An erotic romance...told entirely through text messages. The words he typed were never meant to be read, yet they found their way to her. Two wounded strangers, prisoners of their own lives, brought together by a wayward text. Without ever hearing each other's voices, a friendship blooms between them. Without ever seeing each other's faces, an attraction grows. Without ever touching, the two become lovers. But when words suddenly aren't enough, will this bond be able to tear down the walls that keep them apart...or was it only ever fantasy?

Except she's not so little

anymore. And Gabe has waited a long time to act on his desires. Gabe has starred in Mia's fantasies more than once. So what if he's fourteen years older? Mia knows he's way out of her league, but her attraction has only grown stronger with time. She's an adult now, and there's no reason not to act on her most secret desires. As Gabe pulls her into his provocative world, she realizes there's a lot she doesn't know about him or how exacting his demands can be. Their relationship is intense and obsessive, but as they cross the line from secret sexual odyssey to something deeper, their affair runs the risk of being exposed—and vulnerable to a betrayal far more intimate than either expected.

A memorable night of passion refuses to stay just a memory in this sizzling and scandalous romance from bestselling author T L Swan. I was upgraded to first class on a flight from London to New York. The food, champagne, and service were impeccable—the blue-eyed man sitting next to me, even better. He was smart, suave, and sexy. We talked and flirted—and though the plane was unexpectedly grounded, we still felt sky high in each other's company. We danced and laughed our way around Boston...and had a night of crazy passion that no woman could forget. That was twelve months ago, and I haven't heard from him—until today. I started a new job and met the CEO. Imagine my surprise when I saw those naughty blue eyes gazing at me from behind his mahogany desk. But I'm not that carefree girl anymore. I have a boyfriend now, and responsibilities. Now he wants to see me in his office for a private meeting. How can I resist?
