**Criss Cross** Little, Brown  
Three killers are on the rampage in the capital and dead bodies are piling up. Alex Cross is in charge of all three investigations and has never been under more pressure. But with a crisis at home that threatens to tear his

family apart, Alex's attention is divided. While Cross tracks the killers, he doesn't notice that someone is tracking him. Can Alex unravel the cases and find the killers in time? Or will he be the next dead body on the list? Little, Brown  
Written in the fearless voice of Detective Alex Cross, Alex Cross's Trial is a #1 New York Times bestseller of murder, love, and above all, bravery. From his grandmother, Alex Cross has heard the story of his great uncle Abraham and his struggles for survival in the era of the Ku Klux Klan. Now, Alex passes the family tale along to his own children in a

novel he's written-a novel called Trial. As a lawyer in turn-of-the-century Washington D.C., Ben Corbett represents the toughest cases. Fighting against oppression and racism, he risks his family and his life in the process. When President Roosevelt asks Ben to return to his home town to investigate rumors of the resurgence of the Ku Klux Klan there, he cannot refuse. When he arrives in Eudora, Mississippi, Ben meets the wise Abraham Cross and his beautiful granddaughter, Moody. Ben enlists their help, and the two Crosses introduce him to the hidden side of the idyllic Southern town. Lynchings have become commonplace and residents of the

town's black quarter live in constant fear. Ben aims to break the reign of terror-but the truth of who is really behind it could break his heart. Written in the fearless voice of Detective Alex Cross, Alex Cross's Trial is a gripping story of courage in the face of prejudice and terror.

Determined to capture

the psychopath responsible for murdering his niece, Alex Cross discovers that the young woman was among a dangerous group of people and was not the only one to have disappeared, a case that draws Alex into the heart of an underworld fantasy club, in a book by a best-selling author.

*The 7 She Saw*  
HarperCollins

Alex Cross encounters his most explosive case ever as a D. C. assassin picks off politicians . . . and his most deadly enemy is waiting to kill everyone he loves. Detective Alex Cross and Bree's wedding plans are put on hold when Alex is called to the scene of the perfectly executed assassination of two of Washington D.C.'s

most corrupt: a dirty congressman and an underhanded lobbyist. Next, the elusive gunman begins picking off other crooked politicians, sparking a blaze of theories: is the marksman a hero or a vigilante? The case explodes, and the FBI assigns agent Max Siegel to the investigation. As Alex and Siegel battle over jurisdiction, the murders continue-and they won't stop until Cross and his family are gone for good. With a supercharged blend of action, deception, and suspense, *Cross Fire* is James Patterson's most visceral and exciting Alex Cross novel ever. [Kiss the Girls](#) Little, Brown Alex Cross battles the most ruthless and powerful killer he has

ever encountered: a predator known only as the Wolf. Alex Cross's first case since joining the FBI has his new colleagues baffled. Across the country, men and women are being kidnapped in broad daylight and then disappearing completely. These people are not being taken for ransom, Alex realizes. They are being bought and sold. And it looks as if a shadowy figure called the Wolf-a master criminal who has brought a new reign of terror to organized crime-is behind this business. Even as he admires the FBI's vast resources, Alex grows impatient with the Bureau's clumsiness and caution when it's time to move. A lone wolf himself, he has to go out on his own in

order to track the Wolf and try to rescue some of the victims while they are still alive. As the case boils over, Alex is in hot water at home too. His ex-fiancee, Christine Johnson, comes back into his life-and not for the reasons he might have hoped.

### **When the Wind**

**Blows** Random House Just when Alex Cross's life is calming down, he is drawn back into the game to confront a criminal mastermind like no other. The elaborate murders that have stunned Washington, DC, are the wildest that Alex Cross and his new girlfriend, Detective Brianna Stone, have ever seen. This maniac adores an audience, and stages his killings as spectacles in public settings. Alex is

pursuing a genius of terror who has the whole city on edge as it waits for his next move. And the killer loves the attention, no doubt-he even sets up his own Web site and live video feed to trumpet his madness. And in Colorado, another criminal mastermind is planning a triumphant return. From his supermaximum-security prison cell, Kyle Craig has plotted for years to have one chance at an impossible escape. If he has to join forces with DC's Audience Killer to get back at the man who put him in that cell--Alex Cross--all the better.
