The Essential Speeches, Remarks, and Addresses of the Forty-fifth President of the United States of America Simon and Schuster

An award-winning political journalist for The Atlantic tells the inside story of how the embattled Democratic Party, seeking a direction for its future during the Trump years, successfully regained the White House. The 2020 presidential campaign was a defining moment for America. As Donald Trump and his nativist populism cowed the Republican Party into submission, many Democrats—haunted by Hillary Clinton’s shocking loss in 2016 and the resulting four-year-long identity crisis—were convinced that he would be unbeatable. Their party and the country, it seemed, might never recover. How, then, did Democrats manage to win the presidency, especially after the longest primary race with the biggest field ever? How did they keep themselves united through an internal struggle between newly empowered progressives and establishment forces—playing out against a pandemic, an economic crisis, and a new racial reckoning? Edward-Isaac Dove’s *Battle for the Soul* is the searing, fly-on-the-wall account of the Democrats’ journey through recalibration and rebirth. Dove traces this process: from the early days in the wilderness of the post-Obama era to the jockeying of potential candidates; from the backroom battles and exhausting campaigns to the unlikely triumph of the man few expected to win; and on through the inauguration and the insurrection at the Capitol. Dove draws

on years of on-the-ground reporting and contemporaneous conversations with the key players—whether with Pete Buttigieg in his hotel suite in Des Moines an hour before he won the Iowa caucuses or with Joe Biden in his first-ever interview in the Oval Office—as well as with aides, advisors, and voters. Offering unparalleled access and an insider’s command of the campaign, *Battle for the Soul* takes a compelling look at the policies, politics, and people, as well as the often absurd process of running for president. This fresh and timely story brings you on the trail, into the private rooms, and along to eavesdrop on critical conversations. You will never see campaigns or this turning point in our history the same way again.

Trump: The Art of the Deal University of Chicago Press

The New York Times bestselling author of *Rise of ISIS* exposes the dangers of radical Islam and the effects it has on the American way of life in this informative and eye-opening new book. In *Unholy Alliance*, Jay Sekulow highlights and defines the looming threat of radical Islam. A movement born in Iran during the Islamic Revolution in 1979, radical Islam has at its heart the goal of complete world domination. As this movement has grown, Iran has entered into alliances with Syria and Russia, leading to a deadly game of geopolitical threats and violence. Not only will you better understand jihadist terror, but you will also learn about Sharia law—a legal code that removes all personal liberty and is starkly incompatible with the US Constitution. All Muslims are required to follow Sharia—as are all who live in lands controlled by Islam. It is the goal of radical Islam to see Sharia instituted across the globe. If we are to combat

radical Islam's agenda of domination, we must arm ourselves with knowledge. With carefully researched history, legal-case studies, and in-depth interviews, *Unholy Alliance* lays out the ideology and strategy of radical Islam, as well as the path we must take to defeat it.

TRUMP, SURVIVING AT THE TOP. WITH CHARLES LEERHSEN. Vintage THE INSTANT NEW YORK TIMES BESTSELLER "Sims's vivid portrait of Trump shrewdly balances admiration with misgivings, and his intricate, engrossing accounts of White House vendettas and power plays have a good mix of immersion and perspective. The result is one of the best of the recent flood of Trump tell-alls." —Publishers Weekly The first honest insider's account of the Trump administration. If you hate Trump you need the truth; if you love Trump you need the truth. After standing at Donald Trump's side on Election Night, Cliff Sims joined him in the West Wing as Special Assistant to the President and Director of White House Message Strategy. He soon found himself pulled into the President's inner circle as a confidante, an errand boy, an advisor, a punching bag, and a friend. Sometimes all in the same conversation. As a result, Sims gained unprecedented access to the President, sitting in on private meetings with key Congressional officials, world leaders, and top White House advisors. He saw how Trump handled the challenges of the office, and he learned from Trump himself how he saw the world. For five hundred days, Sims also witnessed first-hand the infighting and leaking, the anger, joy, and recriminations. He had a role in some of the President's biggest successes, and he shared the blame for some of his administration's worst disasters. He gained key, often

surprising insights into the players of the Trump West Wing, from Jared Kushner and John Kelly to Steve Bannon and Kellyanne Conway. He even helped Trump craft his enemies list, knowing who was loyal and who was not. And he took notes. Hundreds of pages of notes. In real-time. Sims stood with the President in the eye of the storm raging around him, and now he tells the story that no one else has written—because no one else could. The story of what it was really like in the West Wing as a member of the President's team. The story of power and palace intrigue, backstabbing and bold victories, as well as painful moral compromises, occasionally with yourself. *Team of Vipers* tells the full story, as only a true insider could.

Inside the Struggle to Stop a President TrumpSurviving at the Top NEW YORK TIMES BESTSELLER • "Comprehensive, enlightening, and terrifyingly timely."—The New York Times Book Review (Editors' Choice) WINNER OF THE GOLDSMITH BOOK PRIZE • SHORTLISTED FOR THE LIONEL GELBER PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Time • Foreign Affairs • WBUR • Paste Donald Trump's presidency has raised a question that many of us never thought we'd be asking: Is our democracy in danger? Harvard professors Steven Levitsky and Daniel Ziblatt have spent more than twenty years studying the breakdown of democracies in Europe and Latin America, and they believe the answer is yes. Democracy no longer ends with a bang—in a revolution or military coup—but with a whimper: the slow, steady weakening of critical institutions, such as the judiciary and the press, and the gradual erosion of long-standing

political norms. The good news is that there are several exit ramps on the road to authoritarianism. The bad news is that, by electing Trump, we have already passed the first one. Drawing on decades of research and a wide range of historical and global examples, from 1930s Europe to contemporary Hungary, Turkey, and Venezuela, to the American South during Jim Crow, Levitsky and Ziblatt show how democracies die—and how ours can be saved. Praise for *How Democracies Die* “What we desperately need is a sober, dispassionate look at the current state of affairs. Steven Levitsky and Daniel Ziblatt, two of the most respected scholars in the field of democracy studies, offer just that.”—*The Washington Post* “Where Levitsky and Ziblatt make their mark is in weaving together political science and historical analysis of both domestic and international democratic crises; in doing so, they expand the conversation beyond Trump and before him, to other countries and to the deep structure of American democracy and politics.”—Ezra Klein, *Vox* “If you only read one book for the rest of the year, read *How Democracies Die*. . . . This is not a book for just Democrats or Republicans. It is a book for all Americans. It is nonpartisan. It is fact based. It is deeply rooted in history. . . . The best commentary on our politics, no contest.”—Michael Morrell, former Acting Director of the Central Intelligence Agency (via Twitter) “A smart and deeply informed book about the ways in which democracy is being undermined in dozens of countries around the world, and in ways that are perfectly legal.”—Fareed Zakaria, *CNN*

[The Final Act of the Trump Show](#)
Random House
The essential, bestselling book that first defined President Donald Trump's

political ideas. *The America We Deserve* is the essential book for anyone who wants to understand the core of Donald Trump's political thinking. In this book, written as he first considered running for president in 2000, Trump offers no-nonsense, populist, provocative, and dramatic solutions to issues that continue to resonate with voters today. In this book, Trump lays out a vision for America that is strong, optimistic, and founded on core Republican principles of self-reliance, limited governance, economic growth, and equitable taxation. Striking for its similarities to President Trump's current initiatives--but also fascinating in its differences--*The America We Deserve* reveals a man who is fully engaged with the nation and cares deeply about its future. Readers and voters will discover Trump's ideas on:

- *Foreign policy and relations with China, Russia, North Korea, and Israel
- *How to fix our broken and underperforming education system
- *Reducing regulations on business to help create jobs and economic growth
- *A dramatic one-time tax on the super-wealthy to close the national debt and fuel tax cuts for the middle class
- *Immigration, crime, terrorism, and more

The America We Deserve is essential reading for Trump-watchers, voters, Republicans, Democrats, and anyone interested in how Trump the businessman became Trump the president.

From comedy writer, public speaker, and founding editor of *The Onion* Scott Dikkers comes this laugh-out-loud hilarious guide to surviving and thriving under Donald Trump's presidency. With satirical graphics, pictorials, news columns, and bulletins that are

screamingly funny to everyone regardless of political persuasion, this is the ultimate handbook to the forty-fifth President of the United States. Everything from a schematic of Trump's presidential chariot (with missile launchers) to a handy pictorial that explains how Trump would have won every American war in three days or less is included in this sidesplitting anthology. Discover more about the new President with articles such as "Inside the Twitter War Room" and "If Einstein Was So Smart, Why Wasn't He Rich?" This work was previously published as *Trump's America: The Complete Loser's Guide*.

Team of Vipers John Wiley & Sons
It's not good enough to want it. You've got to know how to get it. Real estate titan, bestselling author, and TV star Donald J. Trump is the man to teach you the billionaire mind-set-how to think about money, career skills, and life. Here is crucial advice on investing in real estate from the expert, everything from dealing with brokers to renovating to assessing the value of property, buying and selling, and securing a mortgage. Trump will show you how to cut costs, decide how much risk to assume in your investments, and divide up your portfolio. He'll also teach you how to impress anyone, how to correct or criticize someone effectively, and how to know if your friends are loyal-everything you need to know to get ahead. And once you've earned your money, you've got to learn to spend it well. Trump presents his consumer guide to the best things in life, from wine to golf clubs to engagement rings. Check out the billionaire lifestyle-how they shop and what they buy. Even if you're not superwealthy, you can afford many of these luxuries. And what look inside the

Trump world would be complete without *The Apprentice*? Trump will take you behind the scenes, from the end of season one and into season two, with insights into the making and the meaning of TV's hottest show. As Donald Trump proves, getting rich is easy. Staying rich is harder. Your chances are better, and you'll have more fun, if you think like a billionaire. This is the book that will help you make a real difference in your life.

How to Get Rich Currency

The instant New York Times and USA Today bestseller *America is suffering from PTSD—The Reckoning* diagnoses its core causes and helps us begin the healing process. For four years, Donald J. Trump inflicted an onslaught of overlapping and interconnected traumas upon the American people, targeting anyone he perceived as being an "other" or an enemy. Women were discounted and derided, the sick were dismissed as weak and unworthy of help, immigrants and minorities were demonized and discriminated against, and money was elevated above all else. In short, he transformed our country into a macro version of his malignantly dysfunctional family. How can we make sense of the degree to which our institutions and leaders have let us down? How can we negotiate a world in which all sense of safety and justice seems to have been destroyed? How can we—as individuals and as a nation—confront, process, and overcome this loss of trust and the ways we have been forever altered by chaos, division, and cruelty? And when the dust finally settles, how can we begin to heal, in the midst of ongoing health and economic crises and the greatest political divide since the Civil War? Mary L. Trump is uniquely positioned to answer these difficult questions. She

holds a Ph.D. in clinical psychology specializing in trauma, has herself been diagnosed with post-traumatic stress disorder, and happens to be Donald J. Trump's only niece. In *The Reckoning*, she applies her unique expertise to the task of helping us confront an all-encompassing trauma, one that has taken an immense toll on our nation's health and well-being. A new leader alone cannot fix us. Donald J. Trump is only the latest symptom of a disease that has existed within the body politic since America's inception—from the original sin of slavery through our unceasing, organized commitment to inequality. Our failure to acknowledge this, let alone root it out, has allowed it to metastasize. Now, we are confronted with the limits of our own agency on a daily basis. Whether it manifests itself in rising levels of rage and hatred, or hopelessness and apathy, the unspeakable stress of living in a country we no longer recognize has affected all of us for a long time, in ways we may not fully understand. An enormous amount of healing must be done to rebuild our lives, our faith in leadership, and our hope for this nation. It starts with *The Reckoning*.

Surviving Trump Adult Coloring Book (Political Humor Gift, Political Satire Coloring Book) HarperCollins

Instant #1 New York Times and Wall Street Journal bestseller From the Washington Post journalists Yasmeen

Abutaleb and Damian Paletta—the definitive account of the Trump administration's tragic mismanagement of the COVID-19 pandemic, and the chaos, incompetence, and craven politicization that has led to more than a half million American deaths and counting. Since the day Donald Trump was elected, his critics warned that an unexpected crisis would test the former reality-television host—and they predicted that the president would prove unable to meet the moment. In 2020, that crisis came to pass, with the outcomes more devastating and consequential than anyone dared to imagine. *Nightmare Scenario* is the complete story of Donald Trump's handling—and mishandling—of the COVID-19 catastrophe, during the period of January 2020 up to Election Day that year. Yasmeen Abutaleb and Damian Paletta take us deep inside the White House, from the Situation Room to the Oval Office, to show how the members of the administration launched an all-out war against the health agencies, doctors, and scientific communities, all in their futile attempts to wish away the worst global pandemic in a century. From the initial discovery of this new coronavirus, President Trump refused to take responsibility, disputed the recommendations of his own pandemic task force, claimed the virus would “just disappear,” mocked advocates for safe-health practices, and encouraged his base and the entire GOP to ignore or rescind public health safety measures. Abutaleb and Paletta reveal the numerous times officials tried to dissuade Trump from following his worst impulses as he defied recommendations from the experts and even members of his own administration. And they show how the petty backstabbing and rivalries

among cabinet members, staff, and aides created a toxic environment of blame, sycophancy, and political pressure that did profound damage to the public health institutions that Americans needed the most during this time. Even after an outbreak in the fall that swept through the White House and infected Trump himself, he remained defiant in his approach to the virus, very likely costing him his own reelection. Based on exhaustive reporting and hundreds of hours of interviews from inside the disaster zone at all levels of authority, *Nightmare Scenario* is a riveting account of how the United States government failed its people as never before, a tragedy whose devastating aftershocks will linger and be felt by generations to come.

Peril Penguin

In the three years since Donald Trump first announced his plans to run for president, the United States seems to become more dramatically polarized and divided with each passing month. There are seemingly irresolvable differences in the beliefs, values, and identities of citizens across the country that too often play out in our legal system in clashes on a range of topics such as the tensions between law enforcement and minority communities. How can we possibly argue for civic aspirations like tolerance, humility, and patience in our current moment? In *Confident Pluralism*, John D. Inazu analyzes the current state of the country, orients the contemporary United States within its broader history, and explores the ways that Americans can—and must—strive to live together peaceably despite our deeply engrained differences. *Pluralism* is one of the founding creeds of the United States—yet America's society and legal system continues to face deep, unsolved

structural problems in dealing with differing cultural anxieties and differing viewpoints. Inazu not only argues that it is possible to cohabitate peacefully in this country, but also lays out realistic guidelines for our society and legal system to achieve the new American dream through civic practices that value toleration over protest, humility over defensiveness, and persuasion over coercion. With a new preface that addresses the election of Donald Trump, the decline in civic discourse after the election, the Nazi march in Charlottesville, and more, this new edition of *Confident Pluralism* is an essential clarion call during one of the most troubled times in US history. Inazu argues for institutions that can work to bring people together as well as political institutions that will defend the unprotected. *Confident Pluralism* offers a refreshing argument for how the legal system can protect peoples' personal beliefs and differences and provides a path forward to a healthier future of tolerance, humility, and patience.

Trump: The Way to the Top Thomas Dunne Books

Lost Tycoon presents an unvarnished, in-depth portrayal of the man who vows to "Make America Great Again." Although it was first published in 1993, *Lost Tycoon* shows us that The Donald's personal character, political philosophy, business ethics, and attitude towards women haven't changed much in the past two decades. Trump is a man of many lives, and many wives. He is arguably the greatest self-promoter in the annals of American business. After inheriting a fortune, he made and lost billions in real estate and casino gambling, rising phoenix-like from his own ashes. He is a reality television show star, a father, a grandfather, and an alleged rapist. In

Hollywood terms, he has literally been the producer and director of his own biopic--a real life "Citizen Kane," whose father hammered the same lines into his head when was a little boy: "You are a killer . . . you are a king . . . you are a killer . . .you are a king." Harry Hurt has created a cinema vérité-style narrative that allows the words and actions of the principals to speak for themselves. It is indisputable that Donald's exploits in business, entertainment, and politics prove that he is--to borrow a metaphor from Fred Trump Sr.--"a killer." Reading this important biography about the real Donald Trump will help you to make an informed and engaged choice as to whether he is worthy of being "king."

It Was All a Lie Ten Speed Press

Rage is an unprecedented and intimate tour de force of new reporting on the Trump presidency facing a global pandemic, economic disaster and racial unrest. Woodward, the #1 international bestselling author of *Fear: Trump in the White House*, has uncovered the precise moment the president was warned that the Covid-19 epidemic would be the biggest national security threat to his presidency. In dramatic detail, Woodward takes readers into the Oval Office as Trump's head pops up when he is told in January 2020 that the pandemic could reach the scale of the 1918 Spanish Flu that killed 675,000 Americans. In 17 on-the-record interviews with Woodward over seven volatile months—an utterly vivid window into Trump's mind—the president provides a self-portrait that is part denial and part combative interchange mixed with surprising moments of doubt as he glimpses the perils in the presidency and what he calls the "dynamite behind every door." At key decision points, Rage shows how Trump's responses to

the crises of 2020 were rooted in the instincts, habits and style he developed during his first three years as president. Revisiting the earliest days of the Trump presidency, Rage reveals how Secretary of Defense James Mattis, Secretary of State Rex Tillerson and Director of National Intelligence Dan Coats struggled to keep the country safe as the president dismantled any semblance of collegial national security decision making. Rage draws from hundreds of hours of interviews with firsthand witnesses as well as participants' notes, emails, diaries, calendars and confidential documents. Woodward obtained 25 never-seen personal letters exchanged between Trump and North Korean leader Kim Jong Un, who describes the bond between the two leaders as out of a "fantasy film." Trump insists to Woodward he will triumph over Covid-19 and the economic calamity. "Don't worry about it, Bob. Okay?" Trump told the author in July. "Don't worry about it. We'll get to do another book. You'll find I was right."

Being Anti-Trump Has Never Been So Much Fun Crown Business

An investigative journalist and author since 1960, Michael Knight digs deep to expose the tyrants who have spent generations trying to destroy America and its people. Their plan was working. The New World Order agenda was very close to fulfillment. Until Ramtha - and Donald Trump - came along. "They" - the Deep State - the Cabal - assassinated President Kennedy. Will President Trump survive. Will his family? Will he successfully Drain The Swamp? From among the hundreds who have already bought this one-of-a-kind book, just three verified customer reviews: - "Wow what an amazing true history lesson interspersed with gems of deeper

knowledge." "This book is great, I bought 5 more to share with friends." "Thank you Michael, This is a great work and should read by everyone." Learn the truth about 666 - the number of man - the Mark of the Beast. Learn too about Divine Intervention - and the coming Golden Age. If you're tired of fake news. If you like to dig deep for truth. If you want to understand the Pyramid of Power - and how President Trump is bringing it down - you'll love this book.

Twenty Lessons from the Twentieth Century HarperCollins

#1 New York Times Bestseller * A historian of fascism offers a guide for surviving and resisting America's turn towards authoritarianism. The Founding Fathers tried to protect us from the threat they knew, the tyranny that overcame ancient democracy. Today, our political order faces new threats, not unlike the totalitarianism of the twentieth century. We are no wiser than the Europeans who saw democracy yield to fascism, Nazism, or communism. Our one advantage is that we might learn from their experience. On Tyranny is a call to arms and a guide to resistance, with invaluable ideas for how we can preserve our freedoms in the uncertain years to come. "Mr. Snyder is a rising public intellectual unafraid to make bold connections between past and present."

--The New York Times

The Art of the Comeback Crown Pub
"An indictment of the Republican party from one of the most successful Republican political operative of his generation"--

Rage Simon & Schuster

Do you need help surviving the Trump presidency? We can help ease the pain, with a few cocktails and a few laughs.If you woke up in shock after the election to discover the fresh hell that a

demagogue who preys on racial, ethnic and religious hostilities was elected President of the United States, you aren't alone.If this isn't a reason to drink, we don't know what is.Invite a few friends over, have a Trumped-Up cocktail party and commiserate about the state of the nation. It is going to take a little humor and a lot of alcohol to get us all through the next few years.We're going to make drinking great again!

Trump: Think Like a Billionaire Crown

THE INSTANT New York Times, Wall Street Journal, USA Today, and IndieBound BESTSELLER An NPR Book of the Day Picking up where the New York Times bestselling Front Row at the Trump Show left off, this is the explosive look at the aftermath of the election—and the events that followed Donald Trump's leaving the White House—from ABC News' chief Washington correspondent. Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl. As the reporter who has known Donald Trump longer than any other White House correspondent, Karl told the story of Trump's rise in the New York Times bestseller Front Row at the Trump Show. Now he tells the story of Trump's downfall, complete with riveting behind-the-scenes accounts of some of the darkest days in the history of the American presidency and packed with original reporting and on-the-record interviews with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by

Donald Trump, and now Jonathan Karl finds himself in a singular position to deliver the truth.

The Demagogue's Playbook Random House Digital, Inc.

President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal "Trump makes one believe for a moment in the American dream again."—The New York Times "Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet."—Chicago Tribune "Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed."—Boston Herald "A chatty, generous, chutzpa-filled autobiography."—New York Post *Surviving Autocracy* Random House

Incorporated

The host of the hit reality show *The Apprentice* presents an invaluable collection of grounded, hard-hitting advice on business success, from people who have made it to the boss's chair at some of America's most thriving companies. How can you find the way to the top? Ask people who are already there. Because you can't know it all. No matter how smart you are, no matter how comprehensive your education, no matter how wide-ranging your business experience, there's simply no way to acquire all the wisdom you need to make your business flourish. You need to learn from those who have blazed a trail before you. Donald Trump has asked many of the brightest, most successful businesspeople he knows—and some he doesn't know—to answer this question: What's the best business advice you ever received? The result is a compelling resource of wisdom and wit that reveals how some of the most accomplished people conduct their personal and business affairs, giving an inside look into the secrets of corporate success. But the advice doesn't only come from the upper echelons of the Fortune 500. Thoughts poured in from executives at thriving companies large and small, ranging from well-known icons such as Staples, American Airlines, Lillian Vernon, and Boeing to family-run operations like Orleans Homebuilders and Carlson Companies. *The Way to the Top* brings together the core ideas that have guided more than 150 of today's top businesspeople, offering a range of inspiring and practical advice on making good decisions, conducting yourself appropriately, developing your career, communicating with others, leading a team effectively, and much more. Some of the entries are simple entreaties,

some portray intriguing vignettes, and others outline lists of guiding principles; all are illuminating, instructive, and insightful. A telling to-do list for the

aspiring professional, *The Way to the Top* belongs on every business bookshelf.
