Kitabu hiki ni toleo la pili la kitabu cha 'Uchaguzi Mkuu Tanzania 2015: Magufuli vs Lowassa,' ambacho kilijadili kwa kina kuhusu uchaguzi mkuu wa Rais, wabunge na madiwani nchini Tanzania, uliofanyika Oktoba 25 mwaka 2015. Kilichonisukuma kuandikia toleo hili la pili ni pamoja na ukweli kwamba toleo la kwanza lilitoka

takriban wiki mbili kabla ya Uchaguzi Mkuu na hivyo kuwanyima fursa wasomaji wengi watarajiwa. Kadhalika, nimeonelea kuna haja ya kufanya tathmini ya uchaguzi huo ulioshuhudia mgombea wa chama tawala, CCM, Dkt John Pombe Magufuli akiibuka mshindi. Kadhalika, mimi ni mwanafunzi wa stadi za siasa, na mara zote nimekuwa nikiamini kwamba njia mwafaka zaidi ya kuitumia elimu yangu ipasavyo ni kuitumikia nchi yangu kwa njia ya maongezi, aidha kupitia maandishi ya kwenye makala gazetini au bloguni au kwa makala za sauti ninazozitoa mara kwa

mara. Ninasema 'maongezi' kwa vile mimi si mwandishi kitaaluma, na ninajitambulisha kama mfanyamaongezi (conversationalist) kuliko mwandishi. Kwahiyo, kitabu hiki ni sehemu na mwendelezo wa maongezi hayo. Vilevile, kwa muda mrefu nimekuwa nikihubiri umuhimu wa wananchi kutambua fursa yao katika uongozi wa taifa. Kwa bahati nzuri, kila miaka mitano wananchi wanapata fursa ya kushirikia katika uongozi huo kwa njia ya kura kwa Rais, wabunge na madiwani, sambamba na chaguzi za serikali za mitaa zinazojiri

katikati ya kipindi hicho. Kwa vile sasa uchaguzi umepita na tumeshapata viongozi wetu, ninaamini kuwa wananchi wana fursa muhimu ya ushiriki wa uongozi wa kiraia ili kuwezesha matakwa yao na ya taifa kwa ujumla kutimia. Licha ya kuwa mwanafunzi wa stadi za siasa, kitabu hiki, kama zilivyo makala zangu gazetini na bloguni, sio cha kitaaluma. Ni maongezi kati yangu na Mtanzania wa kawaida, awe mwenye shahada ya uzamifu kutoka chuo kikuu au mhitimu wa elimu ya msingi. Hii isitafsiriwe kama kukosa imani katika kujadili masuala mbalimbali kitaaluma bali nimeonelea kuwa ndio njia mwafaka ya kuongea na watu wengi pasi kuwepo kwa vikwazo vinavyoweza kuwanyima fursa wenzetu ambao hawakubahatika kielimu. Kitabu hili ni kwa ajili ya kila Mtanzania wa rika lolote, jinsia yoyote na wa kada yoyote – mwanasiasa au raia anayeichukia siasa, ‘mama ntilie’ au mwanasheria, mwanafunzi au mwalimu, nk

[Kenya Gazette](#) Mkuki na Nyota Publishers Fifty Years of Kiswahili in Kenya is a collection of articles that were presented at an international Kiswahili conference organized by the National Kiswahili Association (CHAKITA) Kenya in 2013,

which was held at the Catholic University of Eastern Africa (CUEA). A few articles are however from a similar conference held in 2012 at Kenyatta University. The book exemplifies the importance of the Kiswahili language in various sectors of society. Therefore, within this book you will find articles that focus on the teaching of the Kiswahili language; Kiswahili as a tool for national economic development; the contribution of Kiswahili to national cohesion and integration; Kiswahili research in language and literature; Kiswahili and portrayal of women; childrens literature in Kiswahili; and how Sheng affects Kiswahili. In short, the articles herein are a testimony of how Kiswahili has developed in the last fifty years in Kenya. This is a very important book for Kiswahili students and teachers. It is also an invaluable text for Kiswahili enthusiasts and all those who recognize its contribution to society.

Kitabu hiki kinajadili kwa kina kuhusu uchaguzi mkuu wa Rais, wabunge na madiwani nchini Tanzania, unaotarajiwa kufanyika mwezi Oktoba mwaka huu. Kilichonisukuma kuandikia kitabu hiki ni pamoja na ukweli kwamba nimekuwa mfuatiliaji wa karibu wa siasa za Tanzania. Licha ya uandishi wa makala za uchambuzi katika gazeti la kila wiki la Raia

Mwema, vilevile nimekuwa nikiandika masuala mengi kuhusu nchi yetu katika blogu yangu ya Kulikoni Ughaibuni. Vilevile mimi ni mwanafunzi wa stadi za siasa, na mara zote nimekuwa nikiamini kwamba njiamwafaka zaidi ya kuitumia elimu yangu ipasavyo ni kuitumikia nchi yangu kwa njia ya maongezi, aidha kupitia maandishi ya kwenye makala gazetini au bloguni au kwa makala za sauti ninzozitoa mara kwa mara. Ninasema 'meongezi' kwa vile mimi si mwandishi kitaaluma, na ninajitambulisha kama mfanya-maongezi (conversationalist) kuliko mwandishi. Kwahiyo, kitabu hiki ni sehemu namwendelezo wa maongezi hayo. Lengo la kitabu hiki si kumshawishi msomaji abadili itikadi yake au mtizamo wake kisiasa bali kufanya maongezi kuhusu uchaguzi huo muhimu kwa mustakabali wa nchi yetu. Iwapo maongezi hayo yatapelekea msomaji kubadili mtizamo wake, itakuwa ni jambo zuri japo si lengo langu. Kadhalika, kwa muda mrefu nimekuwa nikihubiri umuhimu wa wananchi kutambua fursa yao katika uongozi wa taifa. Kwa bahati nzuri, kila miaka mitano wananchi wanapata fursa ya kushirikia katika uongozi huo kwa njia ya

kura kwa Rais, wabunge na madiwani, sambamba na chaguzi za serikali za mitaa zinazojiri katikati ya kipindi hicho. Licha ya kuwa mwanafunzi wa stadi za siasa, kitabu hiki, kama zilizvyo makala zangu gazetini na bloguni, sio cha kitaaluma. Ni maongezi kati yangu na Mtanzania wa kawaida, awe mwenye shahada ya uzamifu kutoka chuo kikuu au mhitimu wa elimu ya msingi. Hii isitafsiriwe kama kukosa imani katika kujadili masuala mbalimbali kitaaluma bali nimeonelea kuwa ndio njia mwafaka ya kuongea na watu wengi pasi kuwepo kwa vikwazo vinavyoweza kuwanyima fursa wenzetu ambao hawakubahatika kielimu. Kitabu hili ni kwa ajili ya kila Mtanzania wa rika lolote, jinsia yoyote na wa kada yoyote - mwanasiasa au raia anayeichukia siasa, 'mama ntilie' au mwanasheria, mwanafunzi au Mwalimu, nk.

Colloquial Swahili Routledge

The idea for this book has grown out of an engagement with Mafia Island, Tanzania over the last forty-five years, during which time I have made seven research trips there, and published numerous articles and books. Some people on the island have become close friends, indeed quasi-kin, and I have been closely involved in

their lives. One such person, whom I knew when he was an adolescent back in 1965, was Mikidadi Kichange, who treated me as his older sister for all the years of our friendship, until his untimely death in 2002. Apart from our meetings when I was in Tanzania, he shared through regular letters his education, training in forestry, national service, marriage and the birth of two daughters, the care of many children of relatives, his employment and his founding of an NGO for the betterment of the island. Although Mikidadi never managed to return to full-time education as he had wished, he read widely in Swahili, English and Arabic. By the time of our last meeting in the summer of 2002, when we worked together for several months on Mafia, he had become a colleague and interlocutor, as well as a 'younger brother' and friend. Since his unexpected death in the autumn of 2002 at the age of 49 I have considered how he might be remembered by the writing of a book about his life which would also illustrate the profound changes which have taken place on Mafia Island, and in Tanzania more widely since independence. I would call this work biographical history,

as well as historical biography in which the lives of ordinary people reveal their struggles, constraints, and, as in this case, an extraordinary ability to overcome their circumstances.

Annual Report and Accounts John

Benjamins Publishing

First published in 1994, *Uongozi Wetu na Hatima ya Tanzania* deals with many serious problems facing Tanzanians then, mainly focusing on issues related to the Union - the integrity and stability of The United Republic of Tanzania. Specifically, the book discusses the challenges to the Union's existence which arose as a consequence of a series of unchallenged actions of doubtful validity under the

Union Constitution, which actions are even in direct contravention of the said Constitution; and the failure of the Union leadership to deal honestly, straightforwardly and firmly, with these matters. *Uongozi Wetu na Hatima ya Tanzania* explains the reasons for the original decision to establish a Two Government structure, emphasizing that, on 26th April 1964, two independent African states surrendered their sovereignty to one New Country - The United Republic of Tanzania and signed a Union Agreement to that effect. This was true for Tanganyika, which reserved no autonomy, so that from then onwards it neither has nor has have any separate government. It was equally true of Zanzibar, which does have a separate government with powers to deal with all those matters relating to Zanzibar which were not (then and since) transferred to the Union Government.

Uchaguzi Mkuu Tanzania 2015:

Magufuli vs Lowassa Evarist Chahali
This edited volume is about the rekindled investment in the figure of the first president Julius K. Nyerere in contemporary Tanzania. It explores how Nyerere is remembered by Tanzanians from different levels of society, in what ways and for what purposes. Looking into what Nyerere means and stands for today, it provides insight into the media, the political arena, poetry, the education sector, or street-corner talks. The main argument of this book is that Nyerere has become a widely shared political metaphor used to debate and contest conceptions of the Tanzanian nation and Tanzanian-ness. The state-citizens relationship, the moral standards for the exercise of power, and the contours of national sentiment are under scrutiny when the figure of Nyerere is mobilized today. The contributions

gathered here come from a generation of budding or renowned scholars in varied disciplines - history, anthropology and political science. Drawing upon materials collected through extensive fieldwork and archival research, they all critically engage the existing literature about Tanzania and prevailing political narratives to explore how nationhood is (re)imagined in Tanzania today through assent and contest.

Dokta John Pombe Magufuli: Safari ya Urais, Mafanikio na Changamoto katika Urais Wake

This book is the first full-length examination of the cultural politics at work

in the act of translation in East Africa, providing close critical analyses of a variety of texts that demonstrate the myriad connections between translation and larger socio-political forces. Looking specifically at texts translated into Swahili, the book builds on the notion that translation is not just a linguistic process, but also a complex interaction between culture, history, and politics, and charts this evolution of the translation process in East Africa from the pre-colonial to colonial

to post-colonial periods. It uses textual examples, including the Bible, the Qur'an, and Frantz Fanon's *Wretched of the Earth*, from five different domains – religious, political, legal, journalistic, and literary – and grounds them in their specific socio-political and historical contexts to highlight the importance of context in the translation process and to unpack the complex relationships between both global and local forces that infuse these translated texts with an identity all their

own. This book provides a comprehensive portrait of the multivalent nature of the act of translation in the East African experience and serves as a key resource for students and researchers in translation studies, cultural studies, post-colonial studies, African studies, and comparative literature.
