The Highly Acclaimed Method for Liberating Your Inner Self Fireword Pub Incorporated
In Homecoming John Bradshaw one of the world's leading figures in the field of psychology and recovery, explains his revolutionary techniques to reveal the inner child. He believes that the wounds we receive during childhood and adolescence can continue to contaminate our adult lives. His methods explained clearly in this book, help people to reach back to the child inside and heal those wound. Homecoming includes unique questionnaires which allow readers to work through John Bradshaw's world-famous inner child course themselves. There are specifically designed exercises that allow you to reclaim and nurture your inner child, so that you as an adult can grow and move on. 'Three things are striking about inner child work' says John Bradshaw. 'The speed with which people change the depth of that change, and the power and creativity that can result when the wounds from the past are healed For more information on John Bradshaw please visit www.johnbradshaw.com

Not Crazy Simon and Schuster

To get somewhere it is useful to know where you are going. This can be especially difficult for people struggling with issues of addiction, compulsion, physical or mental illness. In this simple yet effective three-part program, best-selling author Charles Whitfield helps readers chart their own treatment plan and find a way out of the often confusing vortex of recovery work. Through illustrative charts and graphics he shows readers how to write their own recovery plan, including how to identify core issues and how to integrate those issues into a personalized plan. Stage one helps readers identify the illness or condition that plagues them and explains how recovery truly is within reach of those who participate in a full recovery program. Stage two explains how healing requires the reader to consider their adult child of trauma issues, such as co-dependence. It describes the way out of the pain and confusion-learning self-awareness, self-acceptance, self-responsibility and self-reflection. Stage three addresses more keys to success including having a healthy and nourishing spirituality and learning to live in the present moment, no longer burdened by the past or fearing the future. My Recovery Plan is an empowering book; it will give readers hope and instill the knowledge that they can, indeed, recover.

Discovery and Recovery for Adult Children of Dysfunctional Families HarperCollins
Dr. Whitfield provides a clear and effective introduction to the basic principles of recovery. This book is a modern classic, as fresh and useful today as it was more than a decade ago when first published. Here, frontline physician and therapist Charles Whitfield describes the process of wounding that the Child Within (True Self) experiences and shows how to differentiate the True Self

from the false self. He also describes the core issues of recovery and more. Other writings on this topic have come and gone, while Healing the Child Within has remained a strong introduction to recognizing and healing from the painful effects of childhood trauma. Highly recommended by therapists and survivors of trauma.

Homecoming HCI

Discovery in the Desert is the first book in Tom Thiele's Discovery Series. When asked about religious affiliation, do you describe yourself as a Christian? Do you wonder about heaven? When someone knows that they are a good person, does that mean that they are a heaven-bound Christian? That is exactly how David Hart saw himself before his discovery in the desert. David Hart, a young, bright NASA physicist is chosen to join a team of other NASA scientists assigned to a Classified Military Project. The team is formed to bring a new, cutting edge technology to the United States military-Time Travel. Initially great strides are made in developing a time travel capsule, and then the team hits a brick wall. Once the obstacle becomes common knowledge at NASA, the project transforms from one of prestige and glamor to one of embarrassment. The slowed progress grates on David's patience. Then he decides to do the unthinkable! Join David on this adventure of a lifetime as he realizes that not only has he been chosen to be on this NASA team, but he has been chosen for a much more significant task. A task, that once accomplished, will change David's life forever.

Dell

Exploring how the past influences the present, the author discusses how to understand each individual's unique coping style and how to tap into the extraordinary quality of human spirit that will create the transition from victim to victor.

Healing from the Death of a Child Pocket

Those raised by a BPD parent endured a volatile and painful childhood. This book offers readers step-by-step guidance to understanding and overcoming the lasting effects of being raised by a person with this disorder. Readers discover coping strategies for dealing with low self-esteem, lack of trust, guilt, and hypersensitivity....

Discovery and Recovery for Adult Children, Chemical Dependent, Co-dependent and Mistreated Or Abused Children and Adults Penguin

Most people don't realize how much unresolved emotional pain they carry around. They don't know why they always feel depressed, anxious, victimized, or disappointed. They wonder why they keep making the same self-sabotaging impulsive decisions. These patterns often stem from their lost inner child, which carries a false narrative that has been on repeat since childhood. The hurt emotions resulting from childhood experiences of abuse, neglect, or trauma show up in adulthood as explosive anger, isolation, bad relationship choices, negative self-talk, feelings of being overwhelmed, being a people pleaser, and keeping others at arm's length. In Healing Your Lost Inner

Child, Psychotherapist and Reiki master Robert Jackman takes you on a personal journey to explore unresolved wounds from your early life using the HEAL process for healing and embracing an authentic life. Through stories and exercises, this easy-to-read book will encourage you to learn how to stop giving in to your wounded inner child's emotional pain frozen inside a snow globe within you. Each chapter gently takes you closer to this original wounding so you can acknowledge and finally heal your pain. Move from being an impulsive reactor to an authentic, conscious creator in your life. The Healing Your Lost Inner Child Companion Workbook is also available to help you develop a deeper understanding of your relationships, codependency patterns and triggers, and create a self-nurturing plan. Bad Childhood---Good Life Dr. Laura Schlessinger

Are you outwardly successful but inwardly do you feel like a big kid? Do you aspire to be a loving parent but all too often "lose it" in hurtful ways? Do you crave intimacy but sometimes wonder if it's worth the struggle? Or are you plagued by constant vague feelings of anxiety or depression? If any of this sounds familiar, you may be experiencing the hidden but damaging effects of a painful childhood—carrying within you a "wounded inner child" that is crying out for attention and healing. In this powerful book, John Bradshaw shows how we can learn to nurture that inner child, in essence offering ourselves the good parenting we needed and longed for. Through a step-by-step process of exploring the unfinished business of each developmental stage, we can break away from destructive family rules and roles and free ourselves to live responsibly in the present. Then, says Bradshaw, the healed inner child becomes a source of vitality, enabling us to find new joy and energy in living. Homecoming includes a wealth of unique case histories and interactive techniques, including questionnaires, letter-writing to the inner child, guided meditations, and affirmations. Pioneering when introduced, these classic therapies are now being validated by new discoveries in attachment research and neuroscience. No one has ever brought them to a popular audience more effectively and inspiringly than John Bradshaw.

Homecoming Healing the Child Within Discovery and Recovery for Adult Children of Dysfunctional Families (Recovery Classics Edition)

Psychiatry today is not as advertised, as bestselling author Charles Whitfield describes in this scientifically accurate new book. It exposes the pseudo science behind modern biological psychiatry that misdiagnoses people who have painful emotional, psychological and behavioral symptoms as being mentally ill and then mistreats them with toxic psychiatric drugs that don't work well or make them worse. Dr Whitfield blows the whistle on and names the culprits that promote bio-psychiatry for profit and control and explains why and how to avoid their mind- and body- manipulations. Most of these culprits are the Bigs, which include Big Pharma, Big Government, Big Insurance, Big Academia and Big Professional groups (as the American Psychiatric Association, American Medical Association and the National Alliance on Mental Illness). Each of the Bigs promotes and supports the misdiagnosis and mistreatment of what they call mental illness, which Dr Whitfield documents is instead the painful effects of repeated childhood and later trauma, which he explains in some detail. Throughout he describes how this major problem has developed and how to heal from it.

Surviving a Borderline Parent Bantam

Describes how the inner child is denied as a result of early trauma and loss, and how by recovering it we can heal the fear, confusion, and unhappiness of adult life.

A Novel Simon and Schuster

What do you do when your marriage is so unhappy that you begin to fantasize about your husband's funeral? That's how bad it got for Alisa Bowman. . . So she launched a last-ditch effort to save her marriage. Project: Happily Ever After is her fearlessly honest and humorous account of how she went from being a "divorce daydreamer" to renewing her wedding vows -- and all of the steps in between. From bikini waxes to erotica, romance instruction manuals to second honeymoons, the silent treatment to power struggles, she goes where many marriage-improvement gurus have feared to tread. Equal parts funny, poignant, and most importantly, useful, Bowman's story will give other miserably-married folks courage and hope. And in addition to telling her own story, she packs straightforward prescriptive guidance, including a "10-Step Marital Improvement Guide." Readers will laugh. They'll cry. And they can start on the road toward their own happy ending!

A Guide to Healing the Mother Wound and Claiming Your Personal Power Ballantine Books

"I wish my father had been present in my life, so I would not have accepted a lot of crap from men." "Growing up, I didn't feel loved by my mother which caused...." "It is hard to find and maintain a solid group of trustworthy girlfriends to do life with." "I was devastated by a previous lover and that hurt changed me for the worse." "I often don't feel loved." "I'm not happy with how my life turned out." If you have ever said any of the above, then this book is for you! This means there may be emotional wounds that are stopping you from living your best life. Disappointments, rejection, competition, overthinking, and family secrets are some of the emotional wounds that cause inner chaos and damage our sense of self. As black girls, we suffer differently, and our history is complex. Nijjama Smalls is all too familiar with the suffering of black girls and shares her personal journey of uncovering the origin of Black girl trauma while also addressing the ongoing process of healing and recovery from wounds caused by past hurts. The beauty of this book is that it provides a prescription for healing in the form of a soul-cleansing process. Enter this journey so that you can be set free to live the life God has planned for you. Sis, it's time to heal and end the suffering.

A Very Old Man with Enormous Wings Harper Collins

Outlines the effects of growing up in an abusive family that carry on to adulthood and offers exercises for healing the inner child and breaking the cycle for the next generation

The Sacred Wound Piatkus Books

Explains how to experience at first hand the portion of one's personality that feels emotions and is playful, and tells how to use this experience for personal healing

Becoming a Loving Adult to Your Inner Child ReadHowYouWant.com

What makes this story extraordinary is the author tells it from the perspective of being in the experience as a child. In this book, it is easy to see how childhood experiences often hold adult answers. The reader of this story innocently ends up assessing his or her own upbringing. The story speaks to anyone who has ever had parents. In this story, we realize that sometimes we just have to return to childhood in order to say good-bye. While this book makes us laugh & cry, its true power comes through family redemption! This is a rare work because it is told entirely in the voice of a child who is untiringly trying to earn his parents love while also trying to grow up. It is a luminous

demonstration of family emotions. When childhood is a struggle for survival there is scant energy left for growing up. This book movingly reveals the consequences of that type childhood and offers deliverance. The genesis of the story is the author could not remember his childhood; it was suggested he start writing from his earliest recollection as a way of nurturing childhood memories. When he did, the voice of the child he once was, was passionate & direct. The author grew up in a home of alcoholism, violence, and dysfunction; yet, had no idea this experience created its own evolving trauma.

The Healing Journey for Adult Children of Alcoholics Createspace Independent Pub

More than personal boundaries, this book is really about relationships--healthy and unhealthy ones. Here bestselling author and psychotherapist Charles Whitfield blends theories and dynamics from several disciplines into practical knowledge and actions that you can use in your relationships right now. This comprehensive book opens with clear definitions and descriptions of boundaries, a self-assessment survey and a history of our accumulated knowledge. Going deeper, it describes the 10 essential areas of human interaction wherein you can improve your relationships. These include age regression, giving and receiving (projection and projective identification), triangles, core recovery issues, basic dynamics, unfinished business and spirituality. It shows in countless practical ways how knowledge of each of these is most useful in your recovery and everyday life.

Codependent Discovery and Recovery 2.0 John Wiley and Sons

Book one of the New York Times-bestselling All Souls trilogy—"a wonderfully imaginative grown-up fantasy with all the magic of Harry Potter and Twilight" (People). Look for the hit TV series "A Discovery of Witches," streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! Deborah Harkness's sparkling debut, A Discovery of Witches, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, Shadow of Night, and concludes with The Book of Life.

Eight Keys to Building a Lifetime of Connection and Contentment Hachette UK

Healing the Wounded Child Within takes you on a journey of self-reflection to help you stop repeating the negative cycles that may be holding you back. By healing wounds from your past, you can free yourself from distractions that prevent you from living the peaceful, productive, and fulfilling life you deserve. Through his own personal findings and failures, Ricky Roberts III has created this guide for healing old wounds, to serve as a reminder that we can all free ourselves from prior hurt, struggles, and mistakes. This self-reflective book will take you through exercises and reflections, encouraging you to address hurt from your past, to help cultivate mindsets and practices that will bring out the best in who you are today.

Understanding the Fall Simon and Schuster

"Understanding the fall is Susan's first book and is based on her own personal experience of growing up with an alcoholic parent. She has performed readings of her book and has donated it to recovery houses and institutions throughout Los Angeles." -- P. [4] of cover.

The Breakthrough Method for Bringing Out Your Authentic Self Simon and Schuster

The child is the father of the man. -- Wordsworth The inner child, that vital but submerged part of the self that connects us to both the joy and sadness of our childhood, is a key to our achieving fullest expression as adults. "This child entity," says our editor Jeremiah Abrams, "is the self we truly are and have always been, living within us in the here and now." This volume, a collection of 37 wide-ranging articles, defines and gives concrete reality to the abstract image of the inner child, revealing it to be the unifying symbol of the self, a symbol that represents, according to Carl Jung, "the part of the human personality which wants to develop and become whole." The essays from depth psychology, literature, the 12-Step Program perspective, and other disciplines are woven together with Abrams' thoughtful commentary to address the compelling themes the inner child brings to our awareness. Many of the selections address very practical objectives. - Realizing the promise of the child within and living out its destiny. - Reclaiming the innocence, playfulness, and wonder of the child in adulthood. - Healing the abandoned or abused inner child and resolving old traumas. - Tapping the child as symbol for our creative energy. - Forgiving our parents. - Developing compassionate awareness to be a better parent. - Completing the deverse unfinished business of childhood.
