Random House Books for Young Readers
Strange Case of Dr Jekyll and Mr Hyde is the original title of a novella written by the Scottish author Robert Louis Stevenson that was first published in 1886. The work is commonly known today as The Strange Case of Dr. Jekyll and Mr. Hyde, Dr. Jekyll and Mr. Hyde, or simply Jekyll & Hyde. It is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. Strange Case of Dr Jekyll and Mr Hyde and Other Tales Oxford University Press, USA

The Strange Case of Dr Jekyll and Mr Hyde is a Gothic novella by Scottish author Robert Louis Stevenson, first published in 1886. The work is also known as The Strange Case of Jekyll Hyde, Dr Jekyll and Mr Hyde, or simply Jekyll and Hyde. It is about a London legal practitioner named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the evil Edward Hyde. The novella's impact is such that it has become a part of the language, with the vernacular phrase "Jekyll and Hyde" referring to persons with an unpredictably dual nature: outwardly good, but sometimes shockingly evil. Strange Case of Dr. Jekyll and Mr. Hyde Bantam Books

Strange Case of Dr Jekyll and Mr Hyde is a novella by the Scottish author Robert Louis Stevenson first published in 1886. The work is commonly known today as The Strange Case of Dr. Jekyll and Mr. Hyde, Dr. Jekyll and Mr. Hyde, or simply Jekyll & Hyde. It is about a London

lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. The novella's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. *The Strange Case of Dr Jekyll and Mr Hyde (Illustrated)* Ballantine Books
Journeying behind Robert Louis Stevenson's terrifying tale of horror, The Strange Case of Dr. Jekyll and Mr. Hyde, the authors of In Search of Dracula explore the life and times of William Deacon Brodie, the real-life murderer who inspired the story, and Stevenson's fascination with Brodie's double life and the eighteenth-century Edinburgh that spawned him. 20,000 first printing.

Under the Wide and Starry Sky Google Auto-narrated Demo
Robert Louis Stevenson originally wrote "Dr. Jekyll And Mr Hyde" as a "chilling shocker." He then burned the draft and, upon his wife's advice, rewrote it as the darkly complex tale it is today. Stark, skillfully woven, this fascinating novel explores the curious turnings of human character through the strange case of Dr. Jekyll, a kindly scientist who by night takes on his stunted evil self, Mr. Hyde. Anticipating modern psychology, "Jekyll And Hyde" is a brilliantly original study of man's dual nature -- as well as an immortal tale of suspense and terror. Published in 1866, "Jekyll And Hyde" was an instant success and brought Stevenson his first taste of fame. Though sometimes dismissed as a mere mystery story, the book has evoked much literary admirations. Vladimir Nabokov likened it to "Madame Bovary" and "Dead Souls" as "a fable that lies nearer to poetry than to ordinary prose fiction." "From the

Paperback edition."

NEW YORK TIMES BESTSELLER • TODAY SHOW BOOK CLUB PICK • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND ST. LOUIS POST-DISPATCH From the New York Times bestselling author of *Loving Frank* comes a much-anticipated second novel, which tells the improbable love story of Scottish writer Robert Louis Stevenson and his tempestuous American wife, Fanny. At the age of thirty-five, Fanny Van de Grift Osbourne has left her philandering husband in San Francisco to set sail for Belgium—with her three children and nanny in tow—to study art. It is a chance for this adventurous woman to start over, to make a better life for all of them, and to pursue her own desires. Not long after her arrival, however, tragedy strikes, and Fanny and her children repair to a quiet artists' colony in France where she can recuperate. Emerging from a deep sorrow, she meets a lively Scot, Robert Louis Stevenson, ten years her junior, who falls instantly in love with the earthy, independent, and opinionated "belle Americaine." Fanny does not immediately take to the slender young lawyer who longs to devote his life to writing—and who would eventually pen such classics as *Treasure Island* and *The Strange Case of Dr. Jekyll and Mr. Hyde*. In time, though, she succumbs to Stevenson's charms, and the two begin a fierce love affair—marked by intense joy and harrowing darkness—that spans the decades and the globe. The shared life of these two strong-willed individuals unfolds into an adventure as impassioned and unpredictable as any of

Stevenson's own unforgettable tales. Praise for *Under the Wide and Starry Sky* "A richly imagined [novel] of love, laughter, pain and sacrifice . . . Under the Wide and Starry Sky is a dual portrait, with Louis and Fanny sharing the limelight in the best spirit of teamwork—a romantic partnership."—USA Today "Powerful . . . flawless . . . a perfect example of what a man and a woman will do for love, and what they can accomplish when it's meant to be."—Fort Worth Star-Telegram "Horan's prose is gorgeous enough to keep a reader transfixed, even if the story itself weren't so compelling. I kept re-reading passages just to savor the exquisite wordplay. . . . Few writers are as masterful as she is at blending carefully researched history with the novelist's art."—The Dallas Morning News "A classic artistic bildungsroman and a retort to the genre, a novel that shows how love and marriage can simultaneously offer inspiration and encumbrance."—The New York Times Book Review *Strange Case of Dr. Jekyll and Mr. Hyde* Createspace Independent Publishing Platform "Strange Case of Dr Jekyll and Mr Hyde" is a gothic novella by Scottish author Robert Louis Stevenson, first published in 1886. The work is also known as "The Strange Case of Dr. Jekyll and Mr. Hyde," "Dr. Jekyll and Mr. Hyde," or simply "Jekyll & Hyde." It is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the evil Edward Hyde. The novella's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" entering the vernacular to refer to people with an unpredictably dual nature: usually very

good, but sometimes shockingly evil instead.

The Strange Case of Dr. Jekyll and Mr. Hyde (Annotated) Prestwick House Inc Dr Jekyll is a well-respected, curious scientist who tries to separate his good characteristics from his evil impulses. Dr Jekyll uses science to explore his alter ego Mr Hyde and attempts to control Mr Hyde's evil urges, even as they grow in intensity.

Strange Case of Dr Jekyll and Mr Hyde - Illustrated Lulu.com

In this disturbing tale, Stevenson weaves a story of a dual personality: the generous physician, Dr. Jekyll, and the demonic Mr. Hyde. This great psychological novel prefigures the modern detective story and probes the darkest side of human nature. Written before Freudian theory gained popularity, it is perceptive in its description of a personality's inner war. [The Strange Case of Dr Jekyll and Mr Hyde](#) LCI

Stevenson (1850-1894) was a Scottish novelist, poet, essayist, and travel writer. His most famous works are *Treasure Island*, *Kidnapped*, and *Strange Case of Dr Jekyll and Mr Hyde*. A literary celebrity during his lifetime, Stevenson now ranks among the 26 most translated authors in the world.

Strange Case of Dr Jekyll and MR Hyde (Annotated)

Prabhat Prakashan
The book which put Stevenson's name in the mouth of the 'man in the street,' lifted him at a single bound to a place among men of the time and, by the still greater sensation which it created in America, led to the large income which soon afterwards he drew from the United States. The ear of a great public to whom his earlier writings were unknown was captured by this intense picture of the elements of good and evil in man's nature. It was hailed from pulpits and in the religious press as a great moral parable; though its moral quality, on close analysis, is seen to be more an illusion, due to the art of its writing, than the essence of the fable. Reduced to its simplest formula Jekyll and Hyde is a cry of terror at the potency for evil latent in the human soul. Such moral force as it has depends upon its assault on the nerves, not on its appeal to the heart. If not thus interpreted by the preachers of the time, it yet served the purpose of moving their hearers by the spectacle of the evil partner in the human ego, indulged in a moment 'when virtue slumbered,' coming in the end to destroy the good.

The *Strange Case of Dr. Jekyll and Mr. Hyde* By Robert Louis Stevenson
Strange Case of Dr Jekyll and Mr Hyde is a gothic novella by Scottish author Robert Louis Stevenson, first published in 1886. The

work is also known as *The Strange Case of Jekyll Hyde*, *Dr Jekyll and Mr Hyde*, or simply *Jekyll & Hyde*. It is about a London legal practitioner named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the evil Edward Hyde. The novella's impact is such that it has become a part of the language, with the phrase "Jekyll and Hyde" entering the vernacular to refer to people with an unpredictably dual nature: usually very good, but sometimes shockingly evil. Stevenson had long been intrigued by the idea of how human personalities can affect how to incorporate the interplay of good and evil into a story. While still a teenager, he developed a script for a play about Deacon Brodie, which he later reworked with the help of W. E. Henley and which was produced for the first time in 1882. In early 1884, he wrote the short story "Markheim", which he revised in 1884 for publication in a Christmas annual. According to his essay, "A Chapter on Dreams" (Scribner's, Jan. 1888), he racked his brains for an idea for a story and had a dream, and upon waking had the intuition for two or three scenes that would appear in the story *Strange Case of Dr Jekyll and Mr. Hyde*. Biographer Graham Balfour quoted Stevenson's wife Fanny Stevenson: In the small hours of one morning, [...] I was awakened by cries of horror from Louis. Thinking he had a nightmare, I awakened him. He said angrily: "Why did you wake me? I was dreaming a fine bogey tale." I had awakened him at the first transformation scene. Lloyd Osbourne, Stevenson's stepson, wrote: "I don't believe that there was ever such a literary feat before as the writing of *Dr Jekyll*. I remember the first reading as though it were yesterday. Louis came downstairs

in a fever read nearly half the book aloud and then, while we were still gasping, he was away again, and busy writing. I doubt if the first draft took so long as three days."Inspiration may also have come from the writer's friendship with Edinburgh-based French teacher Eugene Chantrelle, who was convicted and executed for the murder of his wife in May 1878. Chantrelle, who had appeared to lead a normal life in the city, poisoned his wife with opium.

The Strange Case of Dr. Jekyll and Mr. Hyde: Large Print E-Artnow

Strange Case of Dr Jekyll and Mr Hyde is a novella written the Scottish author Robert Louis Stevenson and first published in 1886. It is about a London lawyer who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the misanthropic Edward Hyde. The work is known for its vivid portrayal of a split personality, split in the sense that within the same person there is both an apparently good and an evil personality each being quite distinct from each other; in mainstream culture the very phrase "Jekyll and Hyde" has come to mean a person who is vastly different in moral character from one situation to the next. This is different from multiple personality disorder where the different personalities do not necessarily differ in any moral sense. Strange Case of Dr Jekyll and Mr Hyde was an immediate success and one of Stevenson's best-selling works. Stage adaptations began in Boston and London within a year of its publication and it has gone on to inspire scores of major film and stage performances.

The Strange Case of Dr Jekyll and Mr Hyde Xist Publishing

This edition of "The Strange Case of Dr Jekyll and Mr Hyde / Weir of Hermiston" includes Stevenson's essay "The

Importance of Dreams". Both these stories deal in different ways with a topic which fascinated Stevenson: the duality of human nature.
