### **Kings Without Thrones** HarperCollins

Chronicles the dramatic collapse of Alexander the Great's empire, discussing the unsuccessful reigns of his half-brother and posthumously born son, the infighting among his generals, and the ensuing war that set the stage for modern conflicts.

### **The Page of the Duke of Savoy** Bloomsbury Publishing

After she has served a year of hard labor in the salt mines of Endovier for her crimes, Crown Prince Dorian offers eighteen-year-old assassin Celaena Sardothien her freedom on the condition that she act as his champion in a competition to find a new royal assassin.

[Current Literature](#) Review and Herald Pub Assoc

One of the best fantasy book series of the past decade - Time Magazine When magic has gone from the world and a vicious king rules from his throne of glass, an assassin comes to the castle. She is a prisoner, but if she can defeat twenty-three killers, thieves, and warriors in a competition to find the greatest assassin in the land, she will become the king's champion and earn her freedom. But the evil she encounters in the castle goes deep, and as dark forces gather on the horizon - forces which threaten to destroy her entire world - the assassin must take her place in a fight greater than she could ever have imagined. This is the epic, heart-stopping fantasy series that has turned #1 New York Times bestselling author Sarah J. Maas into a worldwide phenomenon. Fans new and old will dive into this ebook bundle containing the whole series: Throne of Glass, Crown of Midnight, Heir of Fire, Queen of Shadows, Empire of Storms, Tower of Dawn, the thrilling finale Kingdom of Ash, and the companion anthology The Assassin's Blade.

[The American Universal Cyclopædia](#) Knopf

The action-packed, heart-wrenching and fantastically addictive sequel to Sarah J. Maas's epic YA fantasy debut THRONE OF GLASS. Eighteen-year-old Celaena Sardothien is bold, daring and beautiful - the perfect seductress and the greatest assassin her world has ever known. But though she won the King's contest and became his champion, Celaena has been granted neither her liberty nor the freedom to follow her heart. Celaena faces a choice that is tearing her to pieces: kill in cold blood for a man she hates, or risk sentencing those she loves to death. Celaena must decide what she will fight for: survival, love or the future of a kingdom. Because an assassin cannot have it all ... And trying to may just destroy her.

An updated new edition of a classic history of the Hungarians from their earliest origins to today In

this absorbing and comprehensive history, Paul Lendvai tells the fascinating story of how the Hungarians, despite a string of catastrophes and their linguistic and cultural isolation, have survived as a nation for more than one thousand years. Now with a new preface and a new chapter that brings the narrative up to the present, the book describes the evolution of Hungarian politics, culture, economics, and identity since the Magyars first arrived in the Carpathian Basin in 896. Through colorful anecdotes of heroes and traitors, victors and victims, revolutionaries and tyrants, Lendvai chronicles the way progressivism and economic modernization have competed with intolerance and narrow-minded nationalism. An unforgettable blend of skilled storytelling and scholarship, *The Hungarians* is an authoritative account of this enigmatic and important nation.

The novel takes place in Manchester, The Cotswolds, and Wales, and was inspired by our visit to South Wales some years ago. It follows Jeff Harris, as he is released from prison after spending four years there for art theft. He is immediately contacted by a well dressed stranger who offers him a large sum of money if Jeff will reveal to him the name and whereabouts of the colleague who performed the art-faking. After much hesitation, Jeff complies, and in so doing gets involved in a crime which endangers himself and his best friend, the art faker. Complicating matters is a Welsh Nationalist group that gets word to the proposed theft of one of the most sacred relics of the Welsh nation. Deadly events ensue . . .

ONCE UPON A TIME IN CHINA... a boy grew up to become one of the greatest teachers in China.

Today, 2,500 years later, people all over the world know him and study his ideas. In this book, read about the brilliant teacher Confucius. He had thousands of students, gave advice to kings and opened the first public school in the world. However, he thought he was a failure - discover why in *The King Without A Throne*.

**The King Without a Kingdom (The Accursed Kings, Book 7)** Lulu Press, Inc

High-class armchair travel at its very best! *Mona Lisa's Pajamas* gives readers a round-trip ticket for a journey around the world, carrying them to distant destinations most of us will never visit.

Originally written for *The Wall Street Journal* and *Bloomberg News*, A. Craig Copetas's delightfully surprising columns are now collected in book form for the first time. Covering exotic locales, improbable business ventures, artisan winemakers and memorably oddball characters, Copetas's vivid writing brings his subjects alive with richly-textured descriptions only a truly gifted observer can capture. From Sparta's souvenir sword-makers swamped with demand thanks to the hit movie *300*, to a Russian golf pro whose favourite clubs were built from the scrapped metal of a Soviet nuclear missile, Copetas writes of unorthodox business pursuits and faraway locations with an

infectious joie de vivre and an unerring eye for what makes enjoyable reading.

Tuhfah Yi- 'Abbāsī The King Without a Throne ONCE UPON A TIME IN CHINA... a boy grew up to become one of the greatest teachers in China. Today, 2,500 years later, people all over the world know him and study his ideas. In this book, read about the brilliant teacher Confucius. However, he thought he was a failure - discover why in *The King Without A Throne*. *The King Without a Kingdom* (The Accursed Kings, Book 7)

The Page of the Duke of Savoy was Dumas' 1853 novel recounting the story of Emmanuel Philibert, Duke of Savoy, who triumphs over Henry II in war and then hopes to bring peace. This is the first book in the two-volume set.

A&C Black

Because of grace, good things happen even in the midst of a bad world. To the casual observer it may look like chance or luck. But to the person who knows Jesus, it's undeniable that this undeserved goodness is nothing else but His grace. When Jesus walked on earth, He brought grace into every encounter, to every person. Even now, all around us, God is working out beautiful grace stories. Open the pages of this devotional book for a daily encounter with Jesus and His surprising, endless, life-changing grace.

A kingdom's safety Betrayed by those she loves, Honoria Escalona must now face the only man capable of bringing stability to the Mediterranean kingdom of Mecjoria. A cold, hard man who once called her his friend... Alexei Sarova—the true King of Mecjoria. In exchange for her happiness But Alexei's tortuous past has changed him into someone she hardly knows. He blames Ria's family for his bitterness, and his help—when he offers it—comes with a price: he'll take his rightful place as King with Ria as his wife, until she produces a true-blood heir....

**Throne of Glass eBook Bundle** Harlequin

A ruthless and a bastard prince inherits the throne in his early age from his magnanimous father, King Ademeus, who had fought to inherit the kingdom and build it to be the most powerful of the five kingdoms. But after a sudden death, the prince was immediately crowned king, and he became known as a man who rules with an iron fist, and with a cruel heart. Although King Letum was feared throughout the five kingdoms, he isolated himself because he could not trust anyone, and with the prophecy that his child would challenge his existence on the throne, the king tried to abstain from

having any children. But with untrustworthy allies and a drunken night, his worst fear came to pass.

The King Without a Throne

*The New Larned History for Ready Reference, Reading and Research*

It's a beloved tale: young David rises from the obscurity of the shepherd's field to seize the throne of Israel. But what is often forgotten is that as David walked away from Samuel with the anointing oil still dripping from his head, his royal destiny would not be fulfilled for over twenty years. Drawing from the examples of David and his own experiences, Joshua McElhaney speaks to the heart of ministers. Using illustrations from the life of one of Israel's greatest kings, he demonstrates the importance of patience, trust, and submission in developing godly attitudes and strong ministries. In the journey of this book, you will see how the successes, influence, and greatness of David's kingship weren't defined by how he handled the throne. His achievements came from how he handled the cave...

King Eric and the Outlaws: or, the Throne, the Church, and the People in the thirteenth Century. ...

Translated from the Danish, by Jane Frances Chapman

This book is one of the oldest and most important sources written on the esoteric teachings of Islam from a Shi'ite perspective. It demonstrates the Qur'anic origins of Sufism and its close relationship with Shi'ism. The book is based mainly on the teachings of the Qur'an, Hadith narrations of Shi'ite Imams, and the teachings of earlier Sufi masters. In this lies the uniqueness, authenticity, and strength of the book. Tuhfah yi-' Abbasi is written in a typical prose style of the Safavid period and is replete with Arabic words and phrases. The difficulty and dryness of the style, however, is properly compensated by timely quotation of Prophetic traditions, narrations of the Shi'ite Imams, and Sufi poetry composed by 'Attar, Rumi, Hafiz, Mansur Hallaj, as well as the author. This work conveys a universal message for all human beings, particularly at a time when Sufism and Shi'ism are misrepresented by pseudo-Sufis and extremist Shi'ite, and misunderstood by many readers in the Muslim world and in the West.
