The solutions to today's greatest problems will not be found in a new technology, philanthropy, or social philosophy, but will be mined from the human soul. When Jesus came preaching a new kingdom, He was not proclaiming a new government as much as He was communicating a new paradigm that would liberate all who embraced it and empower them to live the authentic lives as world changers that God has planned for each of us. *Heal Your Soul, Heal Your World* is about the impact the life of our soul has on the world around us, and the journey into healing the soul that frees it to be the seat of the God ideas we need to address today's most troubling issues.

Your Breakthrough Is Only a PUSH Away Today's world knows little about perseverance. This is why so few people become innovators, entrepreneurs, and world-changers. Success is bypassed, not due to a lack of opportunity, but because we don't know how to maximize the opportunities in front of us and PUSH - persevere until success happens. In her encouraging and dynamic style, Dr. Cindy Trimm inspires you to go for it. It is one thing to read about the lives of great achievers—it is another thing to join their ranks. Learn how to: • Carry your dreams, visions, and goals “full term” and to complete fulfillment • Exercise the power of faith to overcome the impossible and release God's supernatural purposes into your life • Resist the temptation to 'cave' under pressure and press on even when you don't feel like it anymore • Empower others to fulfill their divine destinies through co-laboring with them “If you dare to believe that God has something great in store for you to do, to accomplish, or to achieve, you must be prepared to persevere in spite of your hardship, setbacks, and challenges in order to realize your dreams and accomplish your goals. This book is written to give you that extra push.” —Cindy Trimm

The hope-filled sequel to the bestselling *One Tuesday Morning*. In this new novel by Karen Kingsbury, three years have passed since the terrorist attacks on New York City. Jamie Bryan, widow of a firefighter who lost his life on that terrible day, has found meaning in her season of loss by volunteering at St. Paul's, the memorial chapel across the street from where the Twin Towers once stood. Here she meets a daily stream of people touched by the tragedy, including two men with whom she feels a connection. One is a firefighter also changed by the attacks, the other a police officer from Los Angeles. But as Jamie gets to know the police officer, she is stunned to find out that he is the brother of Eric Michaels, the man with the uncanny resemblance to Jamie's husband, the man who lived with her for three months after September 11. Eric is the man she has vowed never to see again. Certain she could not share even a friendship with his brother, Jamie shuts out the police officer and delves deeper into her work at St. Paul's. Now it will take the persistence of a tenacious man, the questions from her curious young daughter, and the words from her dead husband's journal to move Jamie beyond one Tuesday morning. “Jamie Bryan took her position at the far end of the Staten Island Ferry, pressed her body against the railing, eyes on the place where the Twin Towers once stood. She could face it now, every day if she had to. The terrorist attacks had happened, the World Trade Center had collapsed, and the only man she'd ever loved had gone down with them. Late fall was warmer than usual, and the breeze across the water washed over Jamie's face. If she could do this, if she could make this journey three times a week while Sierra was in school, then she could convince herself to get through another long, dark night. She could face the empty place in the bed beside her, face the longing for the man who had been her best friend, the one she'd fallen for when she was only a girl.”

You'll get through this. It won't be painless. It won't be quick. But God will use this mess for good. Don't be foolish or naïve. But don't despair either. With God's help, you'll get through this. You fear you won't make it through. We all do. We fear that the depression will never lift, the yelling will never stop, the pain will never leave. In the pits, surrounded by steep walls and aching reminders, we wonder: Will this gray sky ever brighten? This load ever lighten? In *You'll Get Through This*, pastor and New York Times best-selling author, Max Lucado offers sweet assurance. "Deliverance is to the Bible what jazz music is to Mardi Gras: bold, brassy, and everywhere." Max reminds readers God doesn't promise that getting through trials will be quick or painless. It wasn't for Joseph—tossed in a pit by his brothers, sold into slavery, wrongfully imprisoned, forgotten and dismissed—but his Old Testament story is in the Bible for this reason: to teach us to trust God to trump evil. With the compassion of a pastor, the heart of a storyteller, and the joy of one who has seen what God can do, Max explores the story of Joseph and the truth of Genesis 50:20. What Satan intends for evil, God redeems for good.

You can engage the enemy with confidence by using the authority you've been given by God. Author Dr. N. Cindy Trimm believes in order to wage effective warfare, knowledge of the enemy is necessary. She has compiled this exhaustive resource to assist readers in recognizing the particular

entity encountered at any particular time. This second volume in *The Rules of Engagement* series provides Christians with powerful yet practical tools to ensure victory in the battles they face. Readers will learn that the kingdom of darkness is a counterfeit of the Kingdom of Heaven, with much the same structure. Using Scripture, Dr. Trimm describes Satan's realm and its functionality. Readers will learn God's truth about principalities and powers and other demonic influences so they can better engage the enemy. Now, just as Jesus promised, believers will plunder the kingdom of darkness because they recognize the enemy and know how to fight
