And Fairy Tales
 Martin Hallett and
 Barbara Karasek's Folk &
 Fairy Tales: An
 Introductory Anthology
 (with my copy being the
 2009 and thus fourth
 edition), while perhaps
 labeled as being an
 introductory anthology is
 actually and in fact so
 much more than this (and
 really and even
 fortunately not all that
 introductory in scope
 either) and therefore truly
 presents what I would
 personally (and
 academically) consider a
 perfect marriage of

presented tales and
 relevant essential critical
 analyses (supplemental
 detail) Folk and Fairy Tales
 by Martin Hallett -
