Embracing Feminine and Masculine Power in Business Conscious Capitalism, With a New Preface by the Authors Liberating the Heroic Spirit of Business
From Kim Strassel-one of the preeminent political columnists writing today and member of the Wall Street Journal editorial board-comes an insightful, alarming look at how the Left, once the champion of civil liberties, is today orchestrating a coordinated campaign to bully Americans out of free speech. For nearly 40 years, Washington and much of the American public

have held up disclosure and campaign finance laws as ideals, and the path to cleaner and freer elections. This book will show, through first-hand accounts, how both have been hijacked by the Left as weapons against free speech and free association, becoming the most powerful tools of those intent on silencing their political opposition. THE INTIMIDATION GAME provides a chilling expose of political scare tactics and overreach, including: How Citizens United set off a wave of liberal harassment against conservative politicians The targeting of Tea Party groups by the IRS How Wisconsin prosecutors, state AGs, and a Democratic Congress shut down

political activists and businesses The politicization by the Obama administration of a host of government agencies including the FEC, FCC and the SEC THE INTIMIDATION GAME will shine a much-needed light on how liberal governance and the Democratic machine bullies the political process. [The B Corp Handbook](#) Harvard Business Review Press “An indispensable guide for anyone who wants to live to age 100—by making sure there’s a livable world when you get there.” —Dan Buettner, New York Times–bestselling author of *The Blue Zones* Do you consider yourself an environmental ally? Maybe you recycle your household goods,

ride a bike, and avoid too much air travel. But did you know that the primary driver of climate change isn’t plastics, or cars, or airplanes? Did you know that it’s actually our industrialized food system? In this fascinating new book, authors Nil Zacharias and Gene Stone share new research, intriguing infographics, and compelling arguments that support what scientists across the world are beginning to affirm and uphold: By making even minimal dietary changes, anyone can have a positive, lasting impact on our planet. If you love the planet, the only way to save it is by switching out meat for plant-based meals, one bite at a time. “This fascinating, easy-to-read book will

give you still another reason to eat plants and not animals: you will be doing a world of good—literally!” —Rip Esselstyn, #1 New York Times–bestselling author of *Plant-Strong* “Eating plants is not just good for your own health, it’s imperative for the health of the planet. This well-argued, well-written book makes it clear why everyone should consider a plant-based diet today.” —Michael Greger, MD, New York Times–bestselling author of *How Not to Die* “Possibly the single most important environmental book I’ve read in years. A must for everyone.” —Kathy Freston, New York Times–bestselling author of *The Lean* [The ABCs of Conscious Capitalism for KIDS](#) Berrett-Koehler

Publishers
The definitive guide to the optimum diet for health and wellness, from the founder of Whole Foods Market and the doctors of *Forks Over Knives* **THE WHOLE FOODS DIET** simplifies the huge body of science, research, and advice that is available today and reveals the undeniable consensus: a whole foods, plant-based diet is the optimum diet for health and longevity. Standing on the shoulders of the Whole Foods Market brand and featuring an accessible 28-day program, delicious recipes, inspirational success stories, and a guilt-free approach to plant-based eating, **THE WHOLE FOODS DIET** is a life-affirming invitation to become a

Whole Foodie: someone who loves to eat, loves to live, and loves to nourish themselves with nature's bounty. If Whole Foods Market is "shorthand for a food revolution" (The New Yorker), then THE WHOLE FOODS DIET will give that revolution its bible - the unequivocal truth about what to eat for a long, healthy, disease-free life.

Liberating the Heroic Spirit of Business
 ReadHowYouWant.com
 'If strategy is the queen of business, then this book offers us the perfect introduction to her court! It is accessible, lively, and informative. The book repays the reader with wonderful account of how strategy works. It also lets the reader in on

some of the darker secrets of strategy' - André Spicer, Associate Professor of Organisation Studies, Warwick Business School
 Conceived by Chris Grey and written to get you thinking, the "Very Short, Fairly Interesting and Reasonably Cheap" series offers an informal, conversational, accessible yet sophisticated and critical overview of what you find in conventional textbooks. Studying Strategy is a welcoming, lively and thought provoking account that helps students get to grips with strategy's key issues and broad debates and introduce them to the latest ideas. Suitable for students of strategy at

Undergraduate, Masters and MBA level, professionals involved in strategic decision making and anyone interested in how strategy works.

Leadership Principles for the Next Era of Capitalism Penguin

Provides an overview of the big issues in the business world today, with firsthand accounts from young leaders tasked with tackling these issues head on.

Eight Counterintuitive Steps for Creating a Purpose-Driven Organization Simon

and Schuster

Build conscious leadership into your business. You subscribe to the basic idea that business can do more than make money, but you're not sure how to act on that conviction or how to share it with the rest of

your organization. The Conscious Capitalism Field Guide--the authoritative follow-up to the bestselling book Conscious Capitalism, by John Mackey, CEO of Whole Foods Market, and leadership expert Raj Sisodia--gives you the tools for sharing and implementing the principles of higher purpose and conscious business throughout your organization. This practical guide provides hands-on materials--the same tools used in companies such as Whole Foods Market, Southwest Airlines, Life is Good, The Container Store, Barry-Wehmiller, Zappos, and many others--that you can use on your own, with your team, or with others throughout your organization to build conscious leadership

and practices into your business. Organized according to the four core principles (higher purpose, stakeholder orientation, conscious leadership, and conscious culture) of Conscious Capitalism, the book provides exercises, worksheets, checklists, and instructions--for use both individually and with teams--as well as advice, examples, and real-life stories to help you apply these ideas and make them come alive in your organization. You and your team will: write a purpose statement learn how to create win-win-win relationships with all your stakeholders create a "culture playbook" for your company develop a leadership checklist for your organization build

a personal leadership development plan set priorities for the coming year and beyond
How World-Class Companies Profit from Passion and Purpose
 Harvard Business Press
 WINNER OF THE 2014 FOLIO PRIZE AND SHORTLISTED FOR THE NATIONAL BOOK AWARD 2013 George Saunders's most wryly hilarious and disturbing collection yet, *Tenth of December* illuminates human experience and explores figures lost in a labyrinth of troubling preoccupations. A family member recalls a backyard pole dressed for all occasions; Jeff faces horrifying ultimatums and the prospect of Darkenfloxx™ in some unusual drug trials; and Al Roosten hides his own internal

monologue behind a winning smile that he hopes will make him popular. With dark visions of the future riffing against ghosts of the past and the ever-settling present, this collection sings with astonishing charm and intensity.

The Thomas Sowell

Reader Bookbaby Argues that the foundation of success in business and personal pursuits is building trust, and outlines how to implement the eight pillars of trust in order to enjoy better relationships, reputations, and results.

*Competing with
Conscious Strategy*
Signet

The bestselling book, now with a new preface by the authors
At once a bold defense

and reimagining of capitalism and a blueprint for a new system for doing business, Conscious Capitalism is for anyone hoping to build a more cooperative, humane, and positive future. Whole Foods Market cofounder John Mackey and professor and Conscious Capitalism, Inc. cofounder Raj Sisodia argue that both business and capitalism are inherently good, and they use some of today's best-known and most successful companies to illustrate their point. From Southwest Airlines, UPS, and Tata to Costco, Panera, Google, the Container Store, and Amazon, today's organizations are creating value for all

stakeholders—including customers, employees, suppliers, investors, society, and the environment. Read this book and you'll better understand how four specific tenets—higher purpose, stakeholder integration, conscious leadership, and conscious culture and management—can help build strong businesses, move capitalism closer to its highest potential, and foster a more positive environment for all of us.

The Heart of Business

John Wiley & Sons
An all-new guide to help first-time managers and supervisors develop effective communication skills for leading and inspiring their staff. From the author of

How to Say It(r) at Work, a one-stop communication primer for anyone in a management position for the first time.

Covering everything from delegating, planning and running meetings, and mentoring, to building a team and motivating subordinates, this is the perfect reference for anyone who wants to put their best foot forward as they climb the ranks. Topics include: ?Building leadership vocabulary ?Establishing ground rules ?Projecting credibility ?Avoiding day-one mistakes ?Handling crises and criticism ?Motivating and inspiring ?Making meetings work
The Intimidation Game
Simon and Schuster
The Secret introduced people around the

world to a profound yet seemingly contradictory concept: to lead is to serve. With that as the foundation Great Leaders Grow takes the next step, showing leaders how to ensure that they'll be able to effectively serve throughout their careers. The Secret's protagonist, Debbie Brewster, now an accomplished leader herself, becomes a mentor to Blake, her former mentor's son. She teaches him not just how to lead, but emphasizes the critical importance of continually learning and developing his leadership abilities throughout his career. She identifies four areas in which every leader must continue to GROW - Gain Knowledge (of

themselves, others, their industry and the field of leadership); Reach Out to Others, both formally and informally; Open their World, at work and outside of work; and Walk toward Wisdom (through self-evaluation, feedback, counsel and over time). This book is for any leader in any organization that needs more and better leaders faster. Its blueprint for culture transformation is a simple yet revolutionary path to sustainable achievement. How Top Leaders Gain Faster Results, Deeper Relationships, and a Stronger Bottom Line McGraw Hill Professional Using the insights offered by Integral Theory, the authors

provide an outline that appreciates & engages a wide range of leadership theories & techniques.

Stories from the Best and Brightest Young Business Leaders

Penguin

The image of modern corporations has been shaped by a focus on profits over people and the environment, but this approach to capitalism is no longer viable. We are at an inflection point where business must take the lead in healing the crises of our time. The Healing Organization shows how corporations can become healing forces. Conscious Capitalism pioneer Raj Sisodia and organizational innovation expert Michael J. Gelb were inspired to write The Healing Organization

because of the epidemic of unnecessary suffering connected with business, including the destruction of the environment; increasing numbers living paycheck-to-paycheck and barely surviving (despite working full-time or even multiple jobs); rising rates of depression and stress leading to chronic health problems; and because the enmity and dividedness between those who champion unfettered capitalism and those who advocate socialism is exacerbating rather than solving our problems. Based on extensive in-depth interviews and inspiring case studies, the authors show how companies such as

Shake Shack, Hyatt, KIND Healthy Snacks, Eileen Fisher, H-E-B, FIFCO, Jaipur Rugs and DTE Energy are healing their employees, customers, communities and other stakeholders. They represent a diverse sampling of industries and geographies, but they all have significant elements in common, besides being profitable enterprises: Their employees love coming to work. They have passionately loyal customers. They make a significant positive difference to the communities they serve. They preserve and restore the ecosystems in which they operate. In a world that urgently needs healing on many levels, this is a movement whose time

has come. This book shows how it can be done, how it is being done, and how you can begin to do it too. [HBR's 10 Must Reads 2020](#) Abrams
Betterness: Economics for Humans is a powerful call to arms for a post-capitalist economy. Umair Haque argues that just as positive psychology revolutionized our understanding of mental health by recasting the field as more than just treating mental illness, we need to rethink our economic paradigm. Why? Because business as we know it has reached a state of diminishing returns—though we work harder and harder, we never seem to get anywhere. This has led to a diminishing of the

common wealth: wage stagnation, widening economic inequality, the depletion of the natural world, and more. To get out of this trap, we need to rethink the future of human exchange. In short, we need to get out of business and into betterness. HBR Singles provide brief yet potent business ideas, in digital form, for today's thinking professional.

Excellence Award

Winner! Big, bold

success in the world

begins in the private

calm of a serene

consciousness.

Speaking and acting with control and clarity, the best leaders inspire their organizations to thrive. They establish

cultures of wellbeing and purpose. This comprehensive guide to health, wellbeing and principled leadership shows you how to clear your mind, engage your team, and find greater satisfaction in your work and life. Tarra Mitchell shares exercises to help individuals and groups create an organizational culture that works for everyone - especially Millennials. Formative moments in her youth, education, and motherhood bring abstract wisdom down to earth. Her keen and touching reflections remind us of our common humanity and fundamentally similar needs. This book's approach has the power to build a generation of great,

inspiring leaders, transforming lives, organizational cultures, and even societies. Deep roots in the business and yoga worlds support Tarra's unconventional but pragmatic look at what it means to be a leader, which ultimately reveals how success is intertwined with personal wellbeing. Drawing on the Upanishads, one of the world's oldest written spiritual texts, and her own rich life experience, she takes you through an examination of yourself as you create a plan that will enhance your health, happiness, and capacity to lead through principle. The Yoga of Leadership offers specific tools, techniques, and practices for: - Managing stress and

improving concentration.-Refining communication and culture.-Identifying your purpose.You will return to Tarra's words throughout your life as you take on new roles, embrace new challenges, and inspire new constituencies. Current and future leaders, business school students, and anyone seeking inner calm and purpose cannot afford to miss this book.

The Way of the Superior Man Penguin
In Mission: How the Best in Business Break Through, Michael Hayman and Nick Giles show companies how to join the ranks of today's business winners. Business as usual is over. Belief is the new currency and to succeed you must follow new rules:

purpose as the route to profit; mind share to gain market share. The best in business are defined by mission: a singular cause, a defining ambition. They stand out as campaigners, activists fighting to lead industries and redefine them. And they win through with momentum, explosive growth that outruns the competition. From tech pioneers Google and Airbnb, to retail giant Whole Foods and British success stories such as Ella's Kitchen, Mission shows how business is changing people's lives through the power of purpose, culture and campaigning. How caring, sharing and daring companies have opened a new chapter for the world of business. Uncover the

secrets of what it takes to succeed: how to discover and define your commercial purpose, hone it into a campaign and turn customers into advocates. Harness the power of momentum. Find your mission.

The Global Rule of Three Pearson
Prentice Hall

A year's worth of management wisdom, all in one place. We've reviewed the ideas, insights, and best practices from the past year of Harvard Business Review to keep you up-to-date on the most cutting-edge, influential thinking driving business today. With authors from Michael E. Porter to Katrina Lake and company examples from Alibaba to 3M, this volume brings the most current and

important management conversations right to your fingertips. This book will inspire you to: Ask better questions to boost your learning, persuade others, and negotiate more effectively Create workplace conditions where gender equity can thrive Boost results by allowing humans and AI to enhance one another's strengths Make better connections with your customers by giving them a glimpse inside your company Scale your agile processes from a few teams to hundreds Build a commitment to both economic and social values in your organization Prepare your company for a rapidly aging workforce and society This collection of articles

includes "The Surprising Power of Questions," by Alison Wood Brooks and Leslie K. John; "Strategy Needs Creativity," by Adam Brandenburger; "What Most People Get Wrong about Men and Women," by Catherine H. Tinsley and Robin J. Ely; "Collaborative Intelligence: Humans and AI Are Joining Forces," by H. James Wilson and Paul R. Daugherty; "Stitch Fix's CEO on Selling Personal Style to the Mass Market," by Katrina Lake; "Strategy for Start-Ups," by Joshua Gans, Erin L. Scott, and Scott Stern; "Agile at Scale," by Darrell K. Rigby, Jeff Sutherland, and Andy Noble; "Operational Transparency," by Ryan W. Buell; "The Dual-Purpose

Playbook," by Julie Battilana, Anne-Claire Pache, Metin Sengul, and Marissa Kimsey; "How CEOs Manage Time," by Michael E. Porter and Nitin Nohria; and "When No One Retires," by Paul Irving. *The Painted Girls* Springer Nature
 "AN IMPORTANT BOOK ABOUT MOTIVATION FROM A PROVEN MOTIVATOR." —JACK WELCH Yum! Brands CEO David Novak learned long ago that you can't lead a great organization of any size without getting your people aligned, enthusiastic, and focused relentlessly on the mission. But how do you do that? There are countless leadership books, but how many will actually help a Taco Bell shift manager, a Fortune 500 CEO, a new

entrepreneur, or anyone in between? Over his fifteen years at Yum! Brands, Novak has developed a trademarked program—Taking People with You—that he personally teaches to thousands of managers around the world. He shows them how to make big things happen by getting people on their side. No skill in business is more important. And Yum!'s extraordinary success (at least 13 percent growth for each of the last ten years) proves his point. Novak knows that managers don't need leadership platitudes or business school theories. So he cuts right to the chase with a step-by-step guide to setting big goals, building strong teams, blowing past your

targets, and celebrating after you shock the skeptics. And then doing it again and again until consistent excellence becomes a core element of your culture.

The Financial Crisis and the Free Market Cure: Why Pure Capitalism is the World Economy's Only Hope Harvard Business Press

A Wall Street Journal Bestseller Named a Financial Times top title How to unleash "human magic" and achieve improbable results. Hubert Joly, former CEO of Best Buy and orchestrator of the retailer's spectacular turnaround, unveils his personal playbook for achieving extraordinary outcomes by putting people and purpose at the heart of business. Back in 2012,

"Everyone thought we were going to die," says Joly. Eight years later, Best Buy was transformed as Joly and his team rebuilt the company into one of the nation's favorite employers, vastly increased customer satisfaction, and dramatically grew Best Buy's stock price. Joly and his team also succeeded in making Best Buy a leader in sustainability and innovation. In *The Heart of Business*, Joly shares the philosophy behind the resurgence of Best Buy: pursue a noble purpose, put people at the center of the business, create an environment where every employee can blossom, and treat profit as an outcome, not the goal. This approach is easy to understand, but

putting it into practice is not so easy. It requires radically rethinking how we view work, how we define companies, how we motivate, and how we lead. In this book Joly shares memorable stories, lessons, and practical advice, all drawn from his own personal transformation from a hard-charging McKinsey consultant to a leader who believes in human magic. *The Heart of Business* is a timely guide for leaders ready to abandon old paradigms and lead with purpose and humanity. It shows how we can reinvent capitalism so that it contributes to a sustainable future.

Integral Leadership
HarperCollins
Leadership
True North shows how

anyone who follows their internal compass can become an authentic leader. This leadership tour de force is based on research and first-person interviews with 125 of today's top leaders—with some surprising results. In this important book, acclaimed former Medtronic CEO Bill George and coauthor Peter Sims share the wisdom of these outstanding leaders and describe how you can develop as an authentic leader. True North presents a concrete and comprehensive program for leadership success and shows how to create your own Personal Leadership Development Plan centered on five key areas: Knowing your authentic self Defining

your values and leadership principles
Understanding your motivations
Building your support team
Staying grounded by integrating all aspects of your life
True North offers an opportunity for anyone to transform their leadership path and become the authentic leader they were born to be.
Personal, original, and illuminating stories from Warren Bennis, Sir Adrian Cadbury, George Shultz (former U.S. secretary of state), Charles Schwab, John Whitehead (Cochairman, Goldman Sachs), Anne Mulcahy (CEO, Xerox), Howard Schultz (CEO, Starbucks), Dan Vasella (CEO, Novartis), John Brennan (Chairman, Vanguard), Carol Tome

(CFO, Home Depot), Donna Dubinsky (CEO/cofounder, Palm), Alan Horn (President, Warner Brothers), Ann Moore (CEO, Time, Inc.) and many others illustrate the transitions that shape the type of leaders who will thrive in the 21st century.
Bill George (Cambridge, MA) has spent over 30 years in executive leadership positions at Litton, Honeywell, and Medtronic. As CEO of Medtronic, he built the company into the world's leading medical technology company as its market capitalization increased from \$1.1 billion to \$60 billion. Since 2004, he has been a professor at the Harvard Business School. His 2004 book *Authentic Leadership* (0-7879-7528-1) was a BusinessWeek

bestseller. Peter Sims (San Francisco, CA) established “Leadership Perspectives,” a course on leadership development at the Stanford Graduate	School of Business and cofounded the London office of Summit Partners, a leading investment firm. Their Web site is www.truenorthleaders. com.
