Quilt or Innocence Martingale

Every quilt tells a story. There is a universality in those stories as well as in the quilts themselves and the threads that hold them together. In the tradition of Erma Bombeck, Helen Kelley shares her tales of quilts and quilting with trademark charm and wit. This gifted storyteller gathers the snippings, threads, and scraps of everyday life and effortlessly stitches them together to create a narrative to which every quilter can relate. Each piece--from the humorous to the heartwarming--touches your soul and makes you smile, reminding you of your own passion for quilts and the stories they tell. Helen Kelley is an author, instructor, and lecturer, but she is, first and foremost, a quilter. For twenty years, this "Erma Bombeck" of the quilting world has parlayed her passion for all things quilt into her enormously popular "Loose Threads" column in "Quilter's Newsletter Magazine."

One of the most beloved novels of all time, Colleen McCullough's magnificent saga of dreams, struggles, dark passions, and forbidden love in the Australian outback has enthralled readers the world over. The Thorn Birds is a chronicle of three generations of Clearys—an indomitable clan of ranchers carving lives from a beautiful, hard land while contending with the bitterness, frailty, and secrets that penetrate their family. It is a poignant love story, a powerful epic of struggle and sacrifice, a celebration of individuality and spirit. Most of all, it is the story of the Clearys' only daughter, Meggie, and the haunted priest, Father Ralph de Bricassart—and the intense joining of two hearts and souls over a lifetime, a relationship that dangerously oversteps sacred boundaries of ethics and dogma.
