Language, Ethnography, and Education : Bridging New ...The authors posit 'Classroom Language Ethnography' as a genuinely new perspective with rich and developed traditions behind it, but distinct from conventional approaches to literacy and education -- an approach that bridges those traditions to yield fresh insights on literacy in all its manifestations, thereby providing a pathway to more robust ...Language, Ethnography, and Education : Bridging New ...Brian Vincent Street (24 October 1943 – 21 June 2017) was a professor of language education at King's College London and visiting professor at the Graduate School of Education in University of Pennsylvania. Brian Street - Wikipedia Language, Ethnography and Education is a superb book. All of the contributors are real authorities in their field but write in a very accesible style. I

liked the organisation of the book where every contribution linked to the next one in a fluid and relational way. The authors posit "Classroom Language Ethnography" as a genuinely new perspective with rich and developed traditions behind it, but distinct from conventional approaches to literacy and education--an approach that bridges those traditions to yield fresh insights on literacy in all its manifestations, thereby providing a pathway to more robust research on language in education.
