Nursery Songs at the Piano Computer Science Press, Incorporated (Faber Piano Adventures). PreTime Piano Music from China is a colorful selection of folk songs and original Chinese works arranged at just the right level for the beginning pianist. Primer students meet LeLe the musical panda who playfully guides them through writing activities and discovery questions. Teacher duets provide support with harmonic richness and steady rhythms. Unique at each level of the series, a picture tour of China offers a visual sampling of history and culture. In addition, a duet improvisation and guided composition exercise draw students creatively into the Chinese sound. Songs include: The Bride's Farewell * Come Here Quickly * March Song (Gong Mode) * March Song (Yu Mode) * Ping-Pong Song * Shepherd's Song * The Young Pioneer Has Departed.

This book will make the Suzuki parent's task much easier as it will provide a reference when a parent does not know how to teach new pieces. The teacher's job will be easier too because it will no longer be necessary to explain to the parent the relationship between notes and violin fingerings. This book is well-illustrated so that mothers and advanced children can easily understand by reading and looking at the pictures. Dr. Suzuki explains, step-by-step from open strings to placing fingers, what happens to the fingers when there are sharps, flats, and naturals on the page. He explains rhythms and how to read the higher positions. When the

child is young, a parent can point to the illustrations and explain easily. There are many nice pieces for reading practice towards the end of the book.
