FINN RAFAEL

Change Your Home, Change Your Life Ryland Peters & Small
The third design book from the TV and social media star and author of *Habitat* and *Down to Earth*, *Feels Like Home* explores the emotional connection that a home can have to a person's life. A house is a feeling. That is the conceit behind designer Lauren Liess's third book, which explores the emotional connection between the way we decorate our homes and our daily lives. She advises readers to think beyond just the objects in their homes and explore how design informs an intentional, happy, and authentic life. The book includes practical design information, with never-before-seen case studies on a variety of homes including a beach cottage, a farmhouse, a home in the woods, a Spanish colonial, and other more traditional homes. Each case study explores a hardworking design aspect (such as proportion, scale, and color), while also focusing on the emotional aspect of the home. The chapters are inspired by the following themes: comfort, calm, excitement, belonging, carefree, love, and contentment.

House Colors Gibbs Smith

The first book from AD100 designer Veere Grenney—the master of streamlined, glamorous, classical rooms with an English touch—eloquently explores not only the hows but also the whys of decorating. Featuring thirty years of acclaimed interiors, paired with thoughtful advice and packaged with a real cloth case and mixed paper stocks, *A Point of View* is a rich album of Grenney's decorating work, from London townhouses to Long Island estates, with multiple images per page. Organized by room, these chapters feature Grenney's room-by-room decorating philosophy for entrances, living rooms, dining rooms, bedrooms, and kitchens, and explore thematic topics such as Englishness and composition and balance. Grenney also shares his own story, from his early years on the '70s London design scene to starting his own firm, from his first flat in London to his renovation of David Hicks' former house, the Temple, to his new holiday house in Tangier. There is also a chapter on the iconic designers who have inspired him. Whether it's a country house or an urbane apartment, Grenney's world is one of settled calm and welcoming comfort, where there are always generous fireplaces to sit in front of, billiard rooms and stone-flagged passages, and utility rooms where boots and coats are stored; grandeur and modesty side by side. This book is a must for Anglophiles and design lovers.

Grey Random House Digital, Inc.

This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up

your home. With two home renovations under their (tool) belts and millions of hits per month on their blog YoungHouseLove.com, Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas—both classic and unexpected—and more than 400 photographs and illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, "hack" your Ikea table to create three distinct looks, and so much more.

The Inspired Room Coloring Book Thomas Nelson Inc

Discover inspiration from the most colorful homes in America with this vibrant lookbook and style manual that brings the magic of color into your home—from the author of *Living with Pattern*. Personalizing your color palette may be one of the most important decisions you make in your home. The right combination of hues can set the mood and transform any room from ordinary to magical. Textile designer Rebecca Atwood invites you to take a color journey in this stunning yet practical guide. In *Living with Color*, you'll tour beautifully designed homes to see some of the most interesting uses of the rainbow and to gather inspiration for your own spaces. You'll train your eye to notice how color lives all around you, from the pink light bouncing off a building you see every day to the exact blue of the ocean on your last getaway. You can even learn how to express yourself through your own custom palette with Rebecca's accessible, illustrated overview of color theory. As you embark on your color hunt and begin to trust your own instincts, *Living with Color* will embolden you to breathe life into every part of your home.

Shades of Grey: Decorating with the most elegant of neutrals Penguin

Given its importance in analysing and influencing the world around us, an understanding of colour is a vital tool in any design process. Colour design provides a comprehensive review of the issues surrounding the use of colour, from the fundamental principles of what colour is to its important applications across a vast range of industries. Part one covers the main principles and theories of colour, focusing on the human visual system and the psychology of colour perception. Part two goes on to review colour measurement and description, including consideration of international standards, approval methods for textiles and lithographic printing, and colour communication issues. Forecasting colour trends and methods for design enhancement are then discussed in part three along with the history of colour theory, dyes and pigments, and an overview of dye and print techniques. Finally, part four considers the use of colour across a range of specific applications, from fashion, art and interiors, to food and website design. With its distinguished editor and international team of contributors, Colour design is an invaluable reference tool for all those researching or working with colour and

design in any capacity. Provides a comprehensive review of the issues surrounding the use of colour in textiles Discusses the application of colour across a vast range of industries Chapters cover the theories, measurement and description of colour, forecasting colour trends and methods for design enhancement *Mad About the House: 101 Interior Design Answers* Harper Collins The book of the UK's No.1 interiors blog, madaboutthehouse.com.Expanding on her award-winning blog, Kate Watson-Smyth shares a wealth of experience in home design to help you make the most of your space, be it a house, apartment or single room.Packed full of ideas and inspiration for every budget, work through your home room by room with Kate's expert and practical tips and tricks that ensure every corner reaches its maximum potential. As well as her top 10 design hacks, Kate reveals the rules of rug layout, explains how to buy a sofa, and shows you how to get the lighting right in every room. Learn how to decorate your home with style and confidence, select colours that work, make the most of small spaces and create the perfect zones for relaxation, entertaining and work – sometimes all in the same space.Whatever your style, Mad About The House is a must-have for anyone who is interested in interior design and who wants to make their house a home.

Veere Grenney: A Point of View Clarkson Potter

In Latin Style I show you how to use space, texture, and color to explore the brilliant nuances of Latin American décor and enjoy some of the most exciting attributes of a truly chic lifestyle. ?Juan Carlos Arcila-Duque Make every day a vivid celebration with Latin Style. Latin Style captures the spirit of the Latin aesthetic, the power of its details and traditions, and its unwavering, timeless chic in a rich montage of photos, concepts, and practical ideas for those who want to bring a Latin flair to their own homes and lives. Become inspired by the four distinct moods of Latin Style: Cabana evokes the cool of the ocean with endless white beaches, turquoise water, and tropical fruits. Hacienda is the old-world brick and stone elegance of ranches and country estates set in a rugged landscape. Paradiso embodies the lush abundance of the rainforest, overflowing with life of every kind. Pueblo reflects the sun-drenched colors of outdoor markets, folk art, colonial architecture, and quiet courtyards.

Young House Love Abrams

Interior designer Nancy Braithwaite's long-awaited first book is a striking tutorial in the power of simplicity in design. In the world of interior design, Nancy Braithwaite is known for her single-minded devotion to the principle that has guided her work for more than forty years: simplicity. Braithwaite's work is luxuriously minimalist, its beauty inextricably tied to its Shaker-like purity. While her work varies from art deco to country, the underlying

rules remain the same: every element should strive to be simple and powerful without compromise, and every room must have a level of power that comes from commanding scale, repetition of elements, subtleties of color, or the sheer beauty of forms. In Braithwaite's world, excess is not opulent. Simplicity is opulent. Braithwaite takes the reader deep into her singular vision. Divided into five sections, the book begins with her manifesto on simplicity and the aspects of design used to achieve it, including architecture, scale, color, texture, pattern, and composition. She then presents three categories of style—country, classic, and contemporary—and explains and illustrates each with iconic rooms from her portfolio. Finally, she presents several houses as case studies, displaying the power of these principles in action and emphasizing the importance of craftsmanship in design, from a stunning modern seaside retreat on Kiawah Island, South Carolina, to her unforgettable country house in Atlanta.

Mad About the House Ryland Peters & Small

A full-color room-by-room guide to some of the designer's best interiors--which draw on neutral colors and feminine forms--also includes checklists and expert advice for approaching interior design no matter what the room or the challenge.

Shades of Earl Grey Hearst

Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog My Scandinavian Home, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, Urban Living, features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the Country Homes tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular Rural Retreats include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to

escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader's reach.

The Scandinavian Home Ryland Peters & Small

A fireplace on wheels? A chandelier lit by Xerox? A shrink-wrapped designer closet? These are just a few of the more than 100 stylish and innovative projects in Janet Lee's Living in a Nutshell: a one-of-a-kind DIY decorating guide with fresh ideas to fool the eye into seeing—and believing—that even the most cramped little lair can hold more space and glamor than just the sum its of four walls. The design maven behind livinginanutshell.com and Oprah Winfrey's interior style producer for a decade, Janet Lee has personally handpicked a battery of clever projects for enhancing every area of a tiny living space—all are simple to do, require no craft skills, are emphatically affordable, readily portable, and big on style, so you can make these design dreams become your reality.

Moods HarperCollins

Self-acknowledged 'design junkies' Lucy St George and Jane Rockett launched their online interiors store in 2007. Ten years on, Rockett St George has revitalized the interiors market with their quirky, glamorous and distinctive collections.

House Beautiful Color Ryland Peters & Small

A vibrantly illustrated exploration of the creative, inclusive, and inspiring movement happening in today's Southern interior design The American South is a place steeped in history and tradition. We think of sweet tea, thick draws, and even thicker summer air. It is also a place with a fraught history, complicated social norms, and dated perspectives. Yet among the makers and artists of the South, there is a powerful movement afoot. Alyssa Rosenheck shines a much-needed spotlight on a burgeoning community of people who are taking what's beloved, inherent, and honored in the South and making it their own. The New Southern Style tours more than 30 homes and includes interviews with the designers, artists, and creative entrepreneurs who are reinventing Southern design and culture. This beautifully illustrated book is sure to inspire the home and soul.
