Chicago Press

A freak storm has spawned three tornadoes that are bearing down on the town of Summerville. Yet under the cover of the storm looms a much more ominous threat: A vindictive killer known as Red who's left a string of victims in his wake and is now bent on exacting his final revenge on the unsuspecting town. But there is an enigma surrounding Red that the FBI is unwilling to admit-closely

guarded secrets of something gone terribly wrong beneath the skin of Summerville. Secrets that will destroy far more than one small town. Wendy Davidson is caught in the middle. She's a recovering cult survivor who takes refuge in Summerville on her way to visit her estranged mother. And with her, four strangers, any of whom could be the next victim . . . or the killer.

Detective Jo Fournier

A Sot Zen priest and Dharma successor of Kosho Uchiyama Roshi explores eight of Zen's most essential and universal liturgical texts and explains how the chants in these works support

meditation and promote a life of freedom and compassion.

Punitive Poetry Simon and Schuster Korean: A Comprehensive Grammar is a reference to Korean grammar, and presents a thorough overview of the language, concentrating on the real patterns of use in modern Korean. The book moves from the alphabet and pronunciation through morphology and word classes to a detailed analysis of sentence structures and semantic features such as aspect, tense, speech styles and negation. Updated and revised, this new edition includes lively descriptions of Korean grammar, taking into account the latest research in Korean linguistics. More lower-frequency grammar patterns have been added, and extra examples have been included

throughout the text. The unrivalled depth and range of this updated edition of Korean: A Comprehensive Grammar makes it an essential reference source on the Korean language.

Lords of Rainbow Simon and Schuster  
Rip Van Goofy was a friendly fellow who lived in a sleepy town. He was always chatting with his friends and loved to go fishing. But when his friends were busy one sunny afternoon, Rip Van Goofy set out alone to fish at his favorite fishing hole. Then, with his line in the water, Goofy fell asleep...and woke up forty years later! Don't miss this retelling of the classic tale of Rip Van Winkle—with a Disney twist!

Disney Electronic Content  
Six years ago, twelve psychic children accidentally used their powers to flood the world. Now they attempt to rebuild society and defend London's Whitechapel survivors from one of their own. Twenty-three years ago, twelve strange children were born in England at exactly the same moment. Six years

ago, the world ended. Today, eleven strange 23-year-olds live in and defend Whitechapel, maybe the last real settlement in flooded London. The Freakangels have defeated Mark, the twelfth psychic child, formerly an exile but now returned to enact his revenge. But while he may be down, he's not dead. In fact, he can't be killed. And when he wakes, his powers will dwarf them all. The only way to save themselves and protect Whitechapel is by tapping into the full extent of their powers... which can only be done by dying. The fifth chapter in award-winning author Warren Ellis' post-apocalyptic web comic series!

The New York Times bestselling Cackleberry Club series returns with three intrepid ladies who know their way around a kitchen—as well as a crime scene... Petra, Suzanne, and Toni may have lost their husbands, but they've found new life operating the Cackleberry Club café. It's where the locals head for an amazing breakfast, the good company of friends, and a puzzling mystery or two... THIS KILLER IS TOAST  
Suzanne and Toni are off to Memorial Cemetery to help prepare for its 150th

anniversary celebration. The ladies expect to find the historical society's tent, but instead they discover the body of ex-prison warden Lester Drummond lying facedown in a freshly dug grave. Now, with the town peppered with suspects and the local authorities in over their heads, it's up to the Cackleberry Club to unscramble the clues and sniff out a bad egg. Recipes Included!

*A Practical Introduction to Eight Essential Zen Chants and Texts* Thomas Nelson  
 History that doesn't suck: Smart, crude, and hilariously relevant to modern life. Those who don't know history are doomed to repeat it. Too bad it's usually boring as sh\*t. Enter The Captain, the ultimate storyteller who brings history to life (and to your life) in this hilarious, intelligent, brutally honest, and crude compendium to events that happened before any of us were born. The entries

in this compulsively readable book bridge past and present with topics like getting ghosted, handling haters, and why dog owners rule (sorry, cat people). Along the way you'll get a glimpse of Edith Wharton's sex life, dating rituals in Ancient Greece, catfishing in 500 BC, medieval flirting techniques, and squad goals from Catherine the Great. You'll learn why losing yourself in a relationship will make you crazy--like Joanna of Castile, who went from accomplished badass to Joanna the Mad after obsessing over a guy known as Philip the Handsome. You'll discover how Resting Bitch Face has been embraced throughout history (so wear it proudly). And you'll see why it's never a good idea to f\*ck with powerful women--from pirate queens to diehard suffragettes to Cleo-

f\*cking-patra. People in the past were just like us--so learn from life's losers and emulate the badasses. The Captain shows you how.

*F\*cking History* Routledge

When victims are found in dancing poses, Detective Jo Fournier immediately sees the pattern, but how can a serial killer get to victims all over the country? When loving wife Jeanine Hammond is found dead in a small leafy town in Massachusetts, newly promoted Detective Jo Fournier is shocked to her core. Why leave her body posed like a ballerina? Why steal her wedding band and nothing else? Hungry for answers, Jo questions Jeanine's husband, but the heart-breaking pain written on his face threatens to tear open Jo's old wounds. It's the same pain she felt when her

boyfriend was cruelly shot dead by a gang in their hometown of New Orleans. She couldn't get justice for him, but she's determined to get justice for Jeanine's devastated family. But before Jo can get answers, another woman is found, wedding ring stolen, body posed in the same ritualistic way. Digging through old files, Jo makes a terrifying link to a series of cold cases. She knows a serial killer is on the loose, but nobody will listen to the truth--not her bosses, nor the FBI. Still, Jo won't let her superiors keep her from stopping the murderer in his tracks, even if it means

the end of her career. Just as she is beginning to lose hope, she finds messages on the victims' computers that feel like the crucial missing link. But she knows the murderer is moments away from selecting his next victim. Will she be able to take down the most twisted killer of her career before another innocent life is lost?

*Student Atlas* Penguin

After an American family adopts eleven-year-old Wen from a Chinese orphanage, she vows to find a family for her best friend, too.
