Bodyguard. Shadow. Warrior. The Marines trained me to be a weapon. Tactical warfare was in my blood. I didn't think twice when I was deployed for the fifth time because I was born battle ready. Then a mission went south and left me with a medical discharge. Too many years downrange, I didn't fit in the civilian world.

Taking a job with the best security firm in the business seemed like a solid plan... until I was assigned babysitting duty for a spoiled little rich girl. The only thing worse than the assignment was the client's smart mouth. She thought she could run it—all over me—and not suffer the consequences. She was wrong. Now she was about to find out how shameless a bodyguard could be. \*SHAMELESS is the eighth standalone book in the Alpha Bodyguard Series. The eagerly anticipated sequel to *Vulnerable* is here! *Fearless* is a full-length contemporary romance novel. No cliffhanger! A guaranteed HEA. This novel is a direct continuation of my first novel, *Vulnerable*. While *Fearless* can be read alone, it will be enjoyed more if you've already read *Vulnerable*. Beth Jamison Since childhood, I've lived under a shadow of fear and anxiety, afraid to trust anyone.

All that changed when I met Shane. He taught me to cope with my fears. He gave me the courage to let someone in. But the threat's still out there, and it's coming back for me. I know Shane won't let him get me this time, but at what cost? I can't lose Shane. I just can't. McIntyre Security Bodyguard Series: Book 1: *Vulnerable* Book 2: *Fearless*

Available as an Audie Award-nominated audiobook! The debut poetry collection from Grammy-nominated recording artist and slam poet Tarriona "Tank" Ball about infatuation, love, and heartbreak. The real-life story of a relationship in the author's past told in verse and short prose pieces. Relatable and honest, with Tank's signature mix of whimsy and realness, *Vulnerable AF* is about the difference between love and infatuation, the danger and confusion of losing yourself in the idea of someone else, and coming out on the other side of heartbreak with your sense of self-worth—and your sense of humor—stronger for it.

From the Trojan Horse to Gulf War subterfuge, this far-reaching military history examines the importance and ingenuity of wartime deception campaigns. The art of military deception is as old as the art of war. This fascinating account of the practice draws on conflicts from around the world and across millennia. The examples stretch from the very beginnings of recorded military history—Pharaoh Ramses II's campaign against the Hittites in 1294 B.C.—to modern times, when technology has placed a stunning array of devices into the arsenals of military commanders. Military historians often underestimate the importance of deception in warfare. This book is the first to fully describe its value. Jon Latimer demonstrates how simple tricks have been devastatingly effective. He also explores how technology has increased the range and subtlety of what is possible—including bogus radio traffic, virtual images, even false smells. *Deception in War* includes examples from land, sea, and air to show how great commanders have always had, as Winston

Churchill put it, that indispensable “element of legerdemain, an original and sinister touch, which leaves the enemy puzzled as well as beaten.”

Eight months ago, Gray Langtry's mother became prime minister. Now, someone wants her dead. Gray's life has been in turmoil ever since her mother was chosen to lead the country. First, they had to leave their home and move into the prime minister's official residence at Number 10, Downing Street. Now, everywhere she goes, she must be accompanied by bodyguards. Worst of all, the media won't leave her alone - she's in every tabloid, and her behavior, appearance, the length of her skirts...everything is judged. The scars from her parents' divorce and her mother's abrupt remarriage are still raw. She doesn't like her stepfather. She doesn't like this life. When she's photographed drunk outside a London nightclub, it makes headlines. Gray is grounded and given new bodyguards - younger, cooler, and harder to fool than the last batch. It's Julia, the new bodyguard, who tells her that a new terrorist organization issued a threat, and

the threat is credible. They say they're going to kill her mother and Gray. When Gray tries to find out more though, no one will tell her. One of the few people who understands what's happening is Jake McIntyre - the son of her mother's political enemy. But can she trust him? Late one night, while sneaking through dark government halls, she overhears a terrifying conversation. The situation is much worse than even her mother's security team suspects. But will anyone believe the prime minister's wild child daughter? Afraid for herself, her mother, and her country, Gray is determined to find proof. But she must move fast. The clock is ticking. *Number 10* is the first book in a new series set in the world of C.J. Daugherty's international best-selling *Night School* books.

When Sophie McIntyre's blind date goes horribly wrong, she finds herself running for her life. Dominic Zaretti is a man who gets things done-one who doesn't mind getting his hands dirty in the process. His job is to disappear with Sophie and keep her alive until the threat is neutralized. But

when Dominic falls for the curvy, statuesque beauty, he finds himself making the ultimate sacrifice to keep her safe.

Social media has fundamentally changed the contract between institutions and the public. Today, people expect a conversation, not a one-way diatribe. That, combined with the speed of the Internet, changes the game for many companies in anticipating, managing, and ultimately avoiding an “instant crisis”—an instant crisis example is when Verizon added a \$2 charge for all their customers; one hour later 100,000 signatures appeared on a Twitter petition, and soon Verizon was in the middle of a huge public relations crisis. Inside this book, you'll learn just how to manage this type of situation and meet the challenges of social media. Each chapter includes a description of a crisis, the timeliness of a good response, the

effectiveness of this response, and an assessment of what works and what doesn't. Some examples of social media crises include Apple Computer, Netflix, JetBlue, Bank of America, Fed Ex, and public figures such as Anthony Weiner, Ashton Kutcher, and Jon Bon Jovi.

**Somebody to Hold** McIntyre Security Bodyguard

Bodyguard. Tracker. Silent observer. Life was in the details. The weight of a government issued rifle, the trajectory of a bullet, the speed of the wind—those details were crucial in the Marines. But outside the military, that level of observation was currency, and I was selling my skills to the best security firm in south Florida. Except I wasn't on a job when I noticed the nervous brunette pushing through the crowd. Her hair loose, her shirt borrowed, she stumbled in too-big shoes before looking over her shoulder. I didn't follow her glance. I didn't have to. I'd already spotted the muscle after her. The question was if I was going to do anything about it. Before I could decide, her pursuer took aim. It was the wrong move. Now everyone was going to find out how callous a bodyguard could be.

Bodyguard. Escort. Bad boy. I didn't come from the wrong side of the tracks. I was the wrong side. Every cliché you could think of, my family embraced. The only

advantage I had was being the best-looking out of all my brothers. Except when I joined the Marines, looks didn't count for shit downrange. I wasn't active duty anymore, and working for the best personal security firm in the business, my looks were getting me in more trouble than they were worth. I just didn't realize how much trouble until a princess from a country I'd never heard of asked for me by name. Her request was simple—me, my gun, and an art opening. But she recklessly failed to mention one crucial part of the assignment... pretend to be her new fiancé. Now she was about to find out how reckless a bodyguard could be. \*RECKLESS is third standalone book in the Alpha Bodyguard Series The Alpha Bodyguard Series: SCANDALOUS - Tank's story MERCILESS - Collins's story RECKLESS - Tyler's story RUTHLESS - Sawyer's story FEARLESS - Ty's story CALLOUS - Preston's story RELENTLESS - Thomas's story SHAMELESS - Shade's story HEARTLESS - Ronan's story Topics: Romantic Suspense, Military Romance, Contemporary Romance, Billionaire Romance, Alpha Bodyguards, Alpha Antiheroes, Alpha Heroes, Alpha Elite

*Walk on Water* Sybil Bartel

The Civil War hardly scratched the Confederate state of Texas. Thousands of Texans died on battlefields hundreds of miles to the east, of course, but the war did not destroy Texas's farms or plantations or her few miles of railroads. Although unchallenged from without, Confederate Texans faced challenges from within—from fellow Texans who opposed their cause. Dissension sprang from a multitude of seeds. It emerged from prewar political and ethnic differences; it

surfaced after wartime hardships and potential danger wore down the resistance of less-than-enthusiastic rebels; it flourished, as some reaped huge profits from the bizarre war economy of Texas. Texas Divided is neither the history of the Civil War in Texas, nor of secession or Reconstruction. Rather, it is the history of men dealing with the sometimes fragmented southern society in which they lived—some fighting to change it, others to preserve it—and an examination of the lines that divided Texas and Texans during the sectional conflict of the nineteenth century.

When Mandy Hunter gets a last-minute assignment that disrupts her plans for a weekend away with her kids, she is in a tizzy. But she is professional, organized, and punctual in her job as a bodyguard. The exact opposite of her new client, Trevor Wilson, an executive at HK Design in New York. Although Trevor is the victim of an assault, he sees no point in having a bodyguard, and certainly not a female one.... But the threat proves to be real and thanks to the forced closeness, the two

gradually drop their mutual prejudices. Will Mandy be able to resist the charm of this arrogant man?

A single diagnosis, and I wasn't good enough. Not for college ball, not for my family, and not for the Marines. Medically discharged before I finished basic training, I was determined to prove myself. Landing a job as a bodyguard for the best security firm in the business was a second chance. It should've been my focus, but a sophisticated blonde walked through the lobby and dismissed me with a single

glance. Now she was going to find out how relentless a bodyguard could be.

SHAMELESS:Bodyguard. Shadow. Warrior. The Marines trained me to be a weapon, and tactical warfare was in my blood. Then a mission went south and I was medically discharged. Now she was about to find out how shameless a bodyguard could be.

HEARTLESS:Bodyguard. Sentry. Explosives expert. There was a reason I was the only Explosive Ordnance Disposal technician in the Marines who'd never sustained any injuries. I didn't take chances, ever, but serving my country as an EOD apparently had a shelf life. Promoted off the front lines, I was given an assignment behind a desk. Instead, I took a civilian job. The security firm seemed like the better option... until a frightened client with haunted eyes lied to me about everything. Now she was going to find out how

heartless a bodyguard could be. Shameless Sybil Bartel  
 Bodyguard. Mercenary. Gun for hire. I didn't care what you called it, the end result was always the same. You paid me for a job, you got results. The Marines trained me to shoot, but life taught me to aim. Working for the best personal security firm in the business was a stepping stone. Put in my time, build the résumé, then move on. I didn't do attachments, on any level. Until a smoking-hot former one-night stand crossed the street in front of me, holding a kid who was my spitting image. She tried to play it off, deny he was mine. She said she didn't remember me, right before she turned around and ran. She thought she'd made a clean escape. But she was about

to find out how merciless a bodyguard could be. \*MERCILESS is the second standalone book in the Alpha Bodyguard Series.
