### **A Detective Story** Spice Ebooks

With his genre-defining work, Space Raptor Butt Invasion, Chuck Tingle proved that even gay dinosaur erotica could be nominated for a Hugo Award, the most prestigious honor in science fiction. Nobody could have expected what would happen when the story continued. Collected here is the entire trilogy of

Chuck Tingle's history making Space Raptor Butt series. SPACE RAPTOR BUTT INVASIONSpace can be a lonely place, especially when you're stationed by yourself on the distant planet Zorbus. In fact, Lance isn't quite sure that can last the whole year before his shuttle pod arrives, but when a mysterious visitor appears at Lance's terraforming station, he quickly realizes that he might not be so alone after all. Soon enough, Lance becomes close with this mysterious new astronaut, a velociraptor. Together, they form an unlikely duo, which quickly begins

to cross the boundaries of friendship into something much, much more sensual. It's not gay if it's a man and a dinosaur, is it? SPACE RAPTOR BUTT REDEMPTIONAfter a year stationed on planet Zorbus, astronaut Lance Tanner and his raptor lover Orion return home to find that they are not greeted as heroes, but as villains. Unbeknownst to Lance, his space travels have been funded by the villainous Scoundrels Inc, a corporation that has deep ties to the illegal trade of unicorn tears and a destructive mining project at the core of the earth. Now Lance is on trial

for a number of false charges; from having connections to the wicked Scoundrels, to being too strange for space. The opposing lawyer argues that space is only for serious astronauts, and that love between a raptor and a man is giving space travel a bad name. Lance is arguing that there's room to be weird in space. More importantly, Lance is arguing for the idea of love itself; that just because something comes out of darkness doesn't mean it can't become a beacon of light. Of course, this all culminates in a hardcore dinosaur on astronaut pounding that will have your jaw on the courtroom floor! **SPACE RAPTOR BUTT ASCENSIONS** Soon after blasting off on their mission to find refuge for the people of Earth 1 on the dinosaur inhabited Earth 2, Orion and his space raptor lover Lance find a spaceship stow away, the notorious CEO of Scoundrels Inc, Vam Dox. Vam claims that his intentions are pure, but it's hard to trust such a sad, strange man. After landing in Hugona, the planet capital of Earth 2, our heroes restrain Vam Dox and head off to secure an important diplomatic relationship with the pterodactyl president, but that's when all hell breaks loose. Soon, Vam Dox is

storming the capital with a band of rabid dogs, and Lance and Orion are wrongly taking the blame! Fortunately, Lance and Orion know that the only cure for evil this strong is to prove their love in a hardcore gay encounter at the steps of the capital building. When the smoke clears, will Vam Dox be revealed as the super villain that he claims to be, or a meek, lonesome manbaby who is starved for attention? [Book Two of The Quintaglio Ascension](#) Spice Ebooks  
Six years after the secret disaster at Jurassic Park and the destruction of the dinosaurs, the dismantling of the park, and the closing of the island, rumors persist that some form of life has survived. *Mega Rex* Henry Holt and Company (BYR)

An American bioengineering research firm erects a theme park on a Caribbean island, complete with living dinosaurs, and invites a group of scientists to be its first terrified guests.  
*A Story of T-Rex and the Chipmunk* Scholastic Inc.  
Middle school readers can journey into the prehistoric world of tyrannosaurs and discover what it was like to excavate the world's largest T. rex skeleton.  
*Barnum Brown* Spice Ebooks  
Hugh Murphy's T-Rex Trying is a charming collection of 100 drawings from his wildly popular Tumblr feed of the same name. Though the T-Rex may struggle, you'll never struggle with finding dinosaur gifts again! This hilarious and perfectly giftable book is perfect for anyone who has ever wondered how a T-Rex could get anything done with such tiny arms. T-Rex Trying depicts the stubby-armed tyrant in a range of hilarious—yet pathos-inducing—activities that we humans take for granted. Murphy's 100 drawings include: T-Rex Trying to Paint His House T-Rex Trying to Use a Drive-Through ATM T-Rex Trying to Apply Sunscreen T-Rex

Trying to Break Into a Vending Machine T-Rex Trying to Ask for a New Roll of Toilet Paper from the Next Stall It's hard to be the Lizard King when you can't even change a light bulb. Looks like the ancient beast isn't so tough after all. No matter whether you're looking for: • White elephant gifts • Dinosaur gifts • Funny gifts • Gifts for mom • Gifts for dad • Gifts for children • Gifts for coworkers—this T-Rex will be sure to put a smile on the faces of your friends and family!

No T. Rex in the Library Meduas Editoriale Mother and child ponder the different ways a dinosaur can say goodnight, from slamming his tail and pouting to giving a big hug and kiss, in a picture book featuring ten sleepy dinosaurs which includes the names of each dinosaur on the end papers.

A Monster Romance Independently Published

Morgie's favorite dino, T-Rex, is missing, and Morgie thinks that his best friend Billy may have taken it. Once again, Tomie dePaola has written a funny and easy-to-read story about two of the hardest words in the English language—"I'm sorry."

**A Tyrannosaurus Named Scotty**

Indiana University Press

All of his friends have clever, scary costumes to wear for Halloween, but T. rex cannot decide what kind of costume to wear on Halloween night--the darkest, scariest night of the year.

Primitive War Harbour Publishing

Rex is the biggest and baddest of the dinosaurs: a Tyrannosaurus rex! But even the scariest creature can be scared, as delighted dino fans will discover from this warm, colorful story. Readers will realize there's plenty more to learn about this kind of dinosaur, and about themselves, through the friendly, achievable text and inviting illustrations.

**Pumped By A Pterodactyl** Scholastic Inc.

Finally, just the thing you've been waiting for - Dino Erotica with a story line.

Because character development is really, really important in Dino Erotica. Dionna Donalson is a 27-year-old champion rock climber, who likes things spicy in the bedroom. When she is offered \$10,000 to attend a secret meeting, she can hardly resist. She finds herself whisked away by private jet to the remote Bolivian Andes. She is met by the young, handsome

professor, Liam Tomlin. He reveals to her the world's greatest secret; a valley full of cloned dinosaurs. Professor Tomlin has a job for Dionna, a job only a woman with her expertise can manage; sneak into a Pterodactyl's nest and steal an egg. But Dionna is about to get a whole lot more Pterodactyl than she bargained for. This book features erotic dinosaur love.

Author's Note: If you're looking for a book with deep backstory, romantic elements, and strong world-building, this probably isn't the book for you. If, however, you want to read about a spunky girl taking it every which way with an array of reptilian beasts, you've come to the right place! erotica urban sci fi horror romantic adventure paranormal humor dark fantasy monsters short story free 2015 ebook monster dinosaur

T. rex and the Crater of Doom Random House Books for Young Readers

From a very young age, Sue Hendrickson was meant to find things: lost coins, perfume bottles, even hidden treasure. Her endless curiosity eventually led to her career in diving and paleontology, where she would continue to find things big and small. In 1990, at a dig in South Dakota,

Sue made her biggest discovery to date: Sue the T. rex, the largest and most complete T. rex skeleton ever unearthed. Named in Sue's honor, Sue the T. rex would be placed on permanent exhibition at the Field Museum of Natural History in Chicago. When Sue Found Sue inspires readers to take a closer look at the world around them and to never lose their brave, adventurous spirits.

*Helicopter Man Pounds Dinosaur Billionaire Ass* Villard

"My name is John Hams and I'm a sex addict." And so begins Dr. Chuck Tingle's first full length novel, *Helicopter Man Pounds Dinosaur Billionaire Ass*, a thrilling superhero origin story that will take you to the edge of gay erotic romance and stare bravely into the abyss. It is a story so powerful, so sensual, that it could change the very face of erotic literature forever. John Hams is a man who has lost it all, a nine-to-five nobody with an addiction to billionaire dinosaur bad boys. That is, until a freak accident at work imbues John with the ability to transform into an achingly handsome helicopter at will. Suddenly, things are looking up, as John uses his ability to woo the dashing stegosaurus

from his addicts group who just happens to have a thing for rugged aircrafts. But it's not long before John's new helicopter identity starts to spin out of control, taking on a personality of its own as the wild and horny Chibs Pratt, chopper with abs. Can John Hams become the hardcore gay hero that he is destined to be, or is this shifter bound to be nothing more than his own worst enemy? The room itself is massive, as well, with another set of windows that fill the far wall from floor to ceiling and look out towards the distant Hollywood Hills. It's a corner unit, providing two completely unique, but equally breathtaking, views. I slowly strut across the hardwood floors on my landing skids towards Yorb, enjoying the way that his yellow dinosaur eyes flicker and dance across my metallic body. At this point, he can't help but stare. Seductively, I give my blades a quick flash of speed and hover up onto the bed, then crawl towards him, eventually positioning myself directly over his body. I take Yorb's hands carefully with two blades and pull them above his head, controlling him completely as I make my way down his ripped chest and scaly abs with a series of sensual helicopter kisses.

*Wet Hot Allosaurus Summer* Independently Published

Eight-year-old Jack and his younger sister Annie find a magic treehouse, which whisks them back to an ancient time zone where they see live dinosaurs.

*M/F Dinosaur Erotica* Penguin

"THE ULTIMATE DINOSAUR BIOGRAPHY," hails *Scientific American*: A thrilling new history of the age of dinosaurs, from one of our finest young scientists. A *New York Times* Bestseller • Goodreads Choice Awards WINNER A BEST BOOK OF THE YEAR: *Smithsonian*, *NPR Science Friday*, *The Times* (London), *Popular Mechanics*, *Science News*, *Library Journal*, *Booklist*, and *Chicago Public Library* "A masterpiece of science writing." —*Washington Post* "This is scientific storytelling at its most visceral, striding with the beasts through their Triassic dawn, Jurassic dominance, and abrupt demise in the Cretaceous." —*Nature* The dinosaurs. Sixty-six million years ago, the Earth's most fearsome creatures vanished. Today they remain one of our planet's great mysteries. Now *The Rise and Fall of the Dinosaurs* reveals their extraordinary, 200-million-year-long story as never before. In this captivating

narrative (enlivened with more than seventy original illustrations and photographs), Steve Brusatte, a young American paleontologist who has emerged as one of the foremost stars of the field—naming fifteen new species and leading groundbreaking scientific studies and fieldwork—masterfully tells the complete, surprising, and new history of the dinosaurs, drawing on cutting-edge science to dramatically bring to life their lost world and illuminate their enigmatic origins, spectacular flourishing, astonishing diversity, cataclysmic extinction, and startling living legacy. Captivating and revelatory, *The Rise and Fall of the Dinosaurs* is a book for the ages. Brusatte traces the evolution of dinosaurs from their inauspicious start as small shadow dwellers—themselves the beneficiaries of a mass extinction caused by volcanic eruptions at the beginning of the Triassic period—into the dominant array of species every wide-eyed child memorizes today, T. rex, Triceratops, Brontosaurus, and more. This gifted scientist and writer re-creates the dinosaurs' peak during the Jurassic and Cretaceous, when thousands of species

thrived, and winged and feathered dinosaurs, the prehistoric ancestors of modern birds, emerged. The story continues to the end of the Cretaceous period, when a giant asteroid or comet struck the planet and nearly every dinosaur species (but not all) died out, in the most extraordinary extinction event in earth's history, one full of lessons for today as we confront a "sixth extinction." Brusatte also recalls compelling stories from his globe-trotting expeditions during one of the most exciting eras in dinosaur research—which he calls "a new golden age of discovery"—and offers thrilling accounts of some of the remarkable findings he and his colleagues have made, including primitive human-sized tyrannosaurs; monstrous carnivores even larger than T. rex; and paradigm-shifting feathered raptors from China. An electrifying scientific history that unearths the dinosaurs' epic saga, *The Rise and Fall of the Dinosaurs* will be a definitive and treasured account for decades to come. Includes 75 images, world maps of the prehistoric earth, and a dinosaur family tree.

**Don't Tickle the T-rex!** Ballantine Books

Fans can discover the beginnings of one of "Jurassic World's" most beloved characters--Claire Dearing (played by Bryce Dallas Howard)--in this original action-packed novel that fills in the gaps of Claire's past.

**Tyrannosaurus Rex, the Tyrant King** Macmillan

" PREHISTORIC PASSION In a modern-day world where dinosaurs and humans live side-by-side, college student Yuuma Asahikawa meets Churio, the girl of his dreams...who also happens to be a vicious, meat-eating, teeth-baring Tyrannosaurus Rex! Churio may be kind and curvy, but her sensibilities haven't evolved much past the Cretaceous Era, and when everything from stuffed animals to clothes become just another item on her menu, will Yuuma, let alone their relationship, survive? "

**A Sound of Thunder** Abrams

Little ones just won't be able to resist tickling the touchy-feely patches to hear each dinosaur make a sound before all the dinosaurs join to create a prehistoric medley with music!

**M/F Dinosaur Erotica** Penguin

The Auroch Tribe has been preyed upon by

the Rhinoceros Tribe for too long. In desperation, Layla--a young huntress of the Auroch Tribe--has traveled to the Valley of the Dinosaurs in order to carry out the sacred ritual given to her by her tribe's wise woman. If the ritual succeeds,

then Layla will gain the strength of the dinosaurs, and can finally crush the men who have been attacking her tribe. Little does Layla know the depths she'll have to go in order to make the ritual succeed, in this stunning tale of lust and

revenge set in a land of prehistoric wonders! Inspired by true events. Warning: This 10,000 word story contains graphic and unusual sexual encounters, and is not appropriate for readers under the age of eighteen.
