MICHAELA RYKER

The Battle of the Sun Vintage

The story of Atlas and Heracles Atlas knows how it feels to carry the weight of the world; but why, he asks himself, does it have to be carried at all? In *Weight* — visionary and inventive, yet completely believable and relevant to the questions we ask ourselves every day — Winterson's skill in turning the familiar on its head to show us a different truth is put to stunning effect. When I was asked to choose a myth

to write about, I realized I had chosen already. The story of Atlas holding up the world was in my mind before the telephone call had ended. If the call had not come, perhaps I would never have written the story, but when the call did come, that story was waiting to be written. Rewritten. The recurring language motif of *Weight* is "I want to tell the story again." My work is full of Cover Versions. I like to take stories we think we know and record them differently. In the retelling comes a new emphasis or bias, and the new arrangement of the key elements demands that fresh material be injected

into the existing text. *Weight* moves far away from the simple story of Atlas's punishment and his temporary relief when Hercules takes the world off his shoulders. I wanted to explore loneliness, isolation, responsibility, burden, and freedom too, because my version has a very particular end not found elsewhere. —from Jeanette Winterson's Foreword to *Weight*
Art Objects Apple

The subsequent chapters of the book deal with selected questions from Jeanette Winterson's fiction, such as gender issues, love and eroticism, language and time, constituting areas within which

Winterson's characters seek their identity. As they contest and repudiate clichés, stereotypes and patterns, their journey of self-discovery is accomplished through transgression. The book analyzes how the subversion of phallogocentric narrative and scenarios entails the reenvisioning of relations between the genders and reconceptualization of female desire. The author attempts to determine the consequences of Winterson's manipulations with gender, sexuality and time, and her disruption of the binary system.

Do you understand the meaning of life? asked Gloria. She knew that everyone sought this mysterious meaning because it was in all the magazines. Every month there was an article on how to be fulfilled and what to invest in when you were...

Winterson Narrating Time and Space

John Hunt Publishing

The orphan has turned out to be an extraordinarily versatile literary figure. By juxtaposing diverse fictional representations of orphans, this volume sheds light on the development of cultural concepts such as childhood, family, the

status of parental legacy, individualism, identity and charity. The first chapter argues that the figure of the orphan was suitable for negotiating a remarkable range of cultural anxieties and discourses in novels from the Victorian period. This is followed by a discussion of both the (rare) examples of novels from the first half of the 20th century in which main characters are orphaned at a young age and Anglophone narratives written from the 1980s onward, when the figure of the orphan proliferated once more. The trope of the picaresque, the theme of absence and the problem of parental substitutes are among the issues addressed in contemporary orphan narratives. The book also looks at the orphan motif in three popular fantasy series, namely Rowling's Harry Potter septology, Pullman's His Dark Materials trilogy and Martin's A Song of Ice and Fire series. It then traces the development of the orphan motif from the end of the 19th century to the present in a range of different types of comics, including funnies and gag-a-day strips, superhero comics, underground comix, and autobiographical comics.

Weight Open Road + Grove/Atlantic

The Whitbread Prize-winning author of *Oranges Are Not the Only Fruit* delivers a novel that "transports us to something like the future of our own planet" (The Washington Post Book World). On the airwaves, all the talk is of the new blue planet—pristine and habitable, like our own was sixty-five million years ago, before we took it to the edge of destruction. Off the air, Billie Crusoe and the renegade Robo sapien Spike are falling in love. Along with Captain Handsome and Pink, they're assigned to colonize the new blue planet. But when a technical maneuver intended to make it inhabitable backfires, Billie and Spike's flight to the future becomes a surprising return to the distant past—"Everything is imprinted forever with what it once was." What will happen when their story combines with the world's story? Will they—and we—ever find a safe landing place? Playful, passionate, polemical, and frequently very funny, *The Stone Gods* will change forever the stories we tell about the earth, about love, and about stories themselves. "Scary, beautiful, witty and wistful by turns, dipping into the known past as it explores potential futures." —The New

York Times Book Review “[A book] that you don’t so much read as drink in, refuse to put down, cast inside of like a hunting dog, seeking against all odds the insight that will illuminate everything, a true answer to the fix we’re in.” —Los Angeles Times “A vivid, cautionary tale—or, more precisely, a keen lament for our irremediably incautious species.” —Ursula K. Le Guin, bestselling author of *Changing Planes*

Oranges Are Not the Only Fruit

Cambridge Scholars Publishing

The greedy and self-centered king of Capri has a reversal of fortune when the wind blows all of his precious things into the backyard of a kind and generous Naples washerwoman, Mrs. Jewel.

Why Be Happy When You Could Be Normal? Penguin

“The marvelous and the horrific, the mythic and the mundane overlap and intermingle in this wonderfully inventive novel.” —The New York Times Winner of the E. M. Forster Award In a fantastic world that is and is not seventeenth-century England, a baby is found floating in the Thames. The child, Jordan, is rescued by Dog Woman and grows up to travel the

globe like Gulliver—though he finds that the most curious oddities come from his own mind. The spiraling tale leads the reader from discussions on the nature of time to Jordan’s fascination with journeys concealed within other journeys, all with a dizzying speed that jumps from epiphany to shimmering epiphany. From the New York Times–bestselling author of *Oranges Are Not the Only Fruit* and *Why Be Happy When You Could Be Normal?*, Sexing the Cherry is “a mixture of *The Arabian Nights* touched by the philosophical form of Milan Kundera and told with the grace of Italo Calvino” (San Francisco Chronicle). “Those who care for fiction that is both idiosyncratic and beautiful will want to read anything [Winterson] writes.” —The Washington Post Book World

Jack is the chosen one, the Radiant Boy the Magus needs in order to perfect the alchemy that will transform London of the 1600s into a golden city. But Jack isn't the kind of boy who will do what he is told by an evil genius, and he is soon involved in an epic and nail-biting adventure, featuring dragons, knights and Queen Elizabeth I, as he battles to save London.

Jeanette Winterson's first novel for children, *Tanglewreck*, was widely admired. Here in her second, readers will once more relish her free-spirited literary inventiveness and style.

Art & Lies : a Piece for Three Voices and a Bawd

The Apothecary Grove/Atlantic, Inc.

With a swimming medal, the key to a mansion, and a comic book about a half-man/half-rat as her only clues, a 12-year-old girl seeks the true story of her father's mysterious death four years earlier near an island in the Pacific Northwest.

King's Folly (The Kinsman Chronicles Book #1) Random House

In ten interlocking essays, the acclaimed author of *Written on the Body* and *Art & Lies* reveals art as an active force in the world--neither elitist nor remote, available to those who want it and affecting those who don't. Original, personal, and provocative, these essays are not so much a point of view as they are a way of life, revealing "a brilliant and deeply feeling artist at work" (San Francisco Chronicle). *The World and Other Places* Tanglewreck A runaway adoptee encounters the ghost

of a witch. She must wrestle her past to discover the witch's secret and find her way home.

Written on the Body Baker Books
Holiday stories and recipes by the New York Times bestselling author of *Why Be Happy When You Could Be Normal?*—“otherworldly and wickedly funny” (The New York Times Book Review). For years Jeanette Winterson has loved writing a new story at Christmas time, inspired by the mysteries and traditions of the season. Here she brings together twelve of her funny and bold tales, along with twelve delicious recipes for the Twelve Days of Christmas. From jovial spirits to a donkey with a golden nose, a haunted house to a SnowMama, Winterson’s original and imaginative stories encompass the childlike and spooky wonder of Christmas. These tales pair perfectly with Winterson’s original recipes, or ones contributed by literary friends including Ruth Rendell, Kathy Acker, and others. Enjoy the season of peace and goodwill, mystery, and a little bit of magic with this “holiday treasure...to be pulled out on a December night, fireside, and read aloud” (The New York

Times Book Review). “If you crave the mystery, the family rituals, and the special victuals of Christmastime, you’ll savor . . . bold, revelatory feminist writer Jeanette Winterson’s *Christmas Days*.” —Elle
The Firebird Chronicles Vintage Classic
Gigan Ticks foretell the end of time. The world is beginning to fade. As the NIGHTMARE army advances, can Fletcher and Scoop cross the Threshold into our world? Will they be able to reunite their creators, before they slip into oblivion? Fletcher and Scoop are apprentice adventurers at Blotting's Academy, where all Story Characters are trained. Join them on their final feat as they discover the cost of crossing the Boundary in Daniel Ingram Brown's thrilling conclusion to the *Firebird Chronicles*.

Gut Symmetries Vintage
It's 1952 and the Scott family has just moved from Los Angeles to London. Here, fourteen-year-old Janie meets a mysterious apothecary and his son, Benjamin Burrows - a fascinating boy who's not afraid to stand up to authority and dreams of becoming a spy. When Benjamin's father is kidnapped, Janie and Benjamin must uncover the secrets of the

apothecary's sacred book, the *Pharmacopoeia*, in order to find him, all while keeping it out of the hands of their enemies - Russian spies in possession of nuclear weapons. Discovering and testing potions they never believed could exist, Janie and Benjamin embark on a dangerous race to save the apothecary and prevent impending disaster. Together with Ian Schoenherr's breathtaking illustrations, this is a truly stunning package from cover to cover.

The King of Capri Vintage
Eleven-year-old Silver sets out to find the Timekeeper--a clock that controls time-- and to protect it from falling into the hands of two people who want to use the device for their own nefarious ends. *The Orphan in Fiction and Comics since the 19th Century* Wendy Lamb Books
Motherless and anchorless, red-headed Silver is taken in by the timeless Mr. Pew, keeper of the Cape Wrath lighthouse, located at the isolated northwestern tip of Scotland. Pew teaches her to “man the light” but more importantly he tells her ancient tales of longing and rootlessness, of ties that bind and of the slippages that occur throughout every life, not least

those of the local inhabitants. One local, Babel Dark, a nineteenth-century clergyman who loved one woman but married another, opens like a map that Silver must follow. Caught in her own particular darkneses, she embarks on an Ulyssean sift through the stories we tell ourselves, stories of love and loss, of passion and regret, stories of unending journeys that move through places and times, and the bleak finality of the shores of betrayal. A story of mutability, of talking birds and stolen books, of Darwin and Stevenson and of the Jekyll and Hyde in all of us, Lighthousekeeping is a way in to the rooms of our own that we secretly inhabit and the lighthouses we strive towards. Jeanette Winterson is one of the most extraordinary and original writers of her generation and this shows her at her lyrical best.

The Shock of Night (The Darkwater Saga Book #1) Vintage

How do we love? With romance. With work. Through heartbreak. Throughout a lifetime. As a means, but not an end. Love

in all its forms has been an abiding theme of Jeanette Winterson's writing. Here are selections from her books about that impossible, essential force, stories and truths that search for the mythical creature we call Love. Selected from the books of Jeanette Winterson VINTAGE MINIS- GREAT MINDS. BIG IDEAS. LITTLE BOOKS. A series of short books by the world's greatest writers on the experiences that make us human Also in the Vintage Minis series- Eating by Nigella Lawson Jealousy by Marcel Proust Babies by Anne Enright Desire by Haruki Murakami **Christmas Days** Bloomsbury Publishing Patrick Carr Launches a New Suspense-filled Fantasy Epic When one man is brutally murdered and the priest he works for mortally wounded on the streets of Bunard, Willet Dura is called to investigate. Yet the clues to the crime lead to contradictions and questions without answers. As Willet begins to question the dying priest, the man pulls Willet close and screams in a foreign tongue. Then he dies

without another word. Willet returns to the city, no closer to answers than before, but his senses are skewed. People he touches appear to have a subtle shift, a twist seen at the edge of his vision, and it's as though he can see their deepest thoughts. In a world divided between haves and have-nots, gifted and common, Willet soon learns he's been passed the rarest gift of all: a gift that's not supposed to exist. Now Willet must pursue the murderer still on the loose in Bunard even as he's pulled into a much more dangerous and epic conflict that threatens not only his city, but his entire world--a conflict that will force him to come to terms with his own tortured past if he wants to survive.

[The Passion](#) Lodestone Books

In this beautiful retelling of the story of the very first Christmas, the humble donkey is chosen above all other animals to carry Mary to Bethlehem. As his journey unfolds, he is touched by the magic and mystery of the Nativity... With sparkles of originality, humour and warmth, the Christmas story is reborn.
