BRYNN MOONEY

The Loving Dominant Alyson Books

Welcome to the America we don't usually talk about, a place where that nice couple down the street could be saddling up for "pony play," making and selling their own porn DVDs, or hosting other couples for a little flogging. As award-winning journalist Brian Alexander uncovers, fringe experimentation has gone suburban. Soccer moms, your accountant, even your own parents could be turning kinky. Stunned by the uninhibited questions from ordinary people on his msnbc.com column, "Sexploration" ("My wife and I have heard that a lot of couples in their thirties are playing strip poker . . . as well as skinny-dipping with other couples/friends. Any idea if this is a fashionable trend or has it been going on for some time and we never knew it?" or "I am interested in bondage and hear that there are secret bondage clubs someplace. Can you help me find them?"), Brian Alexander was driven to understand Americans' desire to get down and dirty—especially in an era where conservative family values dominate. To find out what people are really doing—and why a

country that suffered a national freak-out over Janet Jackson's breast was enthusiastically getting in touch with its inner perv—Alexander set out on a sexual safari in modern America. Whether mixing it up at a convention of fetishists, struggling into his own pair of PVC pants for a wild night at a sex club, being tutored on dildos by a nineteen-year-old supervisor while working in an adult store, or learning the surprising ways of Biblical sex from an evangelical preacher, Alexander uses humor and insight to reveal a sexual world that is quickly redefining the phrase "polite society." Gonzo journalism at its funniest and kinkiest, *America Unzipped* is a fascinating cultural study and an eye-popping peek into the lives of people you'd least expect to find tied up and wearing latex. One Dozen Things to Avoid When Exploring American Sex

1. Asking an enthusiastic devotee to explain cock-and-ball torture while standing within arm's length.
2. Assuming an evangelical Christian will not be familiar with the term "69."
3. Incredibly tight PVC pants.
4. Trying to become the first male sex toy home party salesman in Missouri.
5. Standing too close to bondage models without wearing overalls and safety goggles.
6. Insisting that Dan Quayle would never invest in porn.
7. Displaying a look of surprise when a grandmother discusses the risk of removing a dildo from a microwave oven.
8. Admitting

your sex vocabulary is smaller than an eighth grader's. 9. Explaining the difference between "cream pie" and "gonzo" to a suburban mom shopping for her son's birthday sex DVDs. 10. Trying to interview a naked submissive locked on a cage. 11. Expecting answers about sex from a six-foot-tall pink rabbit. 12. Thinking that porn kings could not possibly have Ivy League degrees and run charitable foundations.

What makes people want to be kinky? Doctors have discovered that they did not come from overly violent homes, nor are they social outcasts that live on the edge of society, they are normal everyday people that have jobs, families, and social responsibilities. The truth is that some of us are gifted with a desire for the mystery and control of kink while others are not. For centuries, kink has been hidden in the deepest closets and become the shame and secret that people hide. We are just now achieving a comfort level with sexuality that allows for people to be more open about their desires without persecution. Let's start with what kink is and is not. Some call it BDSM which simply stands for bondage & dominance and sadism & masochism. The two terms used to be separate and now they are used in unison to describe more accurately the strong connection between the two. Kink is many things to many people to some it is the one outlet that can be used to lose complete control and become an obedient submissive. To others, it is a way to dominate and express appreciation for another through discipline. Some practice kinks on themselves and do not require a partner for arousal. Kink involves many areas of sexual play and is considered an underground subculture that can be a one-time event or a lifestyle. With all of the elements available for a kink enthusiast, it is difficult to know where to get started for a decent drive by education. This book contains a short synopsis of kink but is not a complete education and does not claim to be. Kink is a lifestyle and with all lifestyle choices must be experienced and lived to be fully learned. I can read a book about surviving in the wilderness, but that doesn't mean that I can actually survive.

Presents a collection of short stories inspired by the change in the political landscape after September, 11, 2001, by such authors as Anne Ursu, Keith Knight, Mark Lee, and Brian Gage Von Do.

Sex Witch Jack Rinella

Silvia, an internationally known dominatrix, loves two things: reducing men to sniveling, sissies and the money she makes while doing this. She is cosmopolitan, intelligent, stunningly beautiful and, of course, very, very rich. She is also one of a very small clique of global Doms who surround themselves with male and TS/TG females and makes a very good living at it. At one of her many luxury properties, Silvia entertains four of her primary subs: all of whom are former men who have been slowly transitioning from male to sissy to pre op TG to completely female players in her scene. Doc Jean, a Marine Corps veteran and former respected New York physician, is a completely converted male to spectacular female. Henry, now Henrietta, is a simpering slob who would gladly kill himself or anyone else if Silvia ordered him to. Anne, the former Arthur, is still in transition, but is a bit conflicted about giving up all of her male parts. And Harvard sophomore, Frank Lehman is totally bonded to Silvia and suffers accordingly. All of her males, or semi males, love Silvia!

"A shameless celebration of sexual freedom, *Sex Witch* encourages us to cultivate the potent, political powers we all possess within our hearts and minds and between our thighs." -- Kristen J. Sollée, author of *Witch Hunt*, *Cat Call*, and *Witches, Sluts, Feminists* *Sex Witch* combines occult knowledge with tried-and-true relationship advice to provide spells for each stage of a relationship. Self-love, seduction, sex, love, protection, revenge, and healing are all covered. The spells, such as "A Tarot Spread to Find Which Relationship Format Is Right for You," "No TERFS Allowed: Embrace Gender Identity," and "Consecrate Sex Toys" use occult knowledge and Saint Thomas's award-winning relationship writing to manifest a spell book that does something genuinely magickal: it works. *Sex Witch* is real. Love is not always fair. Sometimes we get hurt or hurt others. Using the magic inside, you'll learn how to stay balanced during these ups and downs: •Break toxic cycles. •Use candle magic to summon the perfect partner. •Embrace and unleash your kinks. •Navigate relationships through rough patches. •Get over former lovers. •Practice self-forgiveness and self-kindness.

Becoming a Slave Mistress Dede

Leading Dominatrix and BDSM expert Alicia Zadig takes you on a provocative, eye-opening journey into the erotic world of Female Domination and male submission. Zadig explains the psychology behind male submission and answers the question: Why do men crave surrendering to a dominant woman? Hear from the men themselves as they reveal their most intimate desires. Learn why so many secretly fantasize about being dominated by a woman. Delve into their experiences with Dominatrices and see what keeps them coming back for more. Yes, Mistress shines a spotlight on the everyday men who seek to explore their submissive fantasies—an aspect of sexuality that often goes unacknowledged, despite a long history and deep psychological roots. Set at the crossroads of psychology, culture, history, and media, this book challenges society's perception of BDSM, kink, and fetish. Male submission is more common than you think—and more rewarding than you can imagine!

In Search of Sex and Satisfaction The Nazca Plains Corporation

Can bondage save a marriage? Once Nick uncovers Laura's hidden desire for BDSM, there's no going back. Laura craves his touch, but Master Nick wants more than her body. He demands her total submission. Laura can only find the excitement she so desperately craves between the covers of the latest BDSM novel she reads alone in their bed. Then one night Nick, her loving, cater-to-her-every-whim, vanilla sex husband discovers her hidden library. To her everlasting surprise, he decides their anniversary getaway is the perfect time to turn her fantasies into reality. Before he can put his plan into action, Nick must figure out how to tell his wife she's actually married to a Dom. More than that, Nick is also part owner of DisciplinaryNation, a successful chain of kink clubs and an erotic toy manufacturing company. Can he dominate his lovely &'ballbreaker of the boardroom' wife—while keeping his balls intact? Laura's treacherous body revels in Nick's domination. As a natural submissive, she thrives under his strict, unyielding command. He trains her to respond to his every touch and the line between pain and pleasure blurs—so much pleasure, she's lost in it. Laura craves his firm hand, yet his sin of omission shakes her trust. She willingly offers her body, but guards her heart. Quickly, she learns Master Nick isn't just a hotter-than-hell, leather clad, flogger wielding alter ego. Dom isn't a role he slips on like a mask. It runs in his blood, defines his personality and once unleashed, there's no going back. Master Nick won't play at D/s. The gift of her body isn't enough. He demands her total submission.

He has no name. He has no future, other than that devoted to the long-term service of other men. He is a slave and now realises that it's time for him to fill this emotional void in his life. He had almost given up on finding his Master, the Master he could care for and service, the Master who would be mindful of his wellbeing and arouse his deepest emotional and erotic pleasures by using him physically and sexually. He is blessed to meet Master Peter and his friends Mark and Ian and through slave training in England and Germany commences the journey towards becoming a complete slave. He is mercilessly restrained and sexually used, each stage enhancing his commitment and devotion to his Masters. But his life is thrown into turmoil when he is kidnapped by a slave trader and shipped to a far off land. In a desert town in the Middle East his life enters a world devoid of emotion but full of humiliation, torture and pain. His misfortunes seem endless as he is passed from one abuser to another. Amidst the suffering he meets and falls in love with a fellow slave, Dale. They suffer together and their mutual suffering firms the bonds between them. In permanent slavery their very survival depends on the affection and support they receive from each other. A dramatic rescue releases the pair and the town from the grip of medieval slavery, but reinforces the fact that many are born to be slaves. Back in Europe and once again delivered to his Masters, he completes the cycle of devotion to servitude, love and personal fulfilment.

Featuring over 70 affirming interventions in the form of homework assignments, handouts, and activities, this comprehensive volume helps novice and experienced counselors support LGBTQ+ community members and their allies. Each chapter includes an objective, indications and contraindications, a case study, suggestions for follow-up, professional resources, and references. The book's social justice perspective encourages counselors to hone their skills in creating change in their communities while helping their clients learn effective coping strategies in the face of stress, bullying, microaggressions, and other life challenges. The volume also contains a large section on training allies and promoting greater cohesion within LGBTQ+ communities. Counseling and mental health services for LGBTQ+ clients require between-session activities that are clinically focused, evidence based, and specifically designed for one or more LGBTQ+ sub-populations. This handbook gathers together the best of such LGBTQ+ clinically focused material. As such, it will appeal both to students learning affirmative LGBTQ+ psychotherapy/counseling and to experienced practitioners. Offering practical tools used by clinicians worldwide, the volume is particularly useful for courses in clinical and community counseling, social work, and psychology. Those new to working with LGBTQ+ clients will appreciate the book's accessible foundation to guide interventions.

Here are the other stories: 2. *Cuffed to the Bed and Gangbanged...A Rough and Reluctant Sex Erotica Story* by Tawna Bickley Laretta is amazed at how much John has changed, and she has to admit that she's growing more and more attracted to her old boyfriend. They have a few drinks, and before long she's in his motel room and ready for action. She has no idea that action in this case means John AND three of his buddies. It's a rough and reluctant gangbang encounter complete with bondage, forced deepthroat, and first anal sex! 3. *Photo Shoot...A Very Rough First Lesbian Sex Short* by Rennaey Necee Didi is excited about modeling for the skilled photographer Paige, but she had no idea what would happen. The ropes on her wrists and ankles are going to serve a purpose over and above the artistic impact. They're going to keep Didi in place while Paige gives her a rough introduction to lesbian sex,

complete with slapping, pinching, and facesitting! 4. *Tamara All Tied Up...A First Lesbian BDSM Experience* by Casey Strackner Tamara is pretty sure she's not into boys anymore. They're just not turning her on. In fact, she finds her roommate Caitlin attractive (though she sure is flighty and irritating!) One day, while searching for boots her roommate borrowed without asking, she stumbles upon a box with ropes, gags, and handcuffs. Before she can really process what she sees, Caitlin walks in and sees her. What follows is Tamara's first lesbian sex experience, and her first bondage and domination experience as well! 5. *Tied Down...A Very Rough Anal Gangbang Erotica Story* by Dominique Angel Mindy can't believe she got caught copying her roommate's term paper from last semester, but Billy got her red-handed, and she was ready to do anything not to get expelled. In this case, anything was letting Billy sleep with her, and she wasn't too upset about that. He was a hot enough guy. She never expected the way things would go, though! Billy wanted her tied up, bent over the table, and he's invited three of his friends! It's a rough gangbang complete with her first anal sex!

The Seductive Art of Japanese Bondage Routledge

AJ Greene brings us a tale of two couples. With the first couple, the male half of the equation has spent his entire adult life hiding the submissive desires that dominate his fantasies until finding the courage needed to try and interest the wife he adores in them; while the lovely wife herself is of a more by-the-numbers sexual mindset ensuring she wants nothing to do with what she sees as his perversions... At first... The story involving the second couple being of a similar but different nature. A story involving a woman, confident in her strength and female dominance, who is married to a man secure enough in his own masculinity to tell anyone who will listen that he loves to be spanked and disciplined by his assertive wife. Two similar but different couples whose lives are about to entwine in the most intimate of ways. What could possibly go wrong?
