M. Stirling. Its point of divergence occurs when the empire of Alexander the Great endures long after Alexander's death, creating a markedly different history that prevents the European conquest of the Americas. Most of the story is set in the parallel universe affected by this history. Conquistador (novel) - Wikipedia Conquistador. by. S.M. Stirling. 3.88 · Rating details · 3,060 ratings · 168 reviews. A new alternate history of America from the author of *The Peshawar Lancers*, the bestselling novel the *Chicago Sun-Times* called "a pleasure to read" and Harry Turtledove hailed as "first-rate adventure all the way."1945: An ex-marine has discovered a portal that permits him to travel between the America he knows-and a virgin America untouched by European influence. 21st cen.
