched days after becoming the first Black detective in the city. Joan tries to settle into her new life, but family secrets cast a longer shadow than

any of them expected. As she grows up, Joan finds relief in her artwork, painting portraits of the community in Memphis. One of her subjects is their enigmatic neighbor Miss Dawn, who claims to know something about curses, and whose stories about the past help Joan see how her passion, imagination, and relentless hope are, in fact, the continuation of a long matrilineal tradition. Joan begins to understand that her mother, her mother's mother, and the mothers before them

persevered, made impossible choices, and put their dreams on hold so that her life would not have to be defined by loss and anger—that the sole instrument she needs for healing is her paintbrush. Unfolding over seventy years through a chorus of unforgettable voices that move back and forth in time, Memphis paints an indelible portrait of inheritance, celebrating the full complexity of what we pass down, in a family and as a country: brutality and justice, faith and forgiveness, sacrifice

and love.

 Have you ever been punched by a cabbage, or fallen head first down the loo? Have you ever had fun with a poem? You haven't? Then this book's for you. 'Steve Turner's first collection of verse for children is full of quirky humour and strong rhymes to read aloud' Children and quite a few adults will enjoy the poems in this collection. Pollution, religion, growing up and families are just

some of the topics the author uses for this amusing anthology. I rate this collection as good as those by Roger McGough and Brian Patten." Hull Daily Mail 'Full of quirky humour and strong rhymes that kids adore.' Brian Patten 'Steve Turner is one of the most original and child-friendly voices to emerge in the last few years.' Sunday Telegraph 'Highly observant, often poignant, sometimes naughty and always fresh and funny.' Nick Park, creator of Wallace and Gromit 'This hilarious

collection of poems will make you laugh out loud.' The Young Telegraph **The War of the Worlds** Rennie Road Books
 Rising literary star Deb Olin Unferth offers a new twist on the coming-of-age memoir in this utterly unique and captivating story of the year she ran away from college with her Christian boyfriend and followed him to Nicaragua to join the Sandinistas. Despite their earnest commitment to a myriad of revolutionary causes and to each other, the couple find

themselves unwanted, unhelpful, and unprepared as they bop around Central America, looking for "revolution jobs." The year is 1987, a turning point in the Cold War. The East-West balance has begun to tip, although the world doesn't know it yet, especially not Unferth and her fiancé (he proposes

on a roadside in El Salvador). The months wear on and cracks begin to form in their relationship: they get fired, they get sick, they run out of money, they grow disillusioned with the revolution and each other. But years later the trip remains fixed in her mind and she finally goes

back to Nicaragua to try to make sense of it all. Unferth's heartbreaking and hilarious memoir perfectly captures the youthful search for meaning, and is an absorbing rumination on what happens to a country and its people after the revolution is over.
