The lovable trio hits the ice . . . eventually! It's wintertime, and the bear, the moose and the beaver can't wait for hockey season to start. They're so eager, in fact, they head out onto the ice before it's thick enough, and they all fall through.

Twice. While they wait for the lake to freeze, they try to take their minds off hockey. There's competitive napping. Karaoke. Lots of comfort food. Until, at last, the day arrives when the ice is ready. But, after all that time not being active, are they ready? The waiting is the hardest part, right?
