HAMILTON HOLDEN

The Windsor Diaries HarperCollins UK

Our bestselling series is fit for a queen! The life of Queen Elizabeth I was dramatic and dangerous: cast out of her father's court at the age of three and imprisoned at nineteen, Elizabeth was crowned queen in 1558, when she was only twenty-five. A tough, intelligent woman who spoke five languages, Elizabeth ruled for over forty years and led England through one of its most prosperous periods in history. Over 80 illustrations bring 'Gloriana' and her court to life.

The Young Queen of Hearts; a Story of the Princess Elizabeth and Her Brother Henry, Prince of Wales Houghton Mifflin Harcourt

A book curated for the fans of English royals and their magnificent life, to satiate the hunger for the intimate details of one of the last greatest monarchies and the world's most popular monarch, Queen Elizabeth II. From a carefully planned and disciplined childhood to the unexpected ascension to the throne, from falling head over heels for a blue-eyed European foreigner to an unbelievably long and committed married life, from the way the monarch has stood the test of time since the second world war, England's longest-serving Queen has made it abundantly clear that she is here to stay and she will discharge her commitments like a sacred vow she has made with the Almighty. Prince Philip and Queen Elizabeth's love story is as remarkable as her life as the monarch. In this book a reader will meet the young Princess Elizabeth, how life was for her in the royal household, how her days were spent with her sister Princess Margaret during the war, how the shy teenager Princess Elizabeth fell in love with a foreigner Prince of Greece, how she became heiress presumptive when her uncle abdicated, how there was a shift in power dynamics that even fractured her relationships with her own family, what price the young wife of a naval officer had to pay to become the Queen of England, and finally how she survived all the unexpected twists and turns that life as a Queen presented before her. Prince Philip had to forsake a lot more than he had imagined when he married the Princess and later on when his wife became the Queen. From his name and royal titles to a promising naval career, from his family to his privacy, and yet he stayed with the Queen through thick and thin. The book covers the relationship between the Queen Mother and her daughters, the forbidding trio whom even Prince Philip was wary of. Buy the book to read more about the royals and their life, how Princess Margaret suffered from being in the shadows of her sister all her life, how Prince Philip coped with being the second fiddle to his wife, how the children of the reticent Queen had a rather lonely childhood, how their lives are equally flawed like each one of us despite being the royals because in the end the royals is also a family and no family is perfect.

Queen Elizabeth I Penguin

We can hardly imagine a Britain without Elizabeth II on the throne. It seems to be the job she was born for. And yet for much of her early life the young princess did not know the role that her future would hold. She was our accidental Queen. Elizabeth's determination to share in the struggles of her people marked her out from a young age. Her father initially refused to let her volunteer as a nurse during the Blitz, but relented when she was 18 and allowed her to work as a mechanic and truck driver for the Women's Auxiliary Territorial Service. It was her forward-thinking approach that ensured that her coronation was televised, against the advice of politicians at the time. Kate Williams reveals how the 25-year-old young queen carved out a lasting role for herself amid the changes of the 20th century. Her monarchy would be a very different one to that of her parents and grandparents, and its continuing popularity in the 21st century owes much to the intelligence and elusive personality of this remarkable woman.

Queen Elizabeth's Daughter Bloomsbury Publishing USA

The ideal gift for royal fans. This is the story of a life dedicated to public service, reported by The

Times as it unfolded. From her time as a young princess to that as an internationally admired head of state, Queen Elizabeth has always fascinated and intrigued.

Who Was Queen Elizabeth I? Houghton Mifflin Harcourt

Elizabeth I is perhaps England's most famous monarch. Born in 1533, the product of the doomed marriage of Henry VIII and Anne Boleyn, Elizabeth was heir to her father's title, then disinherited and finally imprisoned her half sister Mary. Her childhood was one of fear and danger, she was aware from the outset that the eyes of the world were upon her and that to survive she would have to rely on her own judgement and strength of character. Many tried to use her for their own ends, however she rose out of the shadows and on the death of her sister, she became Gloriana - England's most iconic queen.

In Royal Service to the Queen Macmillan

The haunting story of the mother of the Tudors, Elizabeth of York, wife to Henry VII. Beautiful eldest daughter of Edward IV and Elizabeth Woodville - the White Queen - the young princess Elizabeth faces a conflict of loyalties between the red rose and the white. Forced into marriage with Henry VII, she must reconcile her slowly growing love for him with her loyalty to the House of York, and choose between her mother's rebellion and her husband's tyranny. Then she has to meet the Pretender, whose claim denies the House of Tudor itself.

Our Young Queen Allison & Busby

As the daughter of the fallen Anne Boleyn, young Princess Elizabeth lives a complicated and dangerous life. She fears her father Henry VIII's famous temper, and she knows that Princess Mary is not only her sister but also her rival. Court intrigue swirls around the young princess, and she is forced at an early age to distinguish friend from foe.

Elizabeth the Queen Scarecrow Press

The never-before-published diaries of Alatheia Fitzalan Howard—who spent her teenaged years living out World War II in Windsor Great Park with her close friends Princess Margaret and Princess Elizabeth, the future queen of the United Kingdom—provide an extraordinary and intimate look at the British Royal Family. Like so many others in Great Britain, young Alatheia Fitzalan Howard's life was turned upside down by the start of the Second World War. Sent to stay with her grandfather at the historic Cumberland Lodge in Windsor Great Park, Alatheia found the affection she so craved through her close friendship with the two princesses Elizabeth and Margaret, and their parents King George VI and Queen Elizabeth, her neighbors at nearby Windsor Castle. Together, the girls enjoyed parties, cinema evenings, picnics, and more, all recorded in honest and captivating detail in Alatheia's diary, which she kept as a constant source of comfort. Day by day, from ages sixteen to twenty-two, she recorded the intimate details of her life with the Royal Family and the anxieties of wartime Britain. Now, published for the first time, these unique diaries unveil a candid and vivid portrait of the British Royal Family and of Princess Elizabeth in particular, the warm, quiet young girl who was already on her journey to her ultimate destiny: the Crown.

The Young Queen Random House

How did a little girl who loved horses become the longest reigning monarch in England? Find out in this addition to the #1 New York Times best-selling Who Was? series! In 1936, the life of ten-year-old Princess Elizabeth of York changed forever. Although she was a member of the British Royal Family, she never expected to become queen. But when her uncle Edward gave up the throne, suddenly her father was the new king, which meant young Elizabeth was next in line! Queen Elizabeth reigned for seventy years, and while there were palaces galore, the crown jewels, and trips around the world, her life was one of strict discipline and duty. This riveting chronicle follows the life of a woman who was both a public figure and an intensely private person and explores how she kept the monarchy together through good times and bad.

My Story: Elizabeth The History Press

As a 13-year-old girl, Princess Elizabeth fell in love with Prince Philip of Greece, an ambitious naval cadet, and they married when she was 21. When Elizabeth suddenly became Queen at 25, their lives changed forever... With previously unpublished material and unique interviews with friends and relations, this book looks afresh at her life as princess, glittering yet isolated. Letters from Elizabeth and the royal family give an intimate insight into their lives and minds. Vivid detail and anecdotes reveal more about her, the era in which she grew up and the people who shaped her life. The love and stability her parents provided, and the presence of her mother's family, Bowes-Lyon, with their creativity and eccentricities, gave her a solid background from which to draw during the rapidly changing times of her long reign. This book tells the story of a young princess becoming a Queen. Praise for Jane Dismore: 'Fascinating. Jane Dismore's spellbinding account of the young Elizabeth II is packed with rich new research - a gripping read' - Jane Ridley, author of *The Heir Apparent: A Life of Edward VII* 'Excellent researched and interesting' - Sarah Bradford, author of *Elizabeth: A Biography of Her Majesty the Queen* Jane Dismore has written for *The Times* and *The Telegraph* and many magazines including *History Today*. She also contributes to historical and royal websites. A former solicitor, in 2013 she left the law to write full-time. Her books include *Duchesses: Living in 21st Century Britain* and *The Voice From the Garden*.

Royal Sisters Twenty-First Century Books

Focuses on the childhood of the queen who, during her forty-five-year reign, changed England from a minor country into a world power.

Young adult readers have special needs and concerns, and librarians have become increasingly interested in selecting books suitable for them. This reference provides information about 290 books for young adults. These books received major awards between 1997 and 2001, reflect the voices of 242 different authors, and range from new to familiar themes. Included are nearly 750 alphabetically arranged entries for individual works, authors, characters, and settings. Many of these books were originally written for adults but have become popular among younger readers. Entries for works provide plot summaries and critical assessments, while author entries focus on those aspects of the writers' lives most relevant to literature for young people. The reference is a valuable selection tool for librarians and teachers and a useful guide for students.

[The Young Elizabeth](#) Penguin

From Anne Barnhill, the author of *At the Mercy of the Queen*, comes the gripping tale of Mary Shelton, Elizabeth I's young cousin and ward, set against the glittering backdrop of the Elizabethan court. Mistress Mary Shelton is Queen Elizabeth's favorite ward, enjoying every privilege the position affords. The British queen loves Mary like a daughter, and, like any good mother, she wants her to make a powerful match. The most likely prospect: Edward de Vere, Earl of Oxford. But while Oxford seems to be everything the queen admires: clever, polished and wealthy, Mary knows him to be lecherous, cruel, and full of treachery. No matter how hard the queen tries to push her into his arms, Mary refuses. Instead, Mary falls in love with a man who is completely unsuitable. Sir John Skydmore is a minor knight with little money, a widower with five children. Worst of all, he's a Catholic at a time when Catholic plots against Elizabeth are rampant in England. The queen forbids Mary to wed the man she loves. When the young woman, who is the queen's own flesh and blood, defies her, the couple finds their very lives in danger as Elizabeth's wrath knows no bounds.

Young Elizabeth Houghton Mifflin Harcourt

NEW YORK TIMES BESTSELLER • This "excellent, all-embracing" (The New York Times) biography of Queen Elizabeth II is a magisterial study of the woman known only from a distance—and a captivating window into her decades-long reign. From the moment of her ascension to the throne in 1952 at the age of twenty-five, Queen Elizabeth II was the object of unparalleled scrutiny. But through the fog of glamour and gossip, how well did we really know the world's most famous monarch? Drawing on numerous interviews and never-before-revealed documents, acclaimed biographer Sally Bedell Smith pulls back the curtain to show in intimate detail the public and private lives of Queen Elizabeth II, who led her country and Commonwealth through the wars and upheavals of the last twentieth and twenty-first centuries with unparalleled composure, intelligence, and grace. In *Elizabeth the Queen*, we meet the young girl who suddenly becomes "heiress presumptive" when her uncle abdicates the throne. We meet the thirteen-year-old Lilibet as she falls in love with a young navy cadet named Philip and becomes determined to marry him, even though her parents prefer wealthier English aristocrats. We see the teenage Lilibet repairing army trucks during World War II and standing with Winston Churchill on the balcony of Buckingham Palace on V-E Day. We see the young Queen struggling to balance the demands of her job with her role as the mother of two young children. Sally Bedell Smith brings us inside the palace doors and into the Queen's daily routines—the "red boxes" of documents she reviewed each day, the weekly meetings she had with

twelve prime ministers, her physically demanding tours abroad, and the constant scrutiny of the press—as well as her personal relationships: with her husband, Prince Philip, the love of her life; her children and their often-disastrous marriages; her grandchildren and friends.

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1898 edition. Excerpt: ...no doubt. Get the tabby up and put her in." Ray's voice was now sleepy, and Katharine resumed her knocks. "Prithree, come, Ray, and look into the cupboard. Do be kind." Ray dashed out of his low pallet, and went with his sister into her room, pushing open the cupboard door and saying, --"Now, are you pleased to have woke me up for naught? There isn't even a mouse." "Ray, I am scared at every sound; prithree, try the Ray obeyed, turning the latch and trying to force it open, to assure his sister it was all right. But the frost had fastened it more securely than any latch, and Ray, turning it with a click and pushing against the iron frame with his strong young hands, said, --latch of the casement." "Now, have no more megrims, Kate. You'll be thinking you see a ghost next. I thought you were not a chicken-heart. What ails you?" "I don't know," Katharine said, as she sat down on the edge of her bed and said, --"Good-night, Ray; it was good of you to come. I might have knocked at Bertram's door all night before he would have answered. Good-night!" CHAPTER IX. TROUBLE IN THE AIR. KATHARINE EDMONDS found favour not only with the little Princess and Lady Anne Dudley, but with Lady Dunkerrant, who had at first discouraged the idea of her being taken into Her Highness's already large house hold. But Katharine could win favour wherever she chose, T he Young Queen of Hearts. 1 and was so clever with her hands, so full of spirit, and above all so determined to hold on to the position she had coveted, that before the winter's snows had melted and spring had come she had been established permanently as one of Lady Dunkerrant's...

The White Princess Atria Books

This book advocates for a stronger role for young-adult literature in ELA classrooms, compellingly documenting how this body of work meets both the needs of adolescent students and the demands of the common core for complex texts and tasks. Integrating Young Adult Literature through the Common Core Standards provides a compelling template for teachers that uses young adult literature and inquiry learning to meet students' needs and the demands of the common core standards. The first part of the book addresses the widely adopted common core state standards by examining closely the standards' model of text complexity and demonstrating how young adult literature can fill the requirements of this model. The second part provides theoretical discussions and analysis of the standards as well as concrete applications of young adult literature within the classroom in order to give school professionals a comprehensive understanding of how young adult literature and the standards can work together. The book empowers schools and teachers to make intelligent, informed decisions about texts and instructional practices that benefit their students. Finally, the authors explore a powerful teaching approach that integrates current understandings about learning, young adult literature, and the common core standards in a way that will facilitate greater learning and understanding in English classrooms.

Beware, Princess Elizabeth Simon and Schuster

After the death of her father, King Henry VIII, thirteen-year-old Elizabeth must endure the political intrigues and dangers of the reigns of her half-brother Edward and her half-sister Mary before finally becoming Queen of England.

The Real Elizabeth Simon and Schuster
