Edith Head is
probably the
most iconic of
all Hollywood
costume
designers.
Beginning in
the early
1930s until
her retirement
in 1977, Edith
Head
costumed the
stars of over
500 films.
With 35
Academy
Award
nominations
for Best
Costume
Design, she
won 8Ñthe
closest to
come to her
record is Irene
Sharaff, who
garnered 15
nominations
and 5 wins.
Edith Head
truly
surpassed all
of her
competition.
Audrey

Grace Kelly,
Natalie Wood,
Lucille Ball,
Barbara
Stanwyck,
Mae West,
Elizabeth
Taylor, Doris
Day, and
Katherine
Hepburn are
just a few of
the female
stars Head
dressed, both
in character
and as
themselves.
And winning
her last Oscar
for The Sting
in 1974 meant
that her
designs for
male stars,
explicitly Paul
Newman and
Robert
Redford, were
superb as
well. Her style
acumen
stretched from
the exotic,
historical
costumes she
designed for
Samson and
Delilah and

The Ten Commandments to the classic, timeless costumes she designed for Roman Holiday, To Catch a Thief, and Sabrina. This book is a sampling of Edith Head's most famous work.

Bloomsbury Publishing
At the Academy Awards, the answer to who wore what matters just as much as who won what.
Focusing on

the actresses nominated for Oscars and a few seminal presenters, Made for Each Other traces the fashion trends of the widely watched Oscar ceremony. From the splendor of Vivien Leigh to the spare war-era chic of Ingrid Bergman, from the arresting glamor of Marlene Dietrich to Barbra Streisand's daring sequined Arnold Scaasi pantsuit, Bronwyn

Cosgrave delivers a revealing account of the entertainers who have helped shape the look of the Academy Awards and the international couturiers and behind-the-scenes fashion players on whom they've relied. Delving deep into the partnerships that have defined Oscar fashion—Claudette Colbert and Travis Banton; Grace Kelly and Edith Head; Audrey Hepburn and Hubert de Givenchy;

Elizabeth Taylor and Helen Rose; Liza Minelli and Halston; Cher and Bob Mackie; Jodie Foster and Giorgio Armani; Nicole Kidman and John Galliano; Hilary Swank and Randolph Duke-Cosgrave demonstrates that from the beginning fashion was as integral to Oscar night as the films it celebrated. In a package befitting the glamorous subject, *Made for Each Other* includes previously unseen

sketches of Oscar dresses by legendary couturiers, rare vintage photographs, and fashion illustrations of key dresses created especially for this book. For fashionistas and film buffs alike, *Made for Each Other* is a must have for anyone interested in this perfect pairing. **Edith Head** Springer

iconic films of the last century had one thing in common: costume designer Edith Head (1897–1981). She racked up an unprecedented 35 Oscar nods and 400 film credits over the course of a fifty-year career. Never before has the account of Hollywood's most influential designer been so thoroughly revealed—because never before have the Edith Head Archives of the

Academy of Motion Picture Arts and Sciences been tapped. This unprecedented access allows this book to be a one-of-a-kind survey, bringing together a spectacular collection of rare and never-before-seen sketches, costume test shots, behind-the-scenes photos, and ephemera. Epoch Courier Corporation The fashion icon who dressed stars from Grace Kelly and Elizabeth

Taylor to Sophia Loren and Audrey Hepburn offers advice on what, and what not, to wear to achieve success in life, love, and career.

Edith Head Award-Winning Fashions of Edith Head Paper Dolls The first-ever, comprehensive and authorized showcase of legendary fashion designer Bob Mackie's fabulous life and work, featuring hundreds of photos and

dozens of never-before-seen sketches from his personal collection. Cher, Carol Burnett, Bette Midler, P!nk, Tina Turner, Elton John, Liza Minnelli, Angela Lansbury, Diana Ross, Beyoncé, RuPaul, and Madonna...what do they all have in common? All have been dressed by Bob Mackie. For nearly six decades, the iconic and incomparable Bob Mackie has been designing stunning,

unforgettable clothing. His unique, glamorous—so metimes hilarious—creations have appeared on Broadway stages, TV screens, runways, and red carpets worldwide. For his pioneering genius and continual reinvention, he is a Tony Award and nine-time Emmy Award winner, a three-time Oscar nominee, and recipient of the Geoffrey Beene Lifetime Achievement Award from

the Council of Fashion Designers of America. For the first time, he has granted full access to his archives and personal memories to the authors of this lavish celebration of his achievements. The Art of Bob Mackie is the first-ever comprehensive and fully authorized book showcasing Mackie's work, from his early days as a sketch artist for the legendary Edith Head at Paramount to

his current, cutting-edge costumes for pop stars and line of accessible, wearable clothing for QVC. In addition to hundreds of glorious photos and dozens of dishy recollections from Mackie and his many muses, this gorgeous volume features never-before-seen sketches from throughout his prolific career, from Marilyn Monroe's iconic "Happy Birthday, Mr. President"

gown to Carol Burnett's "Went with the Wind" curtain-rod dress, to Cher's show-stopping 1986 Oscar look. As other designers have burst onto the scene and faded out of fashion, Mackie has soared from success to success, always remaining relevant because he has always been spectacularly fashion-forward. With a foreword by Carol Burnett and an

afterword by Cher, *The Art of Bob Mackie* is a stunning must-have for lovers of sequins, beads, and feathers; Broadway shows and classic television; pop music and pop culture; and fashion with incomparable flair. *Modern Woman* UPNE Edith Head is widely considered the most important figure in the history of Hollywood costume design. The glamour and style of her

creations continue to inspire generations of designers. Her career spanned nearly half a century and included such classic films as *Rear Window* and *Sunset Boulevard*. Her private life and professional achievements, however, have been the subject of speculation since she rose to the top of her field in the late 1940s. Ruthlessly competitive and intensely secretive, Head had few

close friends and many detractors. In his unprecedented biography, David Chierichetti offers a privileged glimpse into the personality and emotions behind the famously impenetrable "schoolmarm" façade, as well as a comprehensive account of her creative process. As Head's longtime friend and confidant, Chierichetti enjoyed rare access to her home life and

reflections on Hollywood. The author's intimate view of Head's life and work, combined with his extensive research and design expertise, result in a clear-eyed portrait of a career often shrouded in misinformation. To find the truth in the notoriously fictionalized accounts of Edith Head, the author turned to her friends, co-workers, and competitors. The result of Chierichetti's meticulous, original

research is a fresh and vital portrait of the designer, as well as of the studio era she epitomizes. Edith Head is richly illustrated with more than 150 images, including family snapshots, sketches, and studio portraits of the stars and roles she helped to create. With a full-color photo insert, this informative, thorough, and important biography is also engaging and

entertaining, and will appeal to designers, scholars, and film buffs alike. *Edith Bolling Galt Wilson* Springer Science & Business Media This epic biography tells the story of the rise of Wall Street and the growth of Goldman Sachs from a small commercial paper company to the international banking business we know today. At its heart is

the story of Henry Goldman, a man who spoke out passionately for his beliefs, understood the importance of the bottom line, and was known to chuckle, draw on his cigar, and remind his young protégés, "Just keep in mind . . . Money is always in fashion." Though you will rarely find a mention of him in the official history of Goldman Sachs, it was Henry who established many of the

practices of modern investment banking. He devised the plan that made Sears, Roebuck Co. the first publicly owned retail operation in the world, helped convince Woodrow Wilson to pass the Federal Reserve Act of 1913, and became a power player in the world of Wall Street finance at a time when Jews were considered outsiders. The book traces Henry Goldman's

hard-fought and often frustrating career with Goldman Sachs, a company founded by his father Marcus and fraught with professional rivalries. The tensions between the Goldman and Sachs families extended outside of the boardroom and into the larger world as the United States went to war. Henry's steadfast support for Germany during World War I would tarnish his reputation and

drive him from the firm. But his involvement with finance would continue throughout his life, as would close friendships with luminaries like Albert Einstein, whom he would later join in outspoken denunciation of Hitler's atrocities against European Jews. Here, June Breton Fisher, Henry Goldman's granddaughter, tells his whole story for the first

time—a story that has shaped contemporary finance and continues to resonate with us today. Remembering Edith Alice Müller Penguin Presents a biography of Edith Bolling, First Lady to President Woodrow Wilson, including their courtship, marriage, life in the White House, and her accomplishments as First Lady. **Made For Each Other** Bloomsbury Publishing USA

Chronicles. 1891. Spindrift House, Cornwall. Talented painter Edith Fairchild is poised to begin a life of newlywed bliss and artistic creation in the inspiring setting of Spindrift House, freshly inherited by her charming husband, Benedict, and overlooking the stunning harbour of Port Isaac. But when her honeymoon turns sour, her dreams are all but dashed and after a moment of madness and desire she finds herself pregnant with another man's child. Edith swears never to tell her secret and devotes herself to her art. Joined at Spindrift House by her friends - Clarissa, Dora and the secret father of her child, Pascal - together they turn the house into a budding artists' community. Silk ICS Publications 1929. For Lady Edith Parfitt, the financial crash unravels her comfortable life in a matter of hours. Her family's money

The Blitz, rationing, food shortages and everything is a

struggle. For Edith, living in Bath, there is only one consolation. Bath has not been bombed. She is working as a secretary and living in a small flat that makes her feel safe. But despite not being bombed, Edith has other problems. A young junior secretary in Edith's office confides that she is pregnant and unmarried. An encounter with a grieving widow in a park has a major impact on Edith's life and changes

its course permanently. Then one night the bombs begin to fall...1952. Edith is finally settled. She is now a teacher, has a house and a cottage garden deep in the heart of Wiltshire. But then her peaceful life is shattered when the worst flood Britain has ever suffered strikes her old home in Devon and Edith's dearest friend is reported missing. Now Edith faces her biggest test yet; she

must return to Devon and try to find her friend. When she arrives back home, her past returns to haunt her and the dying days of 1929 begin to replay. Los Angeles, 1937. Lillian Frost has traded dreams of stardom for security as a department store salesgirl . . . until she discovers

she's a suspect in the murder of her former roommate, Ruby Carroll. Party girl Ruby died wearing a gown she stole from the wardrobe department at Paramount Pictures, domain of Edith Head. Edith has yet to win the first of her eight Academy Awards; right now she's barely hanging on to her job, and a scandal is the last thing she needs. To clear Lillian's name and save Edith's career, the

two women join forces. Unraveling the mystery pits them against a Hungarian princess on the lam, a hotshot director on the make, and a private investigator who's not on the level. All they have going for them are dogged determination, assists from the likes of Bob Hope and Barbara Stanwyck, and a killer sense of style. In show business, that just might be enough. The first in a series of riveting

behind-the-scenes mysteries, Renee Patrick's *Design for Dying* is a delightful romp through Hollywood's Golden Age.
