Viva Le Resistance! describes the adventures and misadventures of Annie with Attention Deficits, as she traverses middle school, bullies, peer pressure, and 'the cliquey's.' A middle reader, Viva is a delightful addition to the Annie Books Series. Annie Books Series: Experience Attention Deficits Through the Eyes of a Child Written by Michelle Fattig Pictures by Josh Fattig The Annie Books are a must read for any parent, teacher, professional, or child with the challenges of Attention Deficit Disorders. Michelle and Josh have Asperger's Syndrome and Attention Deficit Disorder. They use their unique insight and experience to fight crime, battle evil, and promote world peace.

**Warlord Chronicles** Springer

The Second Edition of *Parliamo italiano!* instills five core language skills by pairing cultural themes with essential grammar points. Students use culture—the geography, traditions, and history of Italy—to understand and master the language. The 60-minute *Parliamo italiano!* video features stunning, on-location footage of various cities and regions throughout Italy according to a story line corresponding to each unit's theme and geographic focus.

In the ancient world, terracotta sculpture was ubiquitous. Readily available and economical—unlike stone suitable for carving—clay allowed artisans to craft figures of remarkable variety and expressiveness. Terracottas from South Italy and Sicily attest to the prolific coroplastic workshops that supplied sacred and decorative images for sanctuaries, settlements, and cemeteries. Sixty terracottas are investigated here by noted scholar Maria Lucia Ferruzza, comprising a selection of significant types from

the Getty's larger collection—life-size sculptures, statuettes, heads and busts, altars, and decorative appliqués. In addition to the comprehensive catalogue entries, the publication includes a guide to the full collection of over one thousand other figurines and molds from the region by Getty curator of antiquities Claire L. Lyons. Reflecting the Getty's commitment to open content, Ancient Terracottas from South Italy and Sicily in the J. Paul Getty Museum is available online at [www.getty.edu/publications/terracottas](http://www.getty.edu/publications/terracottas) and may be downloaded free of charge in multiple formats. For readers who wish to have a bound reference copy, this paperback edition has been made available for sale.

*The Jazz Bass Book* Createspace Independent Publishing Platform Valentino Rossi is the greatest living motorcyclist. Conservation research in libraries is a rapidly growing field. This book places analysis within its context in conservation and provides examples of how this expensive resource can be used. Through a series of case studies, it describes major analytical procedures, including visualization, molecular, elemental and separation techniques as well as chemical tests. It is thus a suitable reference work for library conservators and curators. Please note: Despite careful production of our books, sometimes mistakes happen. Unfortunately, the authorship for some chapters wasn't correct in the original publication. Chapter 5 was written by Andrew Beeby and David Howell as co-author, chapter 6 by Kelly Domoney and David Howell as co-author, and chapter 9 is authored by Anita Quye. This will be corrected. We apologize for the mistake.

*Man as a Sign* John Wiley & Sons

Discover the true value and exciting possibilities of oral history in the library: learn new and compelling ways to engage your patrons by sharing personal and community history with them. • Shows librarians how to realize the potential of oral history collections • Goes beyond content creation to cover creating

access to and promoting oral history as well as using it to enhance library programming • Provides public librarians a targeted way to engage with their communities

**Biographical Patterns and Cultural Exchanges** Walter de Gruyter

(Berklee Guide). Learn the art of jazz bass. Whether you are new to playing jazz or wish to hone your skills, and whether you play acoustic or electric bass, this book will help you expand your basic technique to create interesting and grooving bass lines and melodically interesting solos. Included are 166 audio tracks of demonstrations and play-alongs, featuring a complete jazz combo playing bass lines and solos over standard jazz progressions.

collana Arte e Resaturo - Esperienze Pagine 216, Illustrato, e-book in formato pdf, anno 2014 Riflessioni, divagazioni, ricordi e testi divulgativi di tale "SIGNOR QUASI", che, pur avendo cominciato tardi a saper capire le proposte di Giovanni Urbani (come attestano anche le note scritte dopo il 1980), si ritiene comunque vocato a stimolare studi-ricerche-esperienze che possano favorire (anche nella prospettiva del "cambio d'epoca" che stiamo vivendo) la riconsiderazione critica dell'essenza della conservazione perché diventi ordinaria l'integrazione tra la cura delle singole opere d'arte e i servizi di cultura per la durabilità del patrimonio d'arte, almeno in Italia, coesteso all'ambiente come sua peculiare componente qualitativa. Se oggi, soprattutto in Italia, c'è un'urgenza da curare, questa è proprio la complessa realtà del patrimonio d'arte coesteso all'ambiente come sua peculiare connotazione qualitativa. È a questa realtà che urge sappiano dedicarsi, non solo in Italia: cultura, scienza, politica, economia, imprenditoria, formazione. E quanto maggiore sarà la carenza di compiuta dedizione all'urgenza della cura della complessità dei materiali di storia e d'arte, tanto maggiore - per quanto inavvertita - sarà la consunzione del maggiore patrimonio italiano, nonostante il moltiplicarsi di continui (e sempre più onerosi e sempre più osannati-denigrati) "ri-restauri". Dai quali, purtroppo, non si potrà conseguire (come chiedeva Giovanni Urbani) l'integrazione materiale del passato nel divenire dell'uomo e neppure l'acquisizione dell'unico bene durevole partecipabile all'intera comunità: l'accordo dell'uomo con il suo

ambiente di vita. Indice: 1. La “rivoluzione copernicana” di Giovanni Urbani: verso la “società della paidecoltura”? Un’apertura (da sviluppare) Per cominciare La crisi finanziaria iniziata nel 2007 Un’ipotesi da riconsiderare criticamente Quale esito per il “Fare umano”? Da “La politica è tutto” a “Tutto è spettacolo” Quali Piani di Governo del Territorio per i “Territori storici”? Si possono sviluppare le indicazioni di Giovanni Urbani? “Mezzi” e “fini” della conservazione del patrimonio Quale composizione tra “conservazione” e “sviluppo”? Il patrimonio dei territori storici: risorsa misconosciuta e dispersa Il patrimonio d’arte: fattore di “sviluppo nuovo”? La “rivoluzione copernicana” di Giovanni Urbani Il “consumismo”: fattore di crisi della società industriale? Quale “avvento” per la duratura conservazione dell’arte? Quale committenza per nuove imprese di paidecoltori Quale futuro per le anticipazioni di Giovanni Urbani? La salvaguardia dei materiali di storia e d’arte condizione per la protezione-valorizzazione dei “territori-paesaggi storici” Potrà esserci “paidecoltura”? 2. Il “Signor Quasi”, o della “quasitudine”. Una prima divagazione a introduzione di qualche ricordo e per motivare un’antologia di scritti già diffusi Appunti sul “Signor Quasi” I maestri bresciani La cultura della durabilità per dare senso al presente e preparare il futuro? 3. Ricordi sparsi (e un po’ dispersi) Una seconda divagazione per dare memoria all’auspicato futuro A. L’idea di un CFP per il restauro Negli anni delle contestazioni e del terrorismo Il primo incontro con Giovanni Urbani: “Problemi di conservazione” B. Cos’è “restauro” Un primo esempio problematico e discutibile C. Giovanni Urbani alla Trinità Un secondo esempio problematico e discutibile D. Quale politica per integrare il passato nel futuro dell’uomo? Alcune tristi esperienze Continuare. Nonostante tutto 4. Repetita iuvant? Antologia di testi passati Premessa 1981: Documenti di lavoro 1983: Alla ricerca del volto perduto 1983: Il restauro tra storia e scienza 1984: Restauro, scienza, conservazione 1984: Dal restauro alla manutenzione 1985: Restauratori e conservazione 1987: politica per la cultura e conservazione delle opere d’arte 1992: Un nuovo contributo civile dei cattolici bresciani: la promozione della cultura della protezione dei materiali d’arte e di storia 1992: Un “patronato” per le opere d’arte 1992: Nuovo e antico nella storia della città 1994: Il volto di Brescia 1994: Considerazione per il futuro: appunti per continuare il dibattito 2001: Le condizioni ambientali e strutturali della chiesa di Santa

Maria della Carità in Brescia (detta del Buon Pastore) 2003: Quale valorizzazione del patrimonio storico per la tutela delle risorse dei territori storici? 2003: Orientamenti per l’avvio del “piano pilota per la diagnostica del patrimonio storico bresciano” 2005: La salvaguardia dei materiali di storia e d’arte: risorsa misconosciuta per la riqualificazione della società e dell’economia bresciana 2006: Quale valorizzazione per il patrimonio storico-ambientale? 2009: La “rivoluzione copernicana” di Giovanni Urbani 2012: La maggiore e meno considerata emergenza italiana: la durabilità del patrimonio dei territori storici 2013: Imprese di operatori culturali (“paidecoltori”) per la redditività delle risorse dei territori storici 2014: Dopo Giovanni Urbani: riflessioni da continuare 5. Cambio d’epoca? Ipotesi per una conclusione da continuare Riprendere le proposte di Giovanni Urbani anche per valorizzare compiutamente le risorse dei territori storici Premessa Un auspicio: il primato delle risorse dei territori storici Quale economia per le risorse dei “territori storici”? Il patrimonio dei territori storici: soggetto e oggetto della “paidecoltura” Imprese di “paidecoltori” per la redditività dei territori storici? Quale redditività per le risorse di cultura? Imprenditori, committenti e consumatori di cultura per il bene comune? Stato, Chiesa e committenti di cultura per la durabilità dei materiali di storia e d’arte Appello all’Unione Europea... .. e alle Regioni italiane... .. ma anche a noi, cittadini del nuovo “Stato culturale” Una testimonianza da riprendere e inverare Per continuare ABC-CLIO Many people grimace at the sound of music theory. It can conjure up bad memories of grade school music classes, rattle the brains of college students, and make self-taught musicians feel self-defeated. Music Theory may seem tedious and unnecessary, especially since not many people can read music. Luckily, Music Theory for Dummies shows you the fun and easy way to understanding the concepts needed to compose, deconstruct, and comprehend music. This helpful guide will give you a great grasp of: Note value and counting notes Treble and bass clefs Time signatures and measures Naturalizing the rhythm Tempo and dynamic Tone, color, and harmonics Half steps and whole steps Harmonic and melodic intervals Key signatures and circles of fifths Scales, chords, and their progressions Elements of form Music theory’s fascinating history This friendly guide not only explores these concepts, it provides examples of music to

compliment them so you can hear how they sound firsthand. With a bonus CD that demonstrates these ideas with musical excerpts on guitar and piano, this hands-on resource will prove to you that music theory is as enjoyable as it is useful. Don’t get discouraged by the seemingly complicated written structure. With Music Theory for Dummies, understanding music has never been easier! Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

*Technique and Tradition* BRILL

It's 1941, and Captain Alexander M. Riley and his crew of deep-sea treasure hunters believe they're setting off on yet another adventure--to find a mysterious artifact off the coast of Morocco for an enigmatic millionaire with questionable motives. Part-time smugglers, world travelers, and expats who have fought causes both valiant and doomed, Riley and his crew soon find themselves in the crosshairs of a deal much more dangerous than the one they bargained for. From Spain to Morocco to an Atlantic crossing that leads to Washington, DC, Captain Riley must sail his ship, the *Pingarrón*, straight through the eye of a ruthless squall and into a conspiracy that goes by the name Operation Apokalypse--a storm that only he and his crew can navigate.

Miss Dale examines the the rhythms of Greek lyric and the laws which control them. In this 1968 second edition, she has corrected what she calls 'the errors and shortcomings' of the first, and has taken into account work published in the intervening years. Miss Dale writes for classical scholars and others interested in metric.

*From the late 16th century to the 1660s* Northwestern University Press

This book analyzes and discusses in detail art therapy, a specific tool used to sustain health in affective developments, rehabilitation, motor skills and cognitive functions. Art therapy is based on the assumption that the process of making art (music, dance, painting) sparks emotions and enhances brain activity. Art therapy is used to encourage personal growth, facilitate particular brain areas or activity patterns, and improve neural connectivity.

Treating neurological diseases using artistic strategies offers us a unique option for engaging brain structural networks that enhance the brain's ability to form new connections. Based on brain plasticity, art therapy has the potential to increase our repertoire for treating neurological diseases. Neural substrates are the basis of complex emotions relative to art experiences, and involve a widespread activation of cognitive and motor systems. Accordingly, art therapy has the capacity to modulate behavior, cognition, attention and movement. In this context, art therapy can offer effective tools for improving general well-being, quality of life and motivation in connection with neurological diseases. The book discusses art therapy as a potential group of techniques for the treatment of neurological disturbances and approaches the relationship between humanistic disciplines and neurology from a holistic perspective, reflecting the growing interest in this interconnection.

This open access book explores commentaries on an influential text of pre-Copernican astronomy in Europe. It features essays that take a close look at key intellectuals and how they engaged with the main ideas of this qualitative introduction to geocentric cosmology. Johannes de Sacrobosco compiled his *Tractatus de sphaera* during the thirteenth century in the frame of his teaching activities at the then recently founded University of Paris. It soon became a mandatory text all over Europe. As a result, a tradition of commentaries to the text was soon established and flourished until the second half of the 17th century. Here, readers will find an informative overview of these commentaries complete with a rich context. The essays explore the educational and social backgrounds of the writers. They also detail how their careers developed after the publication of their commentaries, the institutions and patrons they were affiliated with, what their agenda was, and whether and how they actually accomplished it. The editor of this collection considers these scientific

commentaries as genuine scientific works. The contributors investigate them here not only in reference to the work on which it comments but also, and especially, as independent scientific contributions that are socially, institutionally, and intellectually contextualized around their authors.

Compendio Di Psicologia Walter de Gruyter GmbH & Co KG

Not so long ago Emilio Brentani was a promising young author. Now he is an insurance agent on the fast track to forty. He gains a new lease on life, though, when he falls for the young and gorgeous Angiolina—except that his angel just happens to be an unapologetic cheat. But what begins as a comedy of infatuated misunderstanding ends in tragedy, as Emilio's jealous persistence in his folly—against his friends' and devoted sister's advice, and even his own best knowledge—leads to the loss of the one person who, too late, he realizes he truly loves. Marked by deep humanity and earthy humor, by psychological insight and an elegant simplicity of style, *As a Man Grows Older* (Senilità, in Italian; the English title was the suggestion of Svevo's great friend and admirer, James Joyce) is a brilliant study of hopeless love and hapless indecision. It is a masterwork of Italian literature, here beautifully rendered into English in Beryl de Zoete's classic translation. -Print ed. "The poem of our complex modern madness."—EUGENIO MONTALE "Svevo has the capacity—so rare as to be almost unknown in the English novel—of handling emotional relationships with a combined tenderness, humour and realism."—THE TIMES LITERARY SUPPLEMENT
