**Richelle Mead Dark Swan Bundle: Storm Born, Thorn Queen, Iron Crowned & Shadow Heir**  
Kensington Publishing Corp.

A quartet of supernaturally seductive stories featuring vampires, succubi, demons, and more—proving that when it comes to romance, passion is immortal . . . Ancient desires and forbidden pleasures; unnatural hungers and irresistible attractions; limitless lust and undying needs. Even creatures of the night and of the darkest dreams can't help but give in to the power of seduction. Enter a dark world of paranormal pleasure with these four tantalizing tales . . . "The Yearning" by Hannah Howell Alpin has spent centuries searching for something that will satisfy his unquenchable lust—something more than mere physical pleasure. Then he meets Sophie, whose own search for eternal love binds them together in a shimmering sensuality too strong to be ignored . . . "Bitten" by Lynsay Sands The life of a vampire is one of solitude, devoid of passion or companionship. Or so Keeran thinks, until a chance encounter brings Emily into his afterlife—and sets his soul aflame with an ardor unlike any he's known in all his many years . . . "A Hell of a Time" by Jackie Kessler Jesse has spent an eternity stealing the souls of men with her power as a succubus. Now that she's human—and free to satisfy her own needs—she's ready to see how powerful her non-magical powers of seduction are . . . "City of Demons" by Richelle Mead After what feels like an eternity, Georgina Kincaid has finally found the man of her dreams. But when she discovers that their lust could be deadly, she'll do whatever it takes to make sure she doesn't lose him . . .

*Changeless* Penguin

Alexia Maccon, the Lady Woolsey, awakens in the wee hours of the mid-afternoon to find her husband, who should be decently asleep like any normal werewolf, yelling at the top of his lungs. Then he disappears; leaving her to deal with a regiment of supernatural soldiers encamped on her doorstep, a plethora of exorcised ghosts, and an angry Queen Victoria. But Alexia is armed with her trusty parasol, the latest fashions, and an arsenal of biting civility. So even when her investigations take her to Scotland, the backwater of ugly waistcoats, she is prepared: upending werewolf pack dynamics as only the soulless can. She might even find time to track down her wayward husband, if

she feels like it. CHANGELESS is the second book of the Parasol Protectorate series: a comedy of manners set in Victorian London, full of werewolves, vampires, dirigibles, and tea-drinking. A year ago, Cal Thompson was a college freshman more interested in meeting girls and partying than in attending biology class. Now, after a fateful encounter with a mysterious woman named Morgan, biology has become, literally, Cal's life. Cal was infected by a parasite that has a truly horrifying effect on its host. Cal himself is a carrier, unchanged by the parasite, but he's infected the girlfriends he's had since Morgan. All three have turned into the ravening ghouls Cal calls Peeps. The rest of us know them as vampires. It's Cal's job to hunt them down before they can create more of their kind. . . . Bursting with the sharp intelligence and sly humor that are fast becoming his trademark, Scott Westerfeld's novel is an utterly original take on an archetype of horror.

In Rowen's death-defyingly funny debut--a cross between "Buffy the Vampire Slayer" and "Sex in the City"--Sarah Dearly goes on a blind date . . . with a vampire. Original.

**My Life as a White Trash Zombie** Kensington Publishing Corp.

Quitting her husband's house and moving back in with her horrible family, Lady Maccon becomes the scandal of the London season in the third book of the NYT bestselling Parasol Protectorate series. Queen Victoria dismisses her from the Shadow Council, and the only person who can explain anything, Lord Akeldama, unexpectedly leaves town. To top it all off, Alexia is attacked by homicidal mechanical ladybugs, indicating, as only ladybugs can, the fact that all of London's vampires are now very much interested in seeing Alexia quite thoroughly dead. While Lord Maccon elects to get progressively more inebriated and Professor Lyall desperately tries to hold the Woolsey werewolf pack together, Alexia flees England for Italy in search of the mysterious Templars. Only they know enough about the preternatural to explain her increasingly inconvenient condition, but they may be worse than the vampires -- and they're armed with pesto!--EndFragment-- BLAMELESS is the third book of the Parasol Protectorate series: a comedy of manners set in Victorian London, full of werewolves, vampires, dirigibles, and tea-drinking. In this urban fantasy by a #1 New York Times–bestselling author, a powerless succubus must save the supernatural community of Seattle. Being exiled to the frozen north—okay,

Vancouver—and leaving Seth in the cozy clutches of his new girlfriend is unpleasant enough. Then Jerome is kidnapped, and all immortals under his control mysteriously lose their powers.
