The Texas Rangers Lulu.com

Established in Waco in 1968, the Texas Ranger Hall of Fame and Museum honors the iconic Texas Rangers, a service which has existed, in one form or another, since 1823. They have become legendary symbols of Texas and the American West. Thirty-one Rangers, with lives spanning more than two centuries, have been enshrined in the Hall of Fame. In *The Ranger Ideal Volume 1: Texas Rangers in the Hall of Fame, 1823-1861*, Darren L. Ivey presents capsule biographies of the seven inductees who served Texas before the Civil War. He begins with Stephen F. Austin, "the Father of Texas," who laid the foundations of the Ranger service, and then covers John C. Hays, Ben McCulloch, Samuel H. Walker, William A. A. "Bigfoot" Wallace, John S. Ford, and Lawrence Sul Ross. Using primary records and reliable secondary sources, and rejecting apocryphal tales, *The Ranger Ideal* presents the true stories of these intrepid men who fought to tame a land with gallantry, grit, and guns. This Volume 1 is the first of a planned three-volume series covering all of the Texas Rangers inducted in the Hall of Fame and Museum in Waco, Texas.

The Texas Rangers Arcadia Publishing

Examines the history, players, and future of the Texas Rangers baseball team.

Texas Rangers The Creative Company

Inside MLB profiles each of the 30 franchises in Major League Baseball. *Texas Rangers* is a beginner's history of the Rangers, covering the beginnings of the franchise, the greatest and lowest moments of the team, and the best players and managers. Fun facts, anecdotes, and sidebars round out the story of each club, allowing your readers to get Inside MLB! Aligned to Common Core Standards and correlated to state standards. SportsZone is an imprint of Abdo Publishing, a division of ABDO.

A Texas Ranger BearManor Media

The 1972 Texas Rangers were a culmination of decades of trying to get a major-league team in Dallas-Fort Worth. The area has a long history with baseball, going back to the 1800s, and minor-league teams played in both cities right up until the Rangers arrived with Ted Williams at the helm. High expectations were quickly dashed. Just how bad were those early Rangers teams? When reporter Mike Shropshire wrote a book about covering the Rangers from 1973 to '75, he titled it *Seasons In Hell*. Twenty years later, the Rangers still hadn't made the playoffs. Counting the decade when the franchise was known as the Washington Senators, the team did not go to the playoffs for the first 35 years of its existence. In this book you will learn... Nolan Ryan played in the MLB for how many presidential administrations? (More than you'd think.) Who was the first and only Rangers pitcher to ever throw a perfect game? When the Texas Rangers play the Houston Astros, what is the series called? Back in 1998, former Ranger Alex Rodriguez was asked by a reporter who his dream date would be with. All these stories and so much more can be found in a unique format that provides with each telling a story about Ranger history: facts, anomalies, records, coincidences, and enthralling lore and trivia from the legends, stars, and even the forgotten players. This book isn't just for the diehard Rangers fan. It's for every fan who enjoys watching the Rangers and wants to learn more about their favorite team.

The Texas Rangers in Transition Big Buddy Books

Spellman now presents the first full-length biography of this enigmatic man."

Six Years with the Texas Rangers, 1875-1881 SportsZone

Here is the first full telling of the most colorful and famous law enforcers of our time. For years, the Texas Rangers have been historical figures shrouded in myth. Charles M. Robinson III has sifted through the tall tales to reach the heart of this storied organization. *The Men Who Wear the Star*

details the history of the Rangers, from their beginnings, spurred by Stephen Austin, and their formal organization in 1835, to the gangster era with Bonnie and Clyde, and on through to modern times. Filled with memorable characters, it is energetic and fast-paced, making this the definitive record of the exploits and accomplishments of the Texas Rangers.

Texas Rangers University of North Texas Press

"An exhaustive account"—Booklist "The first of its kind, this book documents Texas Ranger units since the service's 1823 inception...the most comprehensive book to date...a wonderful, one-step reference for historians"—Library Journal "A good, one volume, overall, modern history of the Rangers in their changing roles from 1823 to today...easy to read"—Journal of the West "This is a must for Ranger buffs...an amazing compilation"—True West The Texas Ranger law enforcement agency features so prominently in Texan and Wild West folklore that its accomplishments have been featured in everything from pulp novels to popular television. After a brief overview of the Texas Rangers' formation, this book provides an exhaustive account of every known Ranger unit from 1823 to present. Each chapter provides a brief contextual explanation of the time period covered and features entries on each unit's commanders, periods of service, activities, and supervising authorities. Appendices include an account of the Rangers' battle record, a history of the illustrious badge, documents relating to the Rangers, and lists of Rangers who have died in service, been inducted into the Texas Ranger Hall of Fame, or received the Texas Department of Public Safety's Medal of Valor.

Texas Rangers Simon and Schuster

Official Texas Ranger Bicentennial™ Publication Newly rich in oil money, and all the trouble it could buy, Texas in the years following World War I underwent momentous changes—and those changes propelled the transformation of the state's storied Rangers. Charles H. Harris III and Louis R. Sadler explore this important but relatively neglected period in the Texas Rangers' history in this book, a sequel to their award-winning *The Texas Rangers and the Mexican Revolution: The Bloodiest Decade, 1910-1920*. In a Texas awash in booze and oil in the Prohibition years, the Rangers found themselves riding herd on gamblers and bootleggers, but also tasked with everything from catching murderers to preventing circus performances on Sunday. *The Texas Rangers in Transition* takes up the Rangers' story at a time of political turmoil, as the largely rural state was rapidly becoming urban. At the same time, law enforcement was facing an epidemic of bank robberies, an increase in organized crime, the growth of the Ku Klux Klan, Prohibition enforcement—new challenges that the Rangers met by transitioning from gunfighters to criminal investigators. Steeped in tradition, reluctant to change, the agency was reduced to its nadir in the depths of the Depression, the victim of slashed appropriations, an antagonistic governor, and mediocre personnel. Harris and Sadler document the further and final change that followed when, in 1935, the Texas Rangers were moved from the governor's control to the newly created Department of Public Safety. This proved a watershed in the Rangers' history, marking their transformation into a modern law enforcement agency, the elite investigative force that they remain to this day.

The Texas Rangers Sagebrush Large Print Westerns

Tracking the Texas Rangers: The Twentieth Century is an anthology of fifteen previously published articles and chapter excerpts covering key topics of the Texas Rangers during the twentieth century. The task of determining the role of the Rangers as the state evolved and what they actually accomplished for the benefit of the state is a difficult challenge. The actions of the Rangers fit no easy description. There is a dark side to the story of the Rangers; during the Mexican Revolution, for example, some murdered with impunity. Others sought to restore order in the border communities as well as in the remainder of Texas. It is not lack of interest that complicates the unveiling of the mythical force. With the possible exception of the Alamo, probably more has been written about the Texas Rangers than any other aspect of Texas history. *Tracking the Texas Rangers* covers leaders

such as Captains Bill McDonald, "Lone Wolf" Gonzauillas, and Barry Caver, accomplished Rangers like Joaquin Jackson and Arthur Hill, and the use of Rangers in the Mexican Revolution. Chapters discuss their role in the oil fields, in riots, and in capturing outlaws. Most important, the Rangers of the twentieth century experienced changes in investigative techniques, strategy, and intelligence gathering. Tracking looks at the use of Rangers in labor disputes, in race issues, and in the Tejano civil rights movement. The selections cover critical aspects of those experiences—organization, leadership, cultural implications, rural and urban life, and violence. In their introduction, editors Bruce A. Glasrud and Harold J. Weiss, Jr., discuss various themes and controversies surrounding the twentieth-century Rangers and their treatment by historians over the years. They also have added annotations to the essays to explain where new research has shed additional light on an event to update or correct the original article text.

The Ranger Ideal Volume 1 University of North Texas Press

The Ranger Ideal Volume 2 University of North Texas Press

Authors Bob Alexander and Donaly E. Brice grappled with several issues when deciding how to relate a general history of the Texas Rangers. Should emphasis be placed on their frontier defense against Indians, or focus more on their role as guardians of the peace and statewide law enforcers? What about the tumultuous Mexican Revolution period, 1910-1920? And how to deal with myths and legends such as One Riot, One Ranger? Texas Rangers: Lives, Legend, and Legacy is the authors' answer to these questions, a one-volume history of the Texas Rangers. The authors begin with the earliest Rangers in the pre-Republic years in 1823 and take the story up through the Republic, Mexican War, and Civil War. Then, with the advent of the Frontier Battalion, the authors focus in detail on each company A through F, relating what was happening within each company concurrently. Thereafter, Alexander and Brice tell the famous episodes of the Rangers that forged their legend, and bring the story up through the twentieth century to the present day in the final chapters.

The Texas Rangers Stride

Description: TV Still (Programme).

Texas Rangers Creative Paperbacks

Kansas City's KMBC was home to many country and western artists during radio's golden age but few could match the popularity and longevity of the Texas Rangers. Debuting in 1932, the Texas Rangers entertained America by radio, records, tours, motion pictures and television before finally disbanding in the 1950s. With few commercially released singles, the Texas Rangers were soon forgotten after their heyday except by the most devoted fans of the genre. Now, nearly six decades after the end of their performing years, *The Texas Rangers: Two Decades on Radio, Film, Television, and State* offers an in-depth history of the Texas Rangers. This book provides a rare look into the personalities and business dealings that kept the group performing before the public for more than twenty years.

Texas Rangers Random House

They say everything is bigger in Texas, and the Lone Star State can certainly boast of immense ranches, vast oil fields, enormous cowboy hats, and larger-than-life heroes. Among the greatest of the latter are the iconic Texas Rangers, a service that has existed, in one form or another, since 1823. Established in Waco in 1968, the Texas Ranger Hall of Fame and Museum continues to honor these legendary symbols of Texas and the American West. While upholding a proud heritage of duty and sacrifice, even men who wear the cinco peso badge can have their own champions. Thirty-one individuals—whose lives span more than two centuries—have been enshrined in the Texas Ranger Hall of Fame. In *The Ranger Ideal Volume 2: Texas Rangers in the Hall of Fame, 1874-1930*, Darren

L. Ivey presents capsule biographies of the twelve inductees who served Texas in the latter half of the nineteenth century. Ivey begins with John B. Jones, who directed his Rangers through their development from state troops to professional lawmen; then covers Leander H. McNelly, John B. Armstrong, James B. Gillett, Jesse Lee Hall, George W. Baylor, Bryan Marsh, and Ira Aten—the men who were responsible for some of the Rangers' most legendary feats. Ivey concludes with James A. Brooks, William J. McDonald, John R. Hughes, and John H. Rogers, the "Four Great Captains" who guided the Texas Rangers into the twentieth century.

The Texas Rangers University of North Texas Press

Have you ever wondered about the Texas Rangers? Do you know the history of this legendary law enforcement agency?

The Men Who Wear the Star University of Oklahoma Press

*Includes pictures *Includes contemporary accounts of the Rangers *Includes online resources and a bibliography for further reading In the second decade of the 19th century, the precarious state of America's transatlantic relationships began to stabilize. The War of 1812 ended, and the border status with Canada grew somewhat more settled. Turning its efforts toward the taming of an unwelcoming West, the young country faced new and less well-understood enemies. These included a vast array of indigenous Native American tribes, a general lawlessness roaming free from an absence of social protections, and Mexico's historical claims on a large swath of the westernmost portions of the continent. The contested ownership of Texas produced hostility over the following decades in what is now the 28th American state. The threat of relocating the border with Mexico far to the south at the Rio Grande River was seen as an American land grab of enormous proportions. The Comanche and other large tribes of the region, forced out by farmed acreage and barbed wire fence, viewed the onslaught of American settlement in much the same way. Within these cultural and legal collisions, an outlaw culture took advantage of the structural void. The creation of the Texas Rangers as a response to Indian retaliations and renegade assaults on the banking and transportation systems was born of a need to react quickly. Special skills were required, and unlike the military, resourcefulness and improvisatory thinking were prized alongside obedience to orders. Author Mike Cox described the ideal Texas Ranger as one who is "able to handle any situation without definite instruction from his commanding officer." It is this resourcefulness, a colorful and non-conformist personality, and a sense of vigilantism that has lent the Texas Rangers a special charisma since their formation. From 19th-century newspaper articles and short stories through early films, the legend of this paramilitary organization has never been without a willing audience. *The Ranger's Bride* was released in 1901, followed by *The Border Ranger* and *The Ranger and His Horse* over the next four years. Radio of the 1940s created a sensation with its treatment of the old Lone Ranger story. The tale continued to bloom in television with Clayton Moore and Jay Silverheels as the Ranger and his companion, Tonto. Karate champion Chuck Norris continued the trend with his serial titled *Walker, Texas Ranger*, employing the name of a famous figure from the Rangers' early years. Uniformly idealized, the true nature of the organization could not be accurately captured by entertainment media. The behavior of the famed citizen protectors fluctuated consistently through their almost two-century existence, complete with tales of heroism and a string of atrocities committed against the innocent. *The Texas Rangers: The History and Legacy of the West's Most Famous Law Enforcement Agency* chronicles the remarkable story of the Rangers and their place in fact, legend, and lore. Along with pictures depicting important people, places, and events, you will learn about the Texas Rangers like never before.

Texas Rangers Createspace Independent Publishing Platform

Presents a general history of the law-enforcing service known as the Texas Rangers, discussing the origins and function of the ranging companies, and repeating some of the stories and legends of their exploits.

Texas Rangers University of North Texas Press
