Freezer paper is a quilter's best friend! The fact that it has a shiny side that will adhere to fabric when ironed, then is easily removed, means that freezer paper has a multitude of wonderful possibilities. It makes applique easy. It eliminates the need to make all those paper patterns for foundation piecing. It makes hand piecing quicker and easier because there is no

need to trace templates onto the fabric. Machine or hand quilting can be quicker and more precise. And wonder of wonders, freezer paper makes it really easy to transfer photos onto fabric. This book has all the basic instructions plus 29 fun projects: My Flower Garden, Framed Stars, Cruising to Alaska, Mini Quilt Greeting Cards, Log Cabin Zoo, Take-Along Ohio Stars, Irish Chain Revisited, Christmas Stars & Angels, Tulips in the Garden, Quilted Memories, Christmas Trees, My Angel the Pug, The Finishing Touch, Blazing Blossoms, and Baxter the Boxer.
