With an introduction on using the principles of The Servant in your life and career, this book redefines what it means to be a leader. In this absorbing tale, you watch the timeless principles of servant leadership unfold through the story of John Daily, a businessman whose outwardly successful life is spiraling out of control. He is failing miserably in each of his leadership roles as boss, husband, father, and coach. To get his life back on track, he reluctantly attends a weeklong leadership retreat at a remote Benedictine monastery. To John's surprise, the monk leading the seminar is a former business executive and Wall Street legend.

Taking John under his wing, the monk guides him to a realization that is simple yet profound: The true foundation of leadership is not power, but authority, which is built upon relationships, love, service, and sacrifice. Along with John, you will learn that the principles in this book are neither new nor complex. They don't demand special talents; they are simply based on strengthening the bonds of respect, responsibility, and caring with the people around you. The Servant's message can be applied by anyone, anywhere—at home or at work. If you are tired of books that lecture instead of teach; if you are searching for ways to improve your leadership skills; if you want to understand the timeless virtues that lead to lasting and meaningful success, then this book is one you cannot afford to miss.

The Purpose Driven Life Random House

Researcher and thought leader Dr. Brené Brown offers a powerful

new vision in *Daring Greatly* that encourages us to embrace vulnerability and imperfection, to live wholeheartedly and courageously. 'It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; . . . who at best knows in the end the triumph of high achievement, and who at worst, if he fails, at least fails while daring greatly' -Theodore Roosevelt Every time we are introduced to someone new, try to be creative, or start a difficult conversation, we take a risk. We feel uncertain and exposed. We feel vulnerable. Most of us try to fight those feelings - we strive to appear perfect. Challenging everything we think we know about vulnerability, Dr. Brené Brown dispels the widely accepted myth that it's a weakness. She argues that vulnerability is in fact a strength, and when we shut ourselves off from revealing our true selves we grow distanced from the things that bring purpose and meaning to our lives. *Daring Greatly* is the culmination of 12 years of groundbreaking social research, across the home, relationships, work, and parenting. It is an invitation to be courageous; to show up and let ourselves be seen, even when there are no guarantees. This is vulnerability. This is daring greatly. 'Brilliantly insightful. I can't stop thinking about this book' -Gretchen Rubin Brené Brown, Ph.D., LMSW is a #1 New York Times bestselling author and a research professor at the University of Houston Graduate College of Social Work. Her groundbreaking work was featured on Oprah Winfrey's Super Soul Sunday, NPR, and CNN. Her TED talk is one of the most watched TED talks of all time. Brené is also the

author of *The Gifts of Imperfection* and *I Thought It Was Just Me* (but it isn't).

Todo mundo que já passou por algum momento difícil sabe como é essencial receber ajuda e aconselhamento de quem nos ama e nos quer bem. E se essa ajuda pudesse vir do céu e de entes queridos que já se foram? Segundo as centenas de pessoas que relataram suas histórias a Theresa Cheung, isso não só é possível como pode acontecer com qualquer um, a qualquer momento. Conversando com o céu é uma fascinante obra que mostra como o mundo espiritual nos envia constantemente mensagens e sinais inspiradores, que podem mudar nossa vida de maneira mágica? seja por meio de uma forte intuição que nos afasta de um perigo, seja por meio da sensação reconfortante de saber que um ente querido está bem no outro mundo. Utilizando seus próprios relatos e também de pessoas comuns, a autora aborda temas como experiências fora do corpo, visões noturnas, sonhos premonitórios e até anjos que salvaram a vida de muita gente. Além disso, dá dicas práticas de como identificar os momentos em que o céu fala conosco e de como encontrar nossa própria forma de conversar com ele. Como a própria autora diz, de forma muito delicada, esta obra é sobre o poder transformador do amor eterno, um lembrete de que milagres podem acontecer e acontecem conosco. Você reconhece esse sentimento quando um passarinho segue a seu lado em uma caminhada, quando pega o telefone para ligar para alguém especial que está ligando para você na mesma hora ou quando um estranho é gentil justamente naquele momento em que você precisa ser confortado. Esses momentos trazem o céu para mais perto de nós?.
