If you don't currently have Photoshop open, you can locate and right-click the file on your computer and choose Open With > Adobe Photoshop to open the file. Photoshop Basics: Getting to Know the Photoshop Interface One of the Basher books is called The Periodic Table: Elements with Style, and it allows readers to meet and get to know the personified elements, complete with characteristics you would expect based on how they appear and react in nature. Sodium, for instance, gets along with everyone but is really high strung, sulfur is a prankster dressed sweetly in yellow, and iron is "at the center of everything." The Unplanned Homeschooler: Getting to know the elements ... Getting deeper with the presentational elements, we may find the following elements helpful: <sup>, <sub>, <big>, <small>, <hr /> Helping you get familiar with these elements, here we see that any content written in between <sup> is in superscript, whereas the early versions of HTML consist of seven standard sizes of text and the <big> element, which helps

introduce one font size larger than the surrounding text. Get to know the Presentational Elements of HTML A fun way to get to know your students and to assess their understanding of the elements of a novel. Using a memorable chapter in their life story, students will complete a plot line and include Subjects: Get To Know The Elements Worksheets & Teaching Resources | TpT The element, on the other hand, semantically means to stylistically offset text, which isn't always the best choice for text deserving prominent attention. We have to gauge the significance of the text we wish to set as bold and to choose an element accordingly. ... Lesson 3 Getting to Know CSS; Learn More HTML & CSS or Study Other Topics.
