A Topic Based Approach Berghahn Books

In June 1944, after two wars with the Soviet Union, the Finnish region of Karelia was ceded to the Soviet Union. As a result, the Finnish population of Karelia, nearly 11% of the Finnish population, was moved across the new border. The war years, the loss of territory, the resettlement of the Karelian population, and the reparations that had to be paid to the Allied Forces, were experiences shared by most people living in Finland between 1939 and the late 1950s. Using a family's memoirs, the author shows how these traumatic events affected people in all spheres of their lives and also how they coped physically and emotionally.

**Finnish for Foreigners 1** Back Bay Books

The book consists of Elementary and Pre-intermediate courses with parallel Finnish-English texts. The author maintains learners' motivation with funny stories about real life situations such as meeting people, studying, job searches, working etc. The ALARM method (Approved Learning Automatic Remembering Method)

utilize natural human ability to remember words used in texts repeatedly and systematically. The author composed each sentence using only words explained in previous chapters. The second and the following chapters of the Elementary course have only about 30 new words each. The book is equipped with the audio tracks. The address of the home page of the book on the Internet, where audio files are available for listening and downloading, is listed at the beginning of the book on the copyright page.

*Finnish Teach Yourself*

Did you ever want to teach your kids the basics of Finnish ? Learning Finnish can be fun with this picture book. In this book you will find the following features: Finnish Alphabets. Finnish Words. English Translations.

The Complete Course for Beginners W. W. Norton & Company  
 What does it take to survive? This is the question posed by the extraordinary Finnish novella that has taken the Nordic literary scene by storm. 1867: a year of devastating famine in Finland. Marja, a farmer's wife from the north, sets off on foot through the snow with her two young children. Their goal: St Petersburg, where people say there is bread. Others are also heading south,

just as desperate to survive. Ruuni, a boy she meets, seems trustworthy. But can anyone really help? Why Peirene chose to publish this book: 'Like Cormac McCarthy's *The Road*, this apocalyptic story deals with the human will to survive. And let me be honest: There will come a point in this book where you can take no more of the snow-covered desolation. But then the first rays of spring sun appear and our belief in the human spirit revives. A stunning tale.' Meike Ziervogel 'White Hunger is Aki Ollikainen's debut work, but it is written with the control of someone who has mastered the form.' Nicholas Lezard, *Guardian* 'Such a powerful, honest and thought-provoking story deserves an audience far beyond the shores of Scandinavia.' Pam Norfolk, *Lancashire Evening Post* 'Impossible not to respond to its raw, unsparing drama.' Elizabeth Bucan, *Daily Mail* 'A tale of epic substance compacted into a mere seven-score pages.' Ben Paynter, *Los Angeles Review of Books*

**A Captivating Guide to the Russo-Finnish War Between Finland and the Soviet Union** Hippocrene Books

This book presents the Finnish grammar in detail and meticulously explained, yet aiming for clarity and simplicity. The book takes into consideration the special difficulties someone learning the Finnish language might encounter and pays specific attention to those elements. All grammar points are explained with numerous examples. Included features: - a guide to the Finnish alphabet and to correct pronunciation - detailed explanations of how consonant gradation and border gemination work in practice, with all cases of border gemination marked in the Finnish example sentences throughout the book - each word class handled in its own chapter: nouns, adjectives, pronouns, numerals, verbs, adverbs, prepositions and postpositions, conjunctions and particles - a chapter on word order and sentence construction - a chapter on spoken Finnish and its special features - chapters on punctuation principles and on various abbreviations and acronyms This book is a one-stop shop for anyone wishing to get a well-based conception of how the Finnish language works.

*Finnish-English, English-Finnish* Peirene Press

From awkward interactions on public transportation to avoiding small talk with salespeople, introverts from all over the world will find something to love in this comic sensation from Finland. Mild-mannered protagonist Matti is a typical Finn who appreciates peace, quiet, and personal space--but things do not always go according to his wishes. *Finnish Nightmares* is an illustrated collection of his and many people's worst fears when it comes to social interactions. Divided into sections on dealing with neighbors, going shopping, sharing public spaces, tense dining situations, and more, there is a comic for every squeamish scenario, from having to sing your own praises in a job interview, to being unable to leave your apartment because a neighbor is in the hallway. A fascinating look at Nordic culture, globe trotters and armchair travelers alike will enjoy this insider's glimpse into the local life and habits of Finland. With a charming and quirky universality, there is an awkward and laughable situation that everyone can relate to in *Finnish Nightmares*.

**My First Finnish Alphabets Picture Book with English Translations** Mps Multimedia Incorporated DBA Selectsoft

This thoroughly revised third edition of *Finnish: An Essential Grammar* is grounded in fundamental insights of modern linguistics and incorporates some of the latest achievements in the description of written and spoken Finnish. It gives a systematic account of the structures of the written language and offers increased attention to the key characteristics of present-day colloquial Finnish. No prior knowledge is assumed on the part of the reader and grammatical rules are clearly explained without jargon. Features of this new edition include: • pronunciation

guide, including the tendencies in present-day colloquial Finnish • thorough descriptions of morphology (word structure) and syntax (sentence structure) • clear rules and an abundance of concrete examples, from both written and colloquial Finnish • updated vocabulary in the examples • an effective new scheme for detecting the morphological structure of any word form • subject index. This is the ideal reference source both for those studying Finnish independently and for students in schools, colleges, universities and adult classes of all types.

***Remembering Karelia*** Audiolego

An engaging and practical guided tour of the simple and nature-inspired ways that Finns stay happy and healthy--including the powerful concept of *sisu*, or everyday courage Forget *hygge*--it's time to blow out the candles and get out into the world! Journalist Katja Pantzar did just that, taking the huge leap to move to the remote Nordic country of Finland. What she discovered there transformed her body, mind and spirit. In this engaging and practical guide, she shows readers how to embrace the "keep it simple and sensible" daily practices that make Finns one of the happiest populations in the world, year after year. Topics include: • Movement as medicine: How walking, biking and swimming every day are good for what ails us--and best done outside the confines of a gym • Natural mood boosters: Cold water swimming, steamy saunas, and other ways to alleviate stress, anxiety, insomnia, and depression • Forest therapy: Why there's no substitute for getting out into nature on a regular basis • Healthy eating: What the Nordic diet can teach us all about feeding body, mind and soul • The gift of *sisu*: Why Finns embrace a special form of courage, grit and determination as a national virtue - and how anyone can dig deeper to survive and thrive through tough times. If you've ever wondered if there's a better, simpler way to find happiness and good health, look no further. The Finns have a word for that, and this empowering book shows us how to achieve it.

**Finnish War Children Tell Their World War II Stories**

*Finding Courage, Wellness, and Happiness Through the Power of Sisu* Hippocrene Books

This book presents an expert analysis of the transnational aspects of Finnish cinema throughout its history. As a small nation cinema, Finnish film culture has, even at its most nationalistic, always been attached to developments in other film producing nations in terms of production and distribution as well as genres and aesthetics. Recent developments in film theory offer exciting new approaches and methodologies for the study of transnational phenomena in the field of film culture, both past and present. The authors employ a wide range of cutting edge methodologies in order to address the major issues involved in transnational approaches to film culture. Until recently, much of this research has focused on globalization and questions related to diasporic cinema, while transnational issues related to small nation film cultures have been marginalized. This study focuses on how small nation cinemas have faced the dilemma of contributing to the construction and maintenance of national culture and identity, while responding to audience tastes largely shaped by foreign cinemas. With Finland's intriguing political placement between East and West, along with the high portion of film history preserved in Finnish archives, this thoroughly contextualized multidisciplinary analysis of Finnish film history serves as an illuminating case study of the transnational aspects of small nation cinemas.

*Beginner's Finnish with Online Audio* Createspace Independent Publishing Platform

This second edition of *Finnish: An Essential Grammar* has undergone profound revisions. The chapter on basic sentence structure has been rewritten and syntax has been given more space. Sections have been added on phrase types, simple clause types, and types of complex sentences. A section on discourse particles has been added. The vocabulary of the copious example sentences has been updated to give it a touch of the twenty-first century. The section on modern colloquial Finnish has been considerably expanded. Internet addresses helpful for any learner of Finnish are provided which make it possible to automatically analyse the grammatical structure of any Finnish words and sentences. It gives not only a systematic account of the structures of the written language, but also features the characteristics of colloquial Finnish. No prior knowledge is assumed on the part of the reader and grammatical rules are clearly explained without jargon. Features include: pronunciation guide, including the tendencies in present-day colloquial Finnish thorough descriptions of morphology (word structure) and syntax (sentence structure) clear rules and an abundance of concrete examples inflection tables subject index internet addresses to online software for grammatical analysis of Finnish. This is the ideal reference source both for those studying Finnish independently and for students in schools, colleges, universities and adult classes of all types.

Finnish Vocabulary Book Finnish for Foreigners

In December 1940, British Prime Minister Winston Churchill made a speech about a conflict that had some leading figures in Britain and France, including Churchill himself, briefly discussing the idea of going to war with the Soviet Union, even though they were already fighting Adolf Hitler.

*Beginner's Finnish* Teachers College Press

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, *Infinite Jest* explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, *The Atlantic*

**oral drills** Berghahn Books

First published in the 1940s and widely condemned as obscene, *The Egyptian* outsold every other American novel published that same year, and remains a classic; readers worldwide have testified to its life-changing power. It is a full-bodied re-creation of a largely forgotten era in the world's history: an Egypt when pharaohs contended with the near-collapse of history's greatest empire. This epic tale encompasses the whole of the then-known world, from Babylon to Crete, from Thebes to Jerusalem, while centering around one unforgettable figure: Sinuhe, a man of mysterious origins who rises from the depths of degradation to get close to the Pharaoh...

Promentor U of Minnesota Press

Seven key principles from Finland for building a culture of trust in schools around the world. In the spring of 2018, thousands of teachers across the United States—in states like Oklahoma, Kentucky, and Arizona—walked off their jobs while calling for higher wages and better working conditions. Ultimately, these American educators trumpeted a simple request: treat us like professionals. Teachers in many other countries feel the same way as their US counterparts. *In Teachers We Trust* presents a compelling vision, offering practical ideas for educators and school leaders wishing to develop teacher-powered education systems. It reveals why teachers in Finland hold high status, and shows what the country's trust-based school system looks like in action. Pasi Sahlberg and Timothy D. Walker suggest seven key principles for building a culture of trust in schools, from offering clinical training for future teachers to encouraging student agency to fostering a collaborative professionalism among educators. *In Teachers We Trust* is essential reading for all teachers, administrators, and parents who entrust their children to American schools.

**Finnish Nightmares** Routledge

The first two editions of *Finnish Lessons* described how a small Nordic nation built a school system that provided access to a world-class education for all of its young people. Now available in 30 languages, this Grawemeyer Award-winning book continues to influence education policies and school practices around the globe. In this Third Edition, Pasi Sahlberg updates the story of how Finland sustains its exemplary educational performance, including how it responds to turbulent changes at home and throughout the world. *Finnish Lessons 3.0* includes important new

material about: teachers and teacher education teaching children with special needs the role of play in high-quality education Finland's responses to growing inequality, slipping international test scores, and the global pandemic In the midst of national education reforms and global changes driven by public health crises and economic turbulence, Finnish Lessons 3.0 encourages teachers, students, and policymakers to think big and bold when they look for new solutions to improving their schools and entire education systems. This edition provides an even deeper dive into the present world of education in Finland in light of the most recent education statistics and international data, including PISA 2018, TIMSS 2016, and TALIS 2018. "Finland's approach to education reform shows we must address student inequality before we can expect student excellence." —The 2013 Grawemeyer Award Committee "The story of Finnish educational success as told in Finnish Lessons is remarkable . . . this is an important book and educators need to read it." —Educational

Researcher "Provides solid background on the historical context that allowed Finland's education system to transform into a powerhouse." —Education Review

**Educational Puzzles for Adults Volume 1** Routledge  
Start speaking Finnish today with Beginner's Finnish with Online Audio. Finnish is the language spoken by the majority of Finns in Finland as well as in other countries. It is also the official minority language in some parts of Sweden and Norway. Ideal for students, tourists, and business people, this introductory guide teaches basic conversation through dialogues on everyday topics, such as eating out, sightseeing, and shopping through 12 practical lessons. Grammar is explained in accessible steps, with exercises throughout to reinforce language skills. Each lesson includes dialogues, vocabulary, and expressions; clear grammar explanations; and review exercises with an answer key. Helpful Finnish-English and English-Finnish glossaries are also included. Accompanying audio for the dialogues by native Finnish speakers is available for free download.
