Routledge

When Hazel and her father bake together, her mother says they make the whole house smell like a fancy bakery. And when they bake in the morning, they get to eat their goods as a special

The results take readers all over the world, from strawberry mochi and pumpkin empanadas to Indian-spiced shortbread and Egyptian basbousa cake. Best of all, each of these treats including with muffins, carrot cake, scones, and vegan and gluten-free items--comes with its own easy-to-follow recipe. Cynthia Cliff's charming illustrations combine the simplicity of folk art with a sophisticated flair. Her down-to-earth baking

accommodate all sorts of substitutions and skill levels. The perfect book for satisfying baking, *Pie for Breakfast* introduces children to new flavors and treats, opening their palates and their eyes to the delicious ways that baking can bring us together.

Robot Usborne Books

Jenny Chandler, author of Cool Kids Cook, teaches the cooks of the future how to eat well, how to look after themselves and think about the planet at

the same time. Including over 50 easy and adaptable recipes and special feature spreads on the environment, simple ways to be more eco-friendly and even a few fun crafting projects, this will be a book to really engage the next generation of foodies in a positive way. There is a massive rise in interest in veganism, vegetarian cooking and reducing meat consumption and, whilst this book will not be purely plant-based, the world of vegetables, grains, pulses, nuts and seeds will be at its core, with the odd tip about using sustainable meat and fish. There are many 'green' cookbooks on the market for adults, but a lack of anything inspiring for children. It's undeniable that, with rising levels of obesity and all the related health issues, we need to get kids eating more veg;

there can be no better way to get children eating more greens than letting them take the reins in the kitchen. Where Jenny's earlier book, *Cool Kids Cook*, focused on classic family recipes and basic techniques, *Green Kids Cook* is about learning to cook and eat in the most environmentally sound and sustainable way we can, and having fun with it too - with recipes for Breakfasts, Snacks, Soups & Salads, Mains and Sweets, this is an inspirational and empowering cookbook for kids everywhere.
