 The Rozabal Line-
 Ashwin Sanghi**The
 Rozabal Line Ashwin
 SanghiThe Rozabal
 Line is a thriller fiction
 novel by Ashwin
 Sanghi, written under
 the pseudonym Shawn
 Haigins, that deals with
 the story of Jesus

having survived the crucifixion and settled down in India. The fictional element is in the same vein as Dan Brown's The Da Vinci Code. The title refers to the Rozabal shrine in Srinagar in Kashmir, which some have asserted is the tomb of Jesus of Nazareth. The historical basis is derived from several other books on the subject including Jesus Lived in India

The Rozabal Line - Wikipedia

The Rozabal Line is Ashwin Sanghi's first novel, which he published under a pseudonym (Shawn Haigins) with Lulu Press, a self publishing firm. It was later published by Westland.

The Rozabal Line, an Indian version of Da Vinci Code, starts very well, and binds the reader for the first

couple of chapters. It then takes a very large number of incidents spread across space and time, and knits them into a good storyline to set up a climax that could do Ludlum or Dan Brown proud.

The Rozabal Line by Ashwin Sanghi - Goodreads

In strifetorn Kashmir, a tomb called Rozabal holds the key to a riddle that arises in Jerusalem and gets answered at Vaishno Devi.

In The Rozabal Line, a thriller swirling between continents and centuries, Ashwin Sanghi traces a pattern that curls backward to the violent birth of religion itself.
