The love you have always desired is in the Numbers... International bestselling author and media sensation Glynis McCants created this exciting guide to love through the power of Numerology because she believes that the greatest gift one can receive is that of true and lasting love. The secret is in understanding you and your partner by the Numbers, and gaining the insights you need to keep your love thriving! Glynis' celebrated system is a contemporary spin on the ancient Science of Numerology that is easy to use and amazingly accurate. She'll teach you the simple way to create a Numerology Blueprint that reveals what kind of mate would fulfill your—or a potential mate's—innermost needs and desires. If you're single, you'll learn how to pick the right partner from the start! If you're in a relationship that's lost its spark, you'll have the information you need to reignite the passionate love you once had. With Love by the Numbers as your guide, you can ensure that your love relationship stays healthy, satisfying, and on track for a lifetime. Acclaim for Glynis McCants L.A. Confidential magazine "To put it simply, if cupid and a clairvoyant were to have an

affair, Glynis McCants would very much look like their offspring." Leeza Gibbons, talk show host "Whether it's the numbers of our favorite celebrity couples or our own bouts with cupid's arrow, we all want to gain more insight into what makes love work and how we can be better at it! Glynis' Numerology is like GPS for those who are tired of being lost on the road to love." John Edward, psychic medium "When I think about Numerology I think about two people: Pythagoras and his modern day equivalent, Glynis McCants, The Numbers Lady. Glynis has taken a historic metaphysical science and transformed it into an easy to understand, organized and quite honestly entertaining field of study. To sum it up, she's GOT your Number—now it's time for you to get it." [Astrology for Waking Up, Transforming and Living a High-Vibe Life](#) Random House In Numerology: Key to the Tarot, Sandor Konraad investigates the cosmic connection between the art of reading the Tarot and the hidden meaning behind numbers. He reveals the secret of that relationship in a way that will appeal to beginning students as well as experienced numerologists and tarot readers.

2 Books in 1 Boxset This boxset includes 2 manuscripts: The Complete Collection of Books on Numerology and Astrology for Beginners. Numbers abound in this world, and studying the numbers will tell you more about the kind of person you are and the person that you can be and have been. Numerology is the science of using numbers to explain and describe people, what they do, and who they are.

Numerology is a scientific-based system of converting information about a person to a number that corresponds to information on various charts. You will learn how to calculate the numbers that will mean the most to you as an individual. You will see how mixing combinations of numbers will give a very different result in your life. And you will even learn how you can use numbers to know what kind of life you

lived in a past life. The worst part about not trying to make numerology work in your life is the knowledge of what you will be missing. If you do not calculate your numbers and see what they mean to you, then you might not even know what kind of person you truly are, what kind of values you believe in, or what motivates and drives you. You might feel that you could live forever not knowing these things, but think about how much more improved life would be if you had a way to interpret the meaning of the events in your life and how to handle them? The book of astrology that you are holding in your hand will enlighten the path of astrology and its basic concept in the best manner. The book 'The Astrology' reveals the secret of all the key point of astrology. By reading this book, you will be able to know what is astrology and from where it originates. The chapter 'The history of astrology' will teach you the brief concept of the origin of astrology and their popularity. While reading this book, you will be able to learn about the planets and their position in the astrological chart. What kind of energy they emit and what kind of influence you will receive from

them. The book also teaches you about the relation of the planet with the zodiac signs in the chapter 'The planet' and the zodiac sign. After reading this book, you will be able to create your birth chart. You will also learn about the tools and techniques used to interpret the location of houses, sign, planets, and their ascendants. Including in this book collection are: Numerology: The Ultimate Guide to Numerology for Beginners, Including the Divine Triangle, the Relationships and Dating Compatibility. Ideal to Discover the Connection to Astrology. Astrology: The Ultimate Guide For Beginners Going Beyond Zodiac Signs and Horoscope. Find Yourself Through Astrology For The Soul. crystals to make even more connections and deepen your numerological powers. When it comes to books about this belief system, *A Beginner's Guide to Numerology* has what you're looking for. Decode. Discover. Deepen your life's purpose. *Modern Numerology* Schiffer Pub Limited Nothing is more dangerous to be misunderstood than the question, "What is the human being?" In an era when this question is not only being misunderstood but even forgotten, wisdom delivered by the great thinkers and mystics of the past must be recovered. Edith Stein (1891-1942), a Jewish Carmelite mystical philosopher, offers great promise to resume asking the question of the human being. In *Human and Divine Being*, Donald Wallenfang offers a comprehensive summary of the theological anthropology of this heroic martyr to truth. Beginning with the theme of human vocation, Wallenfang leads the reader through a labyrinth of philosophical and theological vignettes: spiritual being, the human soul, material being, empathy, the logic of the cross, and the meaning of suffering. The question of the human being is asked in light of divine being by harnessing the

fertile tension between the methods of phenomenology and metaphysics. Stein spurs us on to a rendezvous with the stream of "perennial philosophy" that has watered the landscape of thought since conscious time began. In the end, the meaning of human being is thrown into sharp relief against the darkness of all that is not authentically human. *Numerology* Fair Winds Press *Would You Like To Learn How To Master The Secret Meaning Of Numbers? Never before have the master numbers - 11, 22, 33, through 99 - been examined in such depth and detail. Faith Javane, one of the most respected numerologists in the

country, reveals the significance of these power indicators, both in our personal lives and in a historical and cosmic sense. She looks at the progression of the master numbers as the journey the soul takes as it seeks to master the different levels of understanding. Javane also analyzes the two single-digit numbers that, when added together, equal a master number, for example  $2+9=11$ . These numbers within numbers "test" how well we have learned the lessons of the master numbers and whether we are ready to move on to the next level.
