### FORD LILIAN

**Sahara Blue** Riptide Publishing

At twenty-seven, Tamelik has been a slave more than half his life, having witnessed his family being murdered in front of him when he was just a child. Naturally submissive, although with a petulant streak, he can't help but fall in love with the master who treats him kindly. Tam's dreams come true when his mistress walks out, leaving her husband behind. For six glorious months, he and his master get to be together. Then Tam is ordered to purchase another slave. He wants to hate Kai for being unruly and ungrateful. For being of the same race as the men who murdered his family. For being his eventual replacement in their master's bed. But it's hard to hate a man who cries himself to sleep, flinches at the slightest touch, and blushes beautifully when he's kissed. Seducing Kai has suddenly become more challenge than chore, and with his master's encouragement, Tam finds himself falling for his new companion. Except... nobody can be in love with two people at once, can they?

[The Flesh Cartel, Season 3](#) Clasp Editions

Will love be enough to save them from the coming storm? After a rocky start, David is settling into his new life with Khazak, the orc who is his... Owner? Friend? Lover? He's still figuring that out, and with his friends in jail for the next two months, he's got time. Or at least he will when he's not

working with Khazak and the other rangers to keep the city of V'rok'sh Tah'lj safe. It would also be nice if the weird dreams he's been having would stop. He's done a lot of growing (and not just emotionally), but he can't say this is where he saw himself winding up after leaving the knight academy. At least it's only temporary, right? For his part, Khazak has been all too happy to have David around. It's not that his life was boring, he was just used to his routine before the troublesome human entered his life and shook things up. Now he has someone to talk to, share his meals with; they're even working together. Plus, he finally has someone to take to the upcoming Uzu'gor festival like he's always wanted. Unfortunately, what starts with a simple robbery leads to the uncovering of a plot far more sinister, one that threatens not just the limited time he has left with David, but the entire city. A story full of humor, romance, mystery, and kinky outdoor orc festivals! Readers new and old will love this chapter in the continuing tale of David & Khazak and their developing relationship. If you love gay/male-on-male romances that feature kink, BDSM, and Dom/Sub elements, all set in an anachronistic fantasy world, this book is for you!

*Steel & Thunder* Lucasbooks

Sydney Skate has dubbed himself "Shockproof": He decoded his mother's gossip with her glamorous lesbian girlfriends at age eight (but has never let on to her that he knows she's gay). He easily shrugs off his father's demands to skip college and join him in the exciting world of swimming pool sales for suburbanites. During his summer days, he deftly cares for snakes at the local pet shop. And he has memorized the sex scenes of every book he's ever read in order to better seduce women. Nothing, however, has prepared Sydney for his mother sweeping Alison Gray, the girl of his dreams, off

her feet. Witty and perceptive, Sydney's coming-of-age story has been a classic of lesbian literature since it was first published in 1973. It was a Literary Guild Alternate and a Book Find Club Selection. Hailed as the Catcher in the Rye for the seventies, Shockproof Sydney Skate exposes the confusion of its time and remains keenly relevant to the sexual absurdities of today.

[Power Play](#) 3H Press

"Sublime service, made to order." The Flesh Cartel: an international, multi-billion-dollar black market that trades in lost souls. Or more specifically, their bodies. Highly organized and frighteningly efficient, the Flesh Cartel could teach even the KGB a thing or two about breaking a human mind. Fortunately for their ultra-rich clients, they're just as skilled at putting people back together again-as perfect pets, well-trained and eager to please. No matter what your secret tastes or dark desires, the Flesh Cartel-for the right price, of course-will hand-design the plaything of your dreams.

[Faewolf](#) Riptide Publishing

Tyler can't inherit unless he gets married ... and when Glen proposes, hijinks ensue. Follow the guys on their world-spanning adventure as they defeat mobsters, an evil step-mother, a rakish brother-in-law and pirates. No, really -- pirates! Plus there's an underground super-base. And hockey. Come for the romance, stay for the hockey.

[Onslaught](#) Berkley

Broadway darling Nicky Avery is a shooting star by night, but by day he bounces from one heartless one-night stand to the next. A quick flogging, a rough lay, a new whip-hand to manipulate--yet still he yearns for something he cannot even name. He finds his first true hint of satisfaction in Devon Turner, a self-possessed film star and expert Dom. Devon knows what he wants the moment he sees it, and what he wants is Nicky Avery. Nicky's never learned to trust and has a nasty habit of topping from the bottom, but he learns fast that in the bedroom, Devon won't tolerate his actor's masks. Nicky's a broken boy, but Devon knows exactly how to put his new sub back together. With patience, care, and all the punishments his little pain slut can handle, Devon breaks Nicky down one scene at a time, revealing a mind that yearns to trust and a heart that hungers for the ecstasy of true submission at last.

[Captive](#) Riptide Publishing

"From the critically acclaimed author of Vox comes a suspenseful new novel that explores a disturbing alternate reality where the government has legalized eugenics. Elena Fairchild is a teacher at one of the state's new elite schools, where children undergo routine tests for their quotient (Q). Those who don't measure up are placed in the many state boarding schools that have cropped up under a new government mandate--Elena's daughter, Freddie, is one of them. In order to be with Freddie, Elena immediately requests to transfer to the state school. To her horror, she learns that the children are receiving the bare minimum of instruction. Instead, they spend their days making handcrafted goods--valuable commodities in the age of machine-made products. What began as a shock quickly becomes a nightmare as Elena discovers the terrifying atrocities inflicted upon the students. Not only have their test scores been tampered with, but they're also unwitting subjects of experiments, one of which tests a new method of chemical sterilization. The plan? To render all adolescents with undesirable quotients infertile...and Freddie may be next in line"--

**Liberation 4** Horsemen Publications, Inc.

Damen is a warrior hero to his people, and the rightful heir to the throne of Akielos. But when his half-brother seizes power, Damien is captured, stripped of his identity and sent to serve the prince of an enemy nation as a pleasure slave. For Damen, there is just one rule: never, ever reveal his true identity. Because the one man Damen needs is the one man who has more reason to hate him than anyone else. Bound to thrill long term online fans of the Captive Prince trilogy, this volume contains the original story in full alongside exclusive bonus short stories.

**Volume Three of the Chay Trilogy** Riptide Publishing

DECADES HAVE PASSED since the bitter war of independence between Ptolem and Osiron. Both planets have settled into a peaceful coexistence, thanks in great part to the efforts of the Ptolemii Triumvirii Pyke and his longtime spouse, Ambassador Prince Vin-Chay. The men and their family have survived incredible personal trials, including a vicious and unexpected attack from long-dead enemies who had set in motion familial and social changes for generations to come. Pyke and Vin-Chay have been linchpins in building a stable, progressive new government for Ptolem, and are living in tranquility and prosperity amongst their large family. They now find their lives and the very future of their worlds on the precipice of total destruction from an enemy who has risen from the ashes of failure and redefines any imaginable concept of evil. Their last and most desperate battle against the satanic force that relentlessly seeks the obliteration of the Chay family surpasses any horror they have ever endured. They are brought to the edge of madness in a conflagration of bloodthirsty hate, vengeance and passion, an ultimate showdown between good and evil.

[The Nerd and I](#) Del Rey

Matthew Callahan has spent seven years struggling against the insatiable hunger for blood consuming him. Unable to stop the vampire inside from preying on humans, he keeps himself confined to a lonely existence. Everything changes the night he is lured into a trap and taken prisoner by High Lord General Tarrick-a seductive incubus who feeds off sexual energy. Forced into the middle of a war between vampires and incubi, Matthew is used as a weapon against his own kind. Although he's desperate for freedom, he is unable to deny the burning desire drawing him to the incubus general he now calls Master.

**A Most Personal Property** Oxford University Press

In the far-distant future, a long and brutal war of independence between Ptolem and its colonial planet, Osiron, has ended. Their civilizations are building a new future and are a still-fragile alliance. Two former enemy warriors, the Ptolemii High Commander Pyke and the Osiron Prince Vin-Chay, whose unexpected passion and sacrifice were the cornerstones to the final peace, live in serenity with their families. Integral to both civilizations, the men have spent years helping to socially and politically redefine their worlds. They are unaware that hidden enemies-fueled by personal hatred and secret agendas with a longtime thirst for power and revenge-have targeted them for destruction. Their enemies conceived a devious, deadly plan that has both personal and societal ramifications that will destroy the fragile alliance and any hope for the future. The evil that stalks these men and their loved ones has no concept of the true strength and determination of these warriors who will let nothing stand in the way of reclaiming their families and ending the pernicious threat. The final showdown between good and evil explodes in a fiery confrontation that will seal their fates for millennia to

come.

**SUBLIME: Collected Shorts** Penguin

Faewolves, like werewolves, can walk among men. What happens when Kiya White Cloud, a young gay college student in Santa Cruz, wants one of these men enough to risk his heart--and his life? A gay paranormal erotic romance from Clasp Editions, the romance imprint of Circler Press, Inc. D.M. Atkins is an author of both non-fiction and fiction. An anthropologist, Atkins has edited several anthologies on LGBT topics, including Looking Queer, Lesbian Sex Scandals, and Bisexual Women in the 21st Century and is the former editor of both Locus and Shadows Of... magazines. Visit DMAtkins.net. Chris Taylor has been writing for years but FAEWOLF is Taylor's first original fiction novel. Taylor is a New Yorker, attending college.

*Sublime: Collected Shorts* iUniverse

Turn off the lights . . . and turn on your darkest fantasies. Demon pacts. Ghostly possessions. Monsters lurking in the depths. The things that go bump in the night frighten us, but they also intrigue us. Fascinate us. Even turn us on. Join us as fan favorites Ally Blue and Kari Gregg bring over-amorous aquatic beasts to life with their mythic twists on the Siren and the monster in the lake. Erotic horror pros Heidi Belleau, Sam Schooler, and Brien Michaels show us just how sexy scary can be with a pair of demon deals destined to curl your toes and set your heart thrashing. And literary masters Laylah Hunter and Peter Hansen weave haunting worlds where ghosts and dead lovers can touch our hearts (and other, naughtier places too . . .) and teach us lessons from beyond the grave. By turns exciting, evocative, and exquisitely explicit, the stories in Bump in the Night are sure to scratch your sexy paranormal itch. Explore your wildest fantasies with us in this collection of dark erotic tales.

**Transformation 4** Horsemen Publications, Inc.

Ayden's life has long been guided by two emotions: love for his sister, and hatred of all things human. When he's captured in battle, he must, for his sister's sake, swallow his pride and endure slavery in the service of a human prince, Freyrik Farr. Between prejudice, politics, pride, and survival, Ayden and Freyrik must carve a new path, no matter how daunting. For nothing less than the fate of both their peoples rests on the power of their perseverance and their love.

**Captive Prince** iUniverse

The fledgling New Republic confronts its ultimate challenge as mistrust and treachery threaten to destroy it from within, rogue elements rebel against Luke Skywalker's leadership, and alien invaders called the Yuuzhan Vong strike without warning. Original.

[Master Class](#) Dreamspinner Press

Broadway darling Nicky Avery gives commanding performances on stage, but when he comes home at night, it's Devon Turner who commands him. Devon-that's "Sir" to Nicky, of course-owns Nicky heart and soul. And neither of them could possibly be happier. Sublime explores the gifts of submission and domination and the depths of love and trust upon which such relationships are built. The ten short stories in this collection range from sweet and sensual to hot and hardcore, from cross-dressing to knife play, and so much more. Dom or sub, curious beginner or 24/7 lifestyler, the stories in Sublime will tease and tantalize, arouse and thrill. And don't mind Devon and Nicky . . . they like to be watched anyway. (Note: This book contains explicit M/M sexual acts and various BDSM practices.)

*Belonging Book One - Anchored* Harper Collins

\*\*Sequel to RADIANCE and Book #2 in the Wraith Kings series\*\* In a bid for more power, the Shadow Queen of Haradis unleashes a malignant force into the world. Her son Brishen, younger prince of the Kai royal house, suddenly finds himself ruler of a kingdom blighted by a diseased darkness. His human wife Ildiko must decide if she will give up the man she loves in order to save his throne. Three kingdoms on the verge of war must unite to save each other, and a one-eyed, reluctant king will raise an army of the dead to challenge an army of the damned. A tale of alliance and sacrifice.

*Glen and Tyler's Honeymoon Adventure* Casperian Books LLC

A modern classic for this generation is being relaunched with an all-new, beautifully illustrated edition that follows Heather as she goes to playgroup and feels badly at first because she has two mothers and no father, but then she learns that there are lots of different kinds of families and the most important thing is that all the people love each other.

[Counterpoint](#) Riptide Publishing

There are no bad guys or good guys. There are only better guys and worse guys. One of the worse guys is Val Toreth. In a world in which torture is a legitimate part of the investigative process, he works for the Investigation and Interrogation Division, where his colleagues can be more dangerous than the criminals he investigates. One of the better guys is Keir Warrick. His small corporation, SimTech, is developing a "sim" system that places users in a fully immersive virtual reality. A minnow in a murky and dangerous pond, he is only beginning to discover how many compromises may be required for success. Their home is the dark future dystopia of New London. A totalitarian bureaucracy controls the European Administration, sharing political power with the corporations. The government uses violence and the many divisions of the feared Department of Internal Security to maintain control and crush resistance. The corporations fight among themselves, using lethal force under the euphemism of "corporate sabotage," uniting only to resist attempts by the Administration to extend its influence over them. Toreth and Warrick are more natural enemies than allies. But mutual attraction and the fight for survival can create unlikely bonds.

**Heather Has Two Mommies** Lulu.com

Brandon McKinney is a man reborn. Newly awakened to the notion of consensual power exchange and the submissive urges inside him, he begs for a second chance from the man who opened his eyes to this world: Silicon Valley superstar Jonathan Watkins. But no birth is absent pain, and Brandon's is no exception. He fears he's not strong enough to see it through. Jonathan knows better. He's seen the iron core inside his new submissive, and the wounded heart inside him too. He means to teach Brandon to heal the one with the other. They have five months left on their contract, after all, and Jonathan has done more with less before. It's tough to stay objective, though, when you're falling in love. Shame Brandon doesn't feel the same. He's only there for the three-million-dollar payout at contract's end--a fact that Jonathan, nursing his own wounded heart, reminds himself of each day. For even as Brandon's barriers break and his mind expands, even as he grows to love his place at Jonathan's feet, he'll never love life with a sadist--especially one who cannot escape the public eye. "This title is #2 of the Power Play series." "Reader discretion advised. This title contains the

following sensitive themes: heavy kink."
