## RHODES LANG

---

### **Manifest** Simon and Schuster

From New York Times bestselling authors r.h. Sin and Robert M. Drake with bestselling poet Samantha King Holmes comes an ode for all women. This is the time to look into the mirror and see everything you've been fighting for. Yourself, a peace of mind, and everything your heart deserves. You fit inside these words.

### **Falling Toward the Moon** Black Castle Media Group, Inc.

Algedonic is an aesthetic outlook on pain and pleasure. Complex emotions simplified into poetic interludes as only r.h. Sin can express. With his trademark of giving simplicity to some of the hardest of emotions, Sin reminds us all that there are often two sides to an emotional story and sometimes the pain transforms into something beautiful, something less problematic and maybe something that reignites a feeling of pleasure.

### *Beautiful Chaos* Andrews McMeel Publishing

This book is a collection of memories and experiences Drake lived after the death of one of his brothers. He promised he would

write him a few words after he failed to complete the task while his brother was alive. This book is everything... this book is for all who are breathing and for all who are no longer here. This book is for you.

### **Dead Pop Art** Andrews McMeel Publishing

*She Just Wants to Forget* is the follow up to the New York Times bestselling poetry collection *She Felt Like Feeling Nothing* by r.h. Sin.

### *Oracle* Andrews McMeel Publishing

*The Evolution of a Girl* is a collection of poetry and prose taking the reader from girl to woman; from heartbreak and anger to transformation and rebirth. It speaks of the strength we find when learning to accept ourselves and the unbreakable softness that comes from unyielding self-love. *The Evolution of a Girl* is a book for those who are hurting, for those who are healing, and for those who are ready to try again.

### *The Pavement Poet* Andrews McMeel Publishing

*Dead Pop Art* is a collection of unreleased poems written by Author Robert M. Drake from 2004-2006. The collection was written during his time in college and explores many topics such as, self-love, depression, anti-heroism, and moments he

experienced during college.

*Star Theory* Andrews McMeel Publishing

It almost never happened. The idea came in The Pavement Poet's first years on the pavements. Yet there was a nagging feeling that more needed to be done. Dispelling myths and showcasing the adventures, chance occurrences, and poetry which have typified the last nine years wanderings; "Chalk Fired" is a glimpse into the poetry, life, and the artistic expression of a modern, nomadic, lifestyle poet.

*She Just Wants to Forget* Andrews McMeel Publishing

Structured like an old-school mix-tape, *Stuff I've Been Feeling Lately* is Alicia Cook's lyric message to anyone who has dealt with addiction. "Side A" touches on all aspects of the human condition: life, death, love, trauma, and growth. "Side B" contains haunting black-out remixes of those poems.

*Chaos Theory* The Wild Rose Press Inc

This is something about self-love--. Something they don't teach in school. Something that's very hard to learn on your own. This is something about putting yourself first because it's okay to love yourself before anyone else. This is something about doing what's best for you, no matter what people say, because only you know what you deserve. This is something about being real, being real to who you are and accepting things as they come and change. This is something about your mistakes, about your flaws, and about how beautiful it is to get up and try again. This is something about being you, about using your voice when you're afraid. About building enough courage when you feel like standing up to something you don't believe in, something that's wrong. This is about you, and every day should be about you, and that's something you should always consider.

**Beautiful Chaos** Andrews McMeel Publishing

The epic made simple. The miracle in the mundane. One day, while browsing an antique store in Helena, Montana, photographer Tyler Knott Gregson stumbled upon a vintage Remington typewriter for sale. Standing up and using a page from a broken book he was buying for \$2, he typed a poem without thinking, without planning, and without the ability to revise anything. He fell in love. Three years and almost one thousand poems later, Tyler is now known as the creator of the Typewriter Series: a striking collection of poems typed onto found scraps of paper or created via blackout method. *Chasers of the Light* features some of his most insightful and beautifully worded pieces of work—poems that illuminate grand gestures and small glimpses, poems that celebrate the beauty of a life spent chasing the light.

*Love Her Wild* Andrews McMeel Publishing

These poems, taken from the last decade of Drake's work, trace the devolution of a society gone brilliantly mad.

**Beautiful and Damned** Andrews McMeel Publishing

you want to love her but you're too into your friends and you're too into giving your attention to other women. you tell her you care but you barely around to spend time with her. you tell her you're busy and that you'll make it up but you never get around doing so. and then you tell her you're loyal. that she's the only one in your life. then you tell her you want her, that she's all you need but you don't put the effort in. this you must learn and you will when she is gone. you're not a lover, my sweet friend. you're a liar. so please don't confuse the two. and please stop telling her who you want her to think you are. you're not ready. do not waste her time. the king is now dead and the kingdom is hers alone.

*Light Theory* Andrews McMeel Publishing

After being shunned by her Middle Eastern family, medical assistant Leila Solomon struggles to build a life for herself and her child. Landscape photographer Aiden Stone built a career

seeing what others miss, and the second he meets Leila, he is drawn to her unassuming beauty and fragile strength. Leila cannot defy the gravitational forces pulling her toward Aiden and to the family who cast her out. To build a future with Aiden, she must face the past but is she strong enough to resist being pulled back into the family fold?

**Beautiful Chaos 2** Andrews McMeel Publishing

The first collection of poetry by the New York Times bestselling author of *The Dark Between Stars*. *Love Her Wild* is a collection of new and beloved poems from the poet Atticus, who has captured the hearts and minds of hundreds of thousands of avid followers on his Instagram account @atticuspoetry, including superstars like Karlie Kloss and Shay Mitchell. Dubbed the "#1 poet to follow" by Teen Vogue and "the world's most tattoo-able" poet by Galore magazine, in *Love Her Wild*, Atticus captures what is both raw and relatable about the smallest and the grandest moments in life: the first glimpse of a new love in Paris, skinny dipping on a summer's night, the irrepressible exuberance of the female spirit, or drinking whiskey in the desert watching the rising sun. With honesty, poignancy, and romantic flare Atticus distills the most exhilarating highs and the heartbreaking lows of life and love into a few short lines, ensuring that his words will become etched in your mind—and will awaken your sense of adventure.

*What I Say To Myself When I Need To Calm The Fuck Down*

Andrews McMeel Publishing

On the heels of three internationally bestselling books of poetry, Robert M. Drake takes his readers to a deeper level of his consciousness with this collection of stories.

*Volume One* Penguin

What are you hiding behind your smile? If those empty bottles that line the walls of your room could speak, what tales would they spill? So much of your truth is buried beneath the lies you tell yourself. There's a need to scream to the moon; there's this urge to go out into the darkness of the night to purge. There are so many stories living inside your soul, you just want the opportunity to tell them. And when you can't find the will to express what lives within your heart, these words will give you peace. These words will set you free.

*Dawn of Mayhem* Andrews McMeel Publishing

r.h. Sin's final volume in the *Whiskey, Words*, and a *Shovel* series expands on the passion and vigor of his first two installments. His stanzas inspire strength through the raw, emotional energy and the vulnerability of his poems. Relationships, love, pain, and fortitude are powerfully rendered in his poetry, and his message of perseverance in the face of emotional turmoil cuts to the heart of modern-day life. At roughly 300 pages, this culminating volume will be his lengthiest yet.

**The King Is Dead** Andrews McMeel Publishing

To all the people in toxic relationships. Know that there is always a way out. Know that your exit will begin with talking to someone. With getting the support from the people you love. Know that you are not alone. That you are not trapped. And that you don't have to be afraid of what happens next. Know that everything passes. That everything goes on. That you don't deserve to be in that kind of relationship. Know that you don't deserve to be mistreated, taken for granted and or abused. Both mentally and physically. Know that there is always help. That there is always hope. That there is always a new day to start living. A new way of life yet to be lived. A new way to love yourself for who you are. To all the people in toxic relationships. Know your worth. Know that you don't always have to keep letting them in. That you don't always have to keep telling yourself they'll change. Know this and never forget it. There is always a way out. And there is always someone out there willing to guide and show you how you deserve better. How you deserve more. Know this. It is

essential. Know this. You don't have to stay. There is always a way out. Something Broken. Something Beautiful.
