For fans of Rene Denfeld and Shari Lapena comes a rich, atmospheric family drama set in the 1980's following the disappearances of two paperboys from a small midwestern town. It's August 1984, and paperboy Christopher Stewart has gone missing. Hours later, twelve-year-old Sammy Cox hurries home from his own paper route, red-faced and out of breath, hiding a terrible secret. Crystal, Sammy's seventeen-year-old sister, is worried by the disappearance but she also sees opportunity: the Stewart case has echoes of an earlier unsolved disappearance of another boy, one town over. Crystal senses the makings of an award winning essay, one that could win her a scholarship - and a ticket out of their small Iowa town. Officer Dale Goodkind can't believe his bad luck: another town and another paperboy kidnapping. But this time he vows that it won't go unsolved. As the abductions set in motion an unpredictable chain of violent, devastating events touching each life in unexpected ways, Dale is forced to face his own demons. Told through interwoven perspectives--and based on the real-life Des Moines Register paperboy kidnappings in the early 1980's--*The Monsters We Make* deftly explores the effects of one crime exposing another and the secrets people keep hidden from friends, families, and sometimes, even themselves.

The Complete Gillian Flynn Ballantine Books

This stunning companion to Kate Atkinson's #1 bestseller *Life After Life*, "one of the best novels I've read this century" (Gillian Flynn), follows Ursula's brother Teddy as he navigates an unknown future after a perilous war. "He had been reconciled to death during the war and then suddenly the war was over and there was a next day and a next day. Part of him never adjusted to having a future." Kate Atkinson's dazzling *Life After Life* explored the possibility of infinite chances and the power of choices, following Ursula Todd as she lived through the turbulent events of the last century over and over again. *A God in Ruins* tells the dramatic story of the 20th Century through Ursula's beloved younger brother Teddy -- would-be poet, heroic pilot, husband, father, and grandfather -- as he navigates the perils and progress of a rapidly changing world. After all that Teddy endures in battle, his greatest challenge is living in a future he never expected to have. An ingenious and moving exploration of one ordinary man's path through extraordinary times, *A God in Ruins* proves once again that Kate Atkinson is one of the finest novelists of our age.

The haunting true story of the elusive serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically while investigating the case—which was solved in April 2018. Introduction by Gillian Flynn • Afterword by Patton Oswalt “A brilliant genre-buster.... Propulsive, can’t-stop-now reading.” —Stephen King For more than ten years, a mysterious and violent predator committed fifty sexual assaults in Northern California before moving south, where he perpetrated ten sadistic murders. Then he disappeared, eluding capture by multiple police forces and some of the best detectives in the area. Three decades later, Michelle McNamara, a true crime journalist who created the popular website TrueCrimeDiary.com, was determined to find the violent psychopath she called “the Golden State Killer.” Michelle pored over police reports, interviewed victims, and embedded herself in the online communities that were as obsessed with the case as she was. *I’ll Be Gone in the Dark*—the masterpiece McNamara was writing at the time of her sudden death—offers an atmospheric snapshot of a moment in American history and a chilling account of a criminal mastermind and the wreckage he left behind. It is also a portrait of a woman’s obsession and her unflinching pursuit of the truth. Utterly original and compelling, it has been hailed as a modern true crime classic—one which fulfilled Michelle’s dream: helping unmask the Golden State Killer.

INTERNATIONAL THRILLER WRITERS AWARD WINNER AND BARRY AWARD NOMINEE FOR BEST FIRST NOVEL • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BOOKPAGE The town of Henbane sits deep in the Ozark Mountains. Folks there still whisper about Lucy Dane’s mother, a bewitching stranger who appeared long enough to marry Carl Dane and then vanished when Lucy was just a child. Now on the brink of adulthood, Lucy experiences another loss when her friend Cheri disappears and is then found murdered, her body placed on display for all to see. Lucy’s family has deep roots in the Ozarks, part of a community that is fiercely protective of its own. In her enthralling novels of literary suspense, Carol Goodman writes stories that resonate with emotion set in lush landscapes that entice the senses. Now, with *The Ghost Orchid*, a narrative that seamlessly weaves together the past and the present, Goodman creates her most lyrical and haunting work to date. For more than one hundred years, creative souls have traveled to Upstate New York to work under the captivating spell of the Bosco estate. Cradled in silence, inspired by the rough beauty of overgrown gardens and crumbling statuary, these chosen few fashion masterworks—and have cemented Bosco's reputation as a premier artists' colony. This season, five talented artists-in-residence find themselves drawn to the history of Bosco, from the extensive

network of fountains that were once its centerpiece but have long since run dry to the story of its enigmatic founder, Aurora Latham, and the series of tragic events that occurred more than a century ago. Ellis Brooks, a first-time novelist, has come to Bosco to write a book based on Aurora and the infamous summer of 1893, when wealthy, powerful Milo Latham brought the notorious medium Corinth Blackwell to the estate to help his wife contact three of the couple's children, lost the winter before in a diphtheria epidemic. But when a séance turned deadly, Corinth and her alleged accomplice, Tom Quinn, disappeared, taking with them the Lathams' only surviving child. The more time she spends at Bosco, the more Ellis becomes convinced that there is an even darker, more sinister end to the story. And she's not alone: biographer Bethesda Graham uncovers stunning revelations about Milo and Corinth; landscape architect David Fox discovers a series of hidden tunnels underneath the gardens; poet Zalman Bronsky hears the long-dry fountain's waters beckoning him; and novelist Nat Loomis feels something lingering just out of reach. After a bizarre series of accidents befalls them, the group cannot deny the connections between the long ago and now, the living and the dead . . . as Ellis realizes that the tangled truth may ensnare them all in its cool embrace.
