WordPress For Dummies Pearson Education

"His wide-ranging knowledge of the expat community is evident from the real-world examples make this book authentic. Written with the charming immediacy of someone who is passionate

about the lifestyle he has chosen and wants to make the advantages of living as an active retiree in the land of smiles available to others." - Superb Guide to Retirement in Thailand - By Ian D. Griffin: Brilliant: retirement in Thailand and making money to boot!!! - By Nick Ash. "This is a great book to show you how easy it is to make money in Thailand through many well thought out and well described ideas. it is a second great book to read after reading his "how to retire in Thailand" WANT TO KNOW... What to Do Before Coming to Thailand? What it costs to

live in Thailand? How to get a work visa in Thailand? Thailand's business pitfalls and opportunities? What kinds of money-making opportunities are available? How Thailand's business culture works. (Hint: not like ours). How to export from Thailand? What to export? Fifteen Ways to Start a Thai Business? What jobs are available in Thailand? What to pack and what to leave behind? Who you'll meet when you get here? How to meet other entrepreneurs in Thailand? Real Success Stories from Real People How to interact with the bureaucracy?

The Science of Power & How to Be Ruthless Morgan James Publishing

WordPress is a free easy to use, open-source Content Management System (CMS) Use it to create and publish an interactive stae of the art web site.--

Professional WordPress John Wiley & Sons

A no-nonsense guide to the ever-evolving tools of social media, this handbook details the nuts and bolts of the open-source internet by using real-world examples with dozens of screen shots for each subject. The companion CD provides links to resources, and directories of social websites in addition to forms and worksheets designed to map social media strategies. This practical, hands-on introduction to social media tools such as Facebook, YouTube, and Twitter helps grow brand recognition, improve and expand sales, and increase profits for business owners, professionals, musicians, and artists alike.

The Complete Idiot's Guide to WordPress Scrib

It is no secret that the future of the Internet is the Social Web and that the future is this very instant. Millions of people and businesses are interacting, sharing and collaborating on social

networking sites, media communities, social bookmarking sites, blogs and more. They are doing it right now, 24/7, and you and your business want to be a part of this powerful movement with as professional and efficient a presence as possible while keeping your expenses minimal. This book will show you how to use the tools of Web 2.0 to build a successful Web presence. From Squidoo to YouTube, Facebook to WordPress, wikis to widgets, blogs to RSS feeds, business owners, authors, publishers, students, PR and marketing professionals can learn to apply and integrate these tools by themselves. Gone are the days of relying on Web developers! This book arms you with the nuts and bolts of the new, open-source Internet through hands-on, real-world examples. You will be pleasantly surprised at how easy it is!

Making Money in Thailand John Wiley & Sons

Entrepreneurial Journalism will inspire you with what's possible and show you the mechanics behind building a business. Working through eight clear and concise stages, you'll explore the secrets of successful news startups (including how they're making money) and learn how to be an upstart yourself, building an innovative and sustainable news business from scratch. Each chapter starts with a real entrepreneur's experience, teasing out how savvy and opportunistic journalists found their way to success. Mark Briggs then helps you size up the market, harness technology, turn your idea into a product or service, explore revenue streams, estimate costs, and launch. "Build Your Business" action items at the end of each chapter get you thinking through each step of your business plan.
