Attempting Normal Marc Maron In Attempting Normal, he threads together twenty-five stories from his life and near-death, from his first comedy road trips (with a fugitive junkie comic with a missing tooth) to his love affair with feral animals (his cat rescues are bloody epics) to his surprisingly moving tales of lust, heartbreak, and hope. The stories are united by Maron's thrilling storytelling style—intensely smart, disarmingly honest, and explosively funny. Attempting Normal: Amazon.co.uk: Marc Maron: 9780812982787 ... Attempting Normal is the 2013 memoir by Marc Maron, comic, cat caretaker and the host of WTF with Marc Maron, a podcast he typically records out of his garage in Highland Park, California. Attempting Normal by Marc Maron - Goodreads What makes Marc Maron so compelling and interesting is that he is always trying to figure himself out, to understand what makes him tick the wrong way, and then fix that. This is fairly difficult because you come face to face with all the ugliness inside, but this is also absolutely necessary to evolve into someone better.
