<p>For business leaders and managers who want well-trained, responsive, efficient, and effective employees, Onboarding helps you get the best from your new employees.</p> <p><u>January 2021</u> Thomas Nelson Award-winning speaker and business consultant Joey Coleman teaches audiences and companies all over the world how to turn a one-time purchaser into a lifelong customer. Coleman's</p>	<p>theory of building customer loyalty isn't about focusing on marketing or closing the sale: It's about the First 100 Days® after the sale and the interactions the customer experiences. While new customers experience joy, euphoria, and excitement, these feelings quickly shift to fear, doubt, and uncertainty as buyer's remorse sets in. Across all industries, somewhere between</p>	<p>20%-70% of newly acquired customers will stop doing business with a company within the first 100 days of being a new customer because they feel neglected in the early stages of customer onboarding. In <i>Never Lose a Customer Again</i>, Coleman offers a philosophy and methodology for dramatically increasing customer retention and as a result, the bottom</p>
--	--	--

line. He identifies eight distinct emotional phases customers go through in the 100 days following a purchase. From an impulse buy at Starbucks to the thoughtful purchase of a first house, all customers have the potential to experience the eight phases of the customer journey. If you can understand and anticipate the customers' emotions, you can apply a myriad of

tools and techniques -- in-person, email, phone, mail, video, and presents - - to cement a long and valuable relationship. Coleman's system is presented through research and case studies showing how best-in-class companies create remarkable customer experiences at each step in the customer lifecycle. In the "Acclimate" stage, customers need you to hold their

hand and over-explain how to use your product or service. They're often too embarrassed to admit they're confused. Take a cue from Canadian software company PolicyMedical and their challenge of getting non-technical users to undergo a complex installation and implementation process. They turned a series of project spreadsheets and

installation manuals into a beautiful puzzle customers could assemble after completing each milestone. In the "Adopt" stage, customers should be welcomed to the highest tier of tribal membership with both public and private recognitions. For instance, Sephora's VIB Rogue member welcome gift provides a metallic membership card (private recognition) and a members-only shade of lipstick (for public display). In the final stage, "Advocate," loyal customers and raving fans are primed to provide powerful referrals. That's how elite entrepreneurial event MastermindTalks continues to sell-out their conference year after year - with zero dollars spent on marketing. By surprising their loyal fans with amazing referral bonuses (an all-expenses paid safari?!) they guarantee their community will keep providing perfect referrals. Drawing on nearly two decades of consulting and keynoting, Coleman provides strategies and systems to increase customer loyalty. Applicable to companies in any industry and of any size (whether

measured in employee count, revenue, or total number of customers), implementing his methods regularly leads to an increase in profits of 25-100%. Working with well-known clients like Hyatt Hotels, Zappos, and NASA, as well as mom-and-pop shops and solo entrepreneurs around the world, Coleman's customer retention system has produced incredible results in dozens of

industries. His approach to creating remarkable customer experiences requires minimal financial investment and will be fun for owners, employees, and teams to implement. This book is required reading for business owners, CEOs, and managers - as well as sales and marketing teams, account managers, and customer service representatives looking for easy to

implement action steps that result in lasting change, increased profits, and lifelong customer retention.

Praise for Strategy-Driven Talent Management
"Silzer and Dowell's Strategy-

Driven Talent Management provides a comprehensive overview of the different elements of the best talent management processes used in organizations today. This is a valuable resource for leaders and managers, HR practitioners and anyone involved in developing leadership talent.” —Ed Lawler, Professor, School of Business, University of Southern California “Talent is the key to successful execution of a winning business strategy. Strategy-Driven Talent Management by Silzer & Dowell provides a thorough and very practical guide to building and managing talent based on the strategic needs of the organization. Business leaders will find this an excellent resource with many interesting examples and best practices from leading companies.” —Herbert L. Henkel, Chairman and Chief Executive Officer, Ingersoll Rand “Thanks to Strategy-Driven Talent Management, we can move from an attractive idea of talent management to practices that deliver. This book brings the work of practitioners—the people who are inventing, crafting, and shaping the field of talent management—to the forefront. Their

collective experiences and insights will certainly enrich your own research and practice.”
 —Cynthia McCauley, PhD, Senior Fellow, Center for Creative Leadership “It is exciting to see that Rob Silzer and Ben Dowell have given us the state of the art in 2010 of integrating human resource issues into strategic management. This volume is a must read for human resource and line leaders alike. The

journey is far from over, but this volume of work will chart the course for further progress.”
 —Noel Tichy, Professor, Management and Organizations, University of Michigan, Ross School of Business

 The ultimate guide for anyone wondering how President Joe Biden will respond to the COVID-19 pandemic—all his plans, goals, and

executive orders in response to the coronavirus crisis. Shortly after being inaugurated as the 46th President of the United States, Joe Biden and his administration released this 200 page guide detailing his plans to respond to the coronavirus pandemic. The National Strategy for the COVID-19 Response and Pandemic Preparedness breaks down seven crucial goals of President Joe

Biden's administration with regards to the coronavirus pandemic: 1. Restore trust with the American people. 2. Mount a safe, effective, and comprehensive vaccination campaign. 3. Mitigate spread through expanding masking, testing, data, treatments, health care workforce, and clear public health standards. 4. Immediately expand emergency relief and exercise the

Defense Production Act. 5. Safely reopen schools, businesses, and travel while protecting workers. 6. Protect those most at risk and advance equity, including across racial, ethnic and rural/urban lines. 7. Restore U.S. leadership globally and build better preparedness for future threats. Each of these goals are explained and detailed in the book, with evidence about the

current circumstances and how we got here, as well as plans and concrete steps to achieve each goal. Also included is the full text of the many Executive Orders that will be issued by President Biden to achieve each of these goals. The National Strategy for the COVID-19 Response and Pandemic Preparedness is required reading for anyone interested in or concerned about the COVID-19

pandemic and its effects on American society.

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors

that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that

can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be

inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to:

- make time for new habits (even when life gets crazy);
- overcome a lack of motivation and willpower;

- design your environment to make success easier;
- get back on track when you fall off course;
- ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits-- whether you are a team looking to win a championship, an organization hoping to redefine an industry, or

simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Transitions

are a critical

leaders. In

fact, most

agree that

moving into a

new role is the

biggest

challenge a

manager will

face. While

transitions

offer a chance

to start fresh

and make

needed

changes in an

organization,

they also

place leaders

in a position of acute vulnerability. Missteps made during the crucial first three months in a new role can jeopardize or even derail your success. In this updated and expanded version of the international bestseller *The First 90 Days*, Michael D. Watkins offers proven strategies for conquering the challenges of transitions—no matter where you are in your career. Watkins, a noted expert

on leadership transitions and adviser to senior leaders in all types of organizations, also addresses today's increasingly demanding professional landscape, where managers face not only more frequent transitions but also steeper expectations once they step into their new jobs. By walking you through every aspect of the transition scenario, Watkins identifies the most common pitfalls new leaders

encounter and provides the tools and strategies you need to avoid them. You'll learn how to secure critical early wins, an important first step in establishing yourself in your new role. Each chapter also includes checklists, practical tools, and self-assessments to help you assimilate key lessons and apply them to your own situation. Whether you're starting a new job, being promoted from within,

embarking on an overseas assignment, or being tapped as CEO, how you manage your transition will determine whether you succeed or fail. Use this book as your trusted guide. *The New Leader's 100-Day Action Plan* Simon and Schuster This Harvard Business Review collection, featuring the work of celebrated author and advisor Michael D. Watkins on leadership transitions,

includes the international bestseller *The First 90 Days*, Updated and Expanded as well as the 2012 Harvard Business Review article, "How Managers Become Leaders." *Born to Rise* Corwin Press This book focuses on the steps a new business owner must take in the first 100 days of starting a business to establish a lasting and successful enterprise. If you're thinking of opening up

your own business, you'll need this book. This is a hands-on book that focuses on the tasks that you or any new business owner must complete in the first 100 days of launching a business. Think of it this way: Imagine you've conceived a business idea, written a business plan, raised seed capital, and are set to launch your business on October 1. Now, what would you actually do on

October 1,
 October 2,
 October 3,
 and so forth?
 How would
 you set your
 priorities?
 How would
 you know
 which tasks
 are the most
 urgent?
 Although the
 answers to
 these
 questions vary
 depending on
 the business,
 there are a set
 of key
 activities that
 all businesses
 must
 accomplish to
 get their
 businesses off
 to a good (and
 legally proper)
 start. This
 book provides
 examples that
 include

securing
 proper
 business
 licenses and
 permits;
 setting up a
 bookkeeping
 system;
 negotiating a
 lease; buying
 insurance;
 entering into
 contracts with
 vendors;
 recruiting and
 hiring
 employees;
 and making
 the first sale.
 Broader issues
 such as
 developing a
 business
 model and
 building a
 brand will also
 be touched
 upon, but the
 primary focus
 of this book is
 getting you
 focused on the

practical
 issues that
 you'll need, as
 a new
 business
 owner, to
 accomplish,
 and
 accomplish
 correctly, and
 to get your
 business off to
 a good start.
 To help you
 prioritize and
 track the
 activities that
 must be
 completed at
 the onset of a

 book will
 teach you how
 to set up a
