Hundreds of years before Billings was the thriving metropolis we know today, it was a medieval kingdom a sword and sorcery; a fantastical land where dragons lurked within deep caverns, guarding troves of ice cold chocolate milk, and misplacer beasts roamed the forest as unsuspecting victims misplace their things. It is within this fantasy world that you find yourself called upon

by King Rolo, a sentient twenty-sided die who's heard tale of a great role-player destined to bring peace to the kingdom. He presents you with several routes toward your destiny: like that of a ferocious warrior or a mysterious wizard. But is there yet another path lying just beyond the fourth wall? Is this fantasy realm your true reality, or is the darkness that sweeps across medieval Billings caused by your role-playing group falling apart on a nearby timeline? Will you defeat the unicorn necromancer and his army of sentient undead character sheets? Can you trust the bumblebeeholder who's buzzed into your

life with a thirst for battle? The decision is yours!

Chuck's Dinosaur Tingleers: BEYOND BOOKS HUB

Jill is an ambitious woman with money, power, and success. But what she doesn't have is a romantic lover who is strong enough to overpower her, ravish her, and fulfill her deepest cravings and forbidden desires. She comes to know that no human lover could provide that. It would take a beast from prehistory, a giant dinosaur, to fill her up the way she needs to be filled. Little does she suspect that an appointment with her therapist would culminate in a journey to a savage world in which giant beasts rule. A certain triceratops becomes her protector, but she soon yearns for more from this dinosaur. A lot more. Please be

advised that this tale contains extreme and explicit dinosaur-on-lady action.

**The Triceratops Who Loved Me**

Simon and Schuster

Chuck Tingle, a writer who defined a generation with his sensual brand of homoerotic thriller, is back with a three-book collection that has been heralded by Death And Taxes Magazine as "a transhumanist masterpiece." What begins as the simple story of a man's true love for a gay unicorn sailor quickly evolves into something else entirely, each tale pulling farther and farther out to reveal a breathtaking glimpse at the greatest author of our time. Like a butt within a butt within butt, this trilogy will have your perception of time and space turned completely upside down in total buttception. Welcome to the future of

literature. ANALLY YOURS, THE UNICORN SAILOR Out for a stroll after breaking up with his girlfriend, Tuck never could have imagined that he would meet the love of his life in the form of a gay unicorn sailor named Hunter, but that's exactly what happens. The two share a romantic evening until it's revealed that Hunter is about to embark on a year long sail around the world. However, their love remains strong in a series of explicit letters. But Hunter is planning something that will redefine the meaning of love between a man and a unicorn. Soon Tuck finds himself whisked away to the Bahamas on a private helicopter for a hardcore, anal surprise that will have your jaw on the floor. POUNDED IN THE BUTT BY MY OWN BUTT Kirk is a scientific researcher on the leading edge of

cloning technology, but his team has reached a standstill. In an effort to stabilize rapid clone growth, researchers have been taking DNA from various parts of their bodies and combining it with small amounts of animal DNA. But when the scientists combine samples from Kirk's butt, brain, and a hawk, the resulting effect is a handsome, living ass who immediately sweeps Kirk off of his feet over a candlelit dinner for two. Kirk has finally found a lover that truly understands him at his very core... his own gay ass! POUNDED IN THE BUTT BY MY BOOK "POUNDED IN THE BUTT BY MY OWN BUTT" Buck Trungle is a world famous writer who is sick and tired of living in the shadow of his own books. But when his most recent novel, "Pounded In The Butt By My Own Butt"

contacts him out of the blue and threatens a lawsuit, it's a fear that Buck must now face head on. Buck's novel is looking to collect royalties on sales of himself, and Buck's lawyer is urging the writer to settle out of court, but when author and book finally meet face-to-face things take a turn for the erotic. Soon enough, Buck is selling himself to seal the deal with this sentient novel, but can he give his ass away without giving a piece of his heart, as well?

Leigh has a serious problem. And it's the sick, twisted pervert who's kidnapped her for his own pleasure! Chad! When Leigh spurns his advances at a party he throws in her honor, Chad goes haywire and kidnaps her, stealing her away to his

personal New England Patriots Shangri-La, a secret Man Cave hundreds of feet below sea level he affectionately calls his "Chadmiral's Quarters." Leigh awakens to a strange NFL-and-BDSM-infused nightmare. Chad is obviously off the deep end with lust for her, and while naked, Leigh is tantalized to see he is a very built and attractive man. But now that Chad has her in his grasp he has some very "unique" ideas about how they should spend their time together. He's going to teach Leigh, this "Touchdown Queen," about a side of Gronk she's never experienced before... whether she want to learn it or not! It is a lesson that will make Leigh squirm with pain and with pleasure. Leigh cries out! But is it with ecstasy she cries out? Is she starting to like what Chad has to

offer? Complicating things? With Dan? With Gronk? With her etsy store? With her very soul? Really, how many times in life has the sequel been better than the original? Well, let me tell you: THIS is one of those times. "A Gronking to Remember 2: Chad Goes Deep in the Neutral Zone" is so dark and twisted, so devious, so hot and thought-provoking, so full of plot twists and surprises, it makes the first book in the series, the best-selling "A Gronking to Remember," look like A PIECE OF SHIT. So read what everyone is talking about. The saga continues! And have no reservations: "Chad Goes Deep in the Neutral Zone" is no sophomore slump... It is a verified sophomore SLAM. Warning: Contains some sexually graphic scenes as well as the misuse of American footballs that

will leave you wet, hard and everything in between. Sports (Part Deux)!

Chuck Tingle is a world-renowned master of the 'tingler'; a story so sensual, so erotic, and so powerfully gay that it will change the whole way you look at erotic romance literature. Collected here are three such tales of the dinosaur variety. Are you ready to depart on a depraved journey of gay lust that will tingle you to your very core? If so, than this explicit collection is for you. DOMALD TROMP POUNDED IN THE BUTT BY THE HANDSOME RUSSIAN T-REX WHO ALSO PEED ON HIS BUTT AND THEN BLACKMAILED HIM WITH THE VIDEOS OF HIS BUTT GETTING PEED ON. Millionaire real estate tycoon Domald Tromp was born into wealth and, because of this,

he's grown thirsty for something more from life; something a little darker, a little weirder, a little more taboo. To satiate these cravings of the forbidden, Domald has embarked on one of his usual trips to Russian. Little does he know that this particular vacation will change his life forever. Followed around by a camera crew from the Buttz Carlton Hotel, Domald turns Moscow upside down; sampling some illegal unicorn horn cuisine and hiring a handsome gay T-Rex prostitute. But when Domald suggests the handsome dinosaur pee on his butt, a political scandal begins to unfold unlike anything in the history of hardcore anal pounding! SLAMMED IN THE BUTT BY THE PREHISTORIC MEGALODON SHARK AMID ACCUSATIONS OF JUMPING OVER

HIMAfter Morn Mince has a little too much chocolate milk at dinner, he suddenly finds himself waking up with a splitting headache and no recollection of what happened the night before. Unfortunately, the last place he remembers heading was towards the waterfront, and the daily news has reports of an unknown man repeatedly jumping over a prehistoric Megalodon shark in the bay (which was funny at first, but now the jump is getting old). Suddenly a wanted man, Morn heads down to talk to the ancient Carcharodon Megalodon himself, a handsome brain surgeon sea beast named Perks Yono. At first, Morn is simply trying to avoid the standard shark jumping punishment of cultural exile, but soon enough him and Dr. Yono begin to

realize that what defines a jump is in the eye, and butt, of the beholder. Of course, all of this culminates in a hardcore anal pounding that will shake you to your very core. BUTT BUTT LAND: RYAN GOSLINS AND THE CITY OF BUTTS Feeling defeated after a particularly bad meeting with his writing agent, Horpin finds himself wandering home through Hollywood, the city of butts. Life is hard when you're living in a musical, especially when all you want to write is erotica, and Horpin has learned this the hard way. But when Horpin hears a beautiful song drifting out from inside a nearby jazz club, he has no idea that his life is about to change forever. Soon enough, Horpin finds himself on a runaway romance with Ryan Goslins, a bad boy musician T-Rex who is about to

show him that musicals and butt pounding can coexist. Now locked in the troughs of passion, Horpin and Ryan are about to show Hollywood that love between a dinosaur and a man is as real as it gets, with a show stopping dance number that will have you hard as rocks and begging for more.

Toby's getting married! Now in  
paperback, the fifteenth novel of the  
Hugo-nominated, New York Times-

bestselling October Daye urban fantasy series. It's hard to be a hero. There's always something needing October "Toby" Daye's attention, and her own desires tend to fall by the wayside in favor of solving the Kingdom's problems. That includes the desire to marry her long-time suitor and current fiancé, Tybalt, San Francisco's King of Cats. She doesn't mean to keep delaying the wedding, it just sort of...happens. And that's why her closest friends have taken the choice out of her hands, ambushing her with a court wedding at the High Court in Toronto. Once the High King gets involved, there's not much even Toby can do to delay things... ...except for getting involved in stopping a plot to overthrow the High Throne itself, destabilizing the Westlands entirely, and

keeping her from getting married through nothing more than the sheer volume of chaos it would cause. Can Toby save the Westlands and make it to her own wedding on time? Or is she going to have to choose one over the other? Includes an all-new bonus novella!
