1. Get good at small talk. Because you have anxiety disorder I imagine this is more important - if you're panicking when interacting with customers it's hard to get better technical aspects of the job (register/bar). The first couple of weeks are the hardest, because you don't know your customers yet.

Tips for struggling new starbucks baristas - A Guide for ... Starbucks offers many different milk options, including nonfat (also called skim), 1%, 2%, whole, and soy milk. Half and half, also referred to as breve (BREH-vay), heavy whipping cream, and vanilla soy milk are also available. Most Starbucks drinks are made with 2% low-fat milk, unless you ask for something else.

How to Understand the Starbucks Drinks Menu: Learn the ... Known as the "Starbucks Experience", this training includes an overview of the company's history and culture and Starbucks' strong social responsibility programs. Then new partners are introduced to the coffee itself, where it is grown, how it is harvested and roasted and how Starbucks treats its farmers.

The Starbucks Training Program - Why It is So Good! Dear Trainer, This guide has been created to help you train any new recruits to your team, whom will be associated with the Starbucks on the go. It could also be used to support with any refresher training required. This guide is to be used in conjunction with the Operator Manual and the Learning Journey Sign Off.

Starbucks on the go Starbucks puts new employees through a strict training regime in their first 2-4 weeks on the job. During this time, new recruits complete at least 24 hours of training. But unlike other retail food service operations, Starbucks' training doesn't focus exclusively on the mechanics of the position.
