Organizational Behavior, Binder Ready Version John Wiley & Sons

Organizational Behavior Fourth Edition helps students understand the impact of effective management of people, teams and groups on organizational performance. Through this strategic framework, the authors illustrate organizational behavior as critical to implementing strategy, gaining competitive advantages, and ensuring positive organizational results. The 4th Edition includes the latest research and literature pertaining to pressing topics like global contexts, motivation and leadership. With features that offer managerial advice, highlight strategic initiatives and provide opportunities for self-assessment and analysis, the text encourages students to understand the value of OB to organizational success and to their future careers.

Organizational Behavior Wiley

A brief introduction to organizational behaviour that tackles the issues facing today's managers, such as diversity, total quality management, ethics and the global marketplace. It uses a managerial perspective to explore how a manager uses organizational behaviour insights in the workplace.

Organizational Behavior Wiley

This unique text thoroughly explores the topic of organizational behavior using a strengths-based, action-oriented approach with a strong emphasis on creativity, innovation, and the global society. By focusing on the interactions among individuals, groups, and organizations this text illustrates how organizational behavior topics fit together. A unique set of pedagogical features challenge students to develop greater personal, interpersonal, and organizational skills in business environments as well as utilize their own strengths and the strengths of others to achieve organizational commitment and success.

Organizational Behavior + Wileyplus Learning Space John Wiley & Sons

Hitt's engaging book will help managers understand the linkage between managing behavior effectively and the organisation's ability to formulate and implement its strategy. It emphasises the relationship between management effectiveness and company performance. A case study on Whole Foods is integrated throughout the chapters and covers all major organisational behavior topics. It also underscores how people are important assets to organisations, and how application of their knowledge and skills is necessary for organisations to accomplish their goals. Managers will gain the skills to make a strategic impact within their organisations.

Organizational Behavior Cengage Learning

Striking a balance between research, theory, and application, the sixth edition of INDUSTRIAL/ORGANIZATIONAL PSYCHOLOGY: AN APPLIED APPROACH prepares students for their future careers through a combination of scholarship, humor, case studies, and practical applications. Students will see the relevance of industrial/organizational psychology to their everyday lives through such practical applications as how to write a resume, survive an employment interview,

write a job description, create a performance appraisal instrument, and motivate employees. Charts and tables simplify such complicated issues as employment law, job satisfaction, work motivation and leadership. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Organizational Behavior Wiley

Organisational Behaviour: Core Concepts and Applications, 3rd Australasian Edition is the ideal text for a one-semester Organisational Behaviour course. Fourteen concise, relevant and tightly focused chapters are designed to engage rather than overwhelm students, and the highly visual presentation further enhances the text's appeal. Numerous real-world examples throughout the text examine how organisations in the Australian, New Zealand and Asian region are responding to contemporary business issues such as: The increasing focus on sustainable business practices Employee stress and work/life balance Workforce flexibility and casualisation Generation Y and the ageing workforce Skills shortages Globalisation Telecommuting Outsourcing Diversity in the workplace The '24/7' nature of contemporary communication technology, including social media Complemented by the latest research in the field, this text provides a thorough analysis of contemporary organisational behaviour. Organizational Behavior SAGE Publications

This text shows readers how to efficiently manage behavior in organizations that in turn helps implement the organization's strategy, affects the organization's productivity, and allows the organization to gain advantages over its competitors.

Organizational Behavior Wiley Plus Set Excel Books India

This textbook presents a comprehensive analysis of organizational behavior in sport organizations from a practitioner's perspective. It covers issues related to managing employees and work teams as well as organizational structure and culture in sport. The book has four sections: Organizational Behavior in the Sports Industry, Getting to Know Employees and Volunteers of Sport Organizations, Work Groups and Teams, and Understanding the Organization. Each chapter begins with a practitioner interview describing a challenge that was overcome by their organization. That example is used to highlight applicable theories and interventions used in the industry. Additional examples or theories are discussed to provide students a broad picture of managerial issues in the sports industry and provide alternative approaches to intervention illustrated in the practitioner interview. The case studies offer the opportunity to practice and apply the ideas to real-world scenarios in the sports industry. Students using this book will gain an understanding of how managers and leaders apply theory to communicate with and engage employees to foster desired organizational cultures while being challenged to address common issues using cases and hypothetical situations.

Organizational Behavior 4E with WileyPLUS LMS Card Set Pearson South Africa

Managing Creativity in Organizations addresses the notion of organizational creativity and innovation in general, and explores in some detail how it is achieved. The first part of the book critically reviews the literature on creativity. The second half explores the management of organizational creativity in the pharmaceutical industry. Here issues such as technology, cognition and leadership are introduced as central resources and practices in the management of organizational creativity and innovation. The research is based on management practices in four companies, all of whom have demonstrated a significant ability to exploit their organizational creativity.

Core Concepts of Organizational Behavior Thomson South-Western

This new entry to the organizational behavior market benefits from the experience of the authors, Dick Daft and Ray Noe. Dick Daft has substantial experience with macro issues of management and Ray Noe has impressive experience with micro issues. Blending their experience gives this text authority throughout.

Organizational Behavior Wiley Global Education

Aiming to show that OB knowledge is useful for everyone - sales representatives, production employees, and physicians, this book deals with OB concepts through a 'theory-practice link' approach. It helps readers connect OB theories to workplace realities through many real-life stories from across the United States and around the world.

Organizational Behavior in Sport Management John Wiley & Sons

Why does organizational behavior matter—isn't it just common sense? Organizational Behavior: A Skill-Building Approach helps students answer this question by providing insight into OB concepts and processes through an interactive skill-building approach. Translating the latest research into practical applications, authors Christopher P. Neck, Jeffery D. Houghton, and Emma L. Murray unpack how managers can develop essential skills to unleash the potential of their employees. The text examines how individual characteristics, group dynamics, and organizational factors affect performance, motivation, and job satisfaction, providing students with a holistic understanding of OB. Packed with critical thinking opportunities, experiential exercises, and self-assessments, the new Second Edition provides students with a fun, hands-on introduction to the fascinating world of OB. This title is accompanied by a complete teaching and learning package.

Managing Creativity in Organizations Wiley

Unlike any other OB textbook in the market, Neubert and Dyck's Organizational Behavior, Binder Ready Version empowers students to look at OB through two lenses: the traditional, core concepts that focus on how to make a company profitable, and the collaboration, creativity, and ethical decision making that lead to developing sustainable businesses. By inviting students to compare and contrast short-term profitability and long-term sustainability, Organizational Behavior helps students build the critical thinking skills needed to positively affect organizations, people, and communities. This text is an unbound, binder-ready edition. WileyPLUS sold separately from text.

Hitt/Miller/Colella, Organizational Behavior 4th Edition helps students understand the impact of effective management of people, teams and groups on organizational performance. Through this

strategic framework, the authors illustrate organizational behavior as critical to implementing strategy, gaining competitive advantages, and ensuring positive organizational results. The 4th Edition includes the latest research and literature pertaining to pressing topics like global contexts, motivation and leadership. With features that offer managerial advice, highlight strategic initiatives and provide opportunities for self-assessment and analysis, the text encourages students to understand the value of OB to organizational success and to their future careers.

Organizational Behavior Wiley

Structure of the Book: The structure is logical and easy to use. The book begins with an introductory section (Part I) which describes and illustrates the Foundations of Organizational Behaviour. The book next discusses, in Part II, Individual Processes and Behaviour. It then moves, in Part III, to examine the interactions among individuals in Group Behaviour. Part IV discusses The Organization System and, finally, in Part V, the book presents Organizational Dynamics. Numerous up-to-date examples: Because many students have limited exposure to real organizations, the book contains recent examples from a broad spectrum of organizations to illustrate the major concepts and to help students apply the knowledge. Some Distinctive Pedagogical Features: Organizational Behaviour offers a number of distinctive, time tested and interesting features for students as well as new and innovative features. These features should facilitate the students' acquisition and retention of the material. v Learning objectives focus student attention on upcoming chapter content and show what happens to the manager or organization. v Cases at the end of the chapter provide students an opportunity to apply their knowledge in making managerial decisions and recommendations. v Numerous review and discussion questions follow each chapter. These questions are designed to

enhance student learning and interest.

Organizational Behavior John Wiley & Sons
