500 Flash Cards to Help You Achieve a Higher Score

Barron's SAT Vocabulary Flash Cards is a test prep tool that presents 500 SAT high-frequency words, selected because they have appeared as key words in recent SAT reading passages and critical reading questions. Cards are alphabetically arranged in the box, with an extra place-marker card that students can use to gauge their word-learning progress. This vocabulary building flash card set enables SAT test takers to review words they might already know, as well as to master unfamiliar words they are likely to encounter both on the SAT and in their college courses.

Reading Workbook for the NEW SAT Standard Ebooks

Jane Austen turns sleuth in this delightful murder mystery set over the twelve days of a Regency-Era Christmas party. Christmas Eve, 1814: Jane Austen has been invited to spend the holiday with family and friends at The Vyne, the gorgeous ancestral home of the wealthy and politically prominent Chute family. As the year fades and friends begin to gather beneath the mistletoe for the twelve days of Christmas festivities, Jane and her circle are in a celebratory mood: Mansfield Park is selling nicely; Napoleon has been banished to Elba; British forces have seized Washington, DC; and on Christmas Eve, John Quincy Adams signs the Treaty of Ghent, which will end a war nobody in England really wanted. Jane, however, discovers holiday cheer is fleeting. One of the Yuletide revelers dies in a tragic accident, which Jane immediately views with suspicion. If the accident was in fact murder, the killer is one of Jane's fellow snow-bound guests. With clues scattered amidst cleverly crafted charades, dark secrets coming to light during parlor games, and old friendships returning to haunt the Christmas parties, whom can Jane trust to help her discover the truth and stop the killer from striking again?
