MATTEO JACK

The Making and Meaning of the New Testament Hassell Street Press

Discovering the New Testament is a new and comprehensive introduction to the New Testament in three volumes, reflecting current research and scholarship in New Testament studies. Each volume provides a thorough discussion of background issues as well as treating theological themes and practical application. In this third volume, Mark J. Keown surveys Hebrews, the General Epistles, and Revelation. In addition to covering introductory matters, Keown addresses key concerns for each book, such as the use of the Old Testament in Hebrews, James's view of justification, the relationship of 2 Peter and Jude, and Revelation's various interpretative approaches. Ideal for college or seminary students, Discovering the New Testament provides numerous maps and charts as well as discussion questions for each chapter and a focus on real-life relevance and application.

The New Testament Its Background and Message B & H Academic

Selected Documents; Baker Books

This text is a classic by one of America's most widely respected New Testament scholars. It provides a clear and comprehensive introduction to the New Testament. In a straightforward and understandable style--without distortion or oversimplification--Prof. Metzger closely examines the historical background and content of the New Testament and details the role of scribes and translators in handing the Scriptures down through the centuries. Utilizing the finest modern scholarship, Dr. Metzger looks at the people, societies, and events that produced the New Testament. Palestinian Judaism, Greco-Roman paganism, sources of our knowledge of Jesus Christ, essential aspects of Christ's teaching, sources and chronology of the apostolic age, the work of

Paul, the general letters, and the Book of Revelation are all clearly illuminated. The Second edition of this book added an appendix on the formation of the canon of the New Testament and the work of scribes. The third edition will represent a substantial update of the 1965 text based on the New Revised Standard Version. In addition to stylistic changes, the author updates the text regarding research on the Dead Sea Scrolls and the Nag Hammadi tractates. This edition adds a glossary, 30 graphics and photos, and is resized to a larger 6x9 page.

Introducing the New Testament Wipf and Stock Publishers

Paul was the most influential figure in the early Christian church. In this epistle, written to the founders of the church in Rome, he sets out some of his ideas on the importance of faith in overcoming mankind's innate sinfulness and in obtaining redemption. With an introduction by Ruth Rendell

The Epistle of Paul the Apostle to The Romans B&H Publishing Group

This is the first detailed study of Johannine mysticism against a Palestinian Jewish background has been previously undertaken. This book investigates whether there was a "mystical" practice in first-

century Palestine and whether John can be better understood in the light of such practice, if there was any. In analysis, two strands of Jewish mysticism, the early forms of Ma`aseh Merkabah and of Ma`aseh Bereshit, emerge as existing in first-century Palestine. While the former narrates by means of Ezek. 1 the experience of seeing God in His kingly glory, the latter describes the same experience by using Gen. 1. This book consists of three parts. Part one analyses Hellenistic mysticism as expressed by the Hermetica and Hellenistic-Jewish mysticism as presented by Philo. Part two traces the important elements of Merkabah mysticism from the later Hekhalot literature and the Jewish and Christian writings belonging to 2 cent. BCE - 1 cent. CE by defining the term "mysticism" in terms of the fourteen aspects of Jewish mysticism, an exegetical study of seven themes is undertaken in Part Three. The study shows that the conceptual parallels in John with Hellenistic mysticism and Hellenistic-Jewish mysticism are very slender, but indicates John's polemical motive against the Merkabah mystics of his time. He calls them to believe in Jesus as the Christ, the Son of God, by proclaiming that the divine glory, claimed by them to be revealed in human-like form on the throne, is now visible in the historical person, Jesus, particularly in his death on the Cross. Thus Jewish Throne-mysticism seems to have been reinterpreted by John as Cross-mysticism.

[The Old Testament Canon of the New Testament Church](#) Zondervan Academic

A solid, well-done introduction to the New Testament for undergraduates that explores teaching on faith issues, as well as the theology and spirituality of the New Testament. Reflections, study questions, charts, and indexes are included. +

Context, History, and Development Wm. B. Eerdmans Publishing

Each book of the New Testament is introduced and investigated with scholarship and biblical faithfulness. Includes all the information usually found in a Bible handbook - author, date, historical background, purpose, outline - but it goes much further. The authors provide an exposition of every passage in the New Testament, written in contemporary, understandable language. Sidebars and inserts offer other valuable reference material such as lists of the parables of Jesus, the miracles of Jesus, and key theological principles.

Ancient and English Versions Canongate U.S.

Discovering the New Testament is a new and comprehensive introduction to the New Testament in three volumes, reflecting current research and scholarship in New Testament studies. Each volume provides a thorough discussion of background issues as well as treating theological themes and practical application. The first volume on the Gospels and Acts covers Jewish and Greco-Roman backgrounds, critical methodologies, the synoptic problem, and surveys each of the four gospels and Acts. It concludes with three chapters that explore the key theme of the kingdom of God, including its Old Testament background, the place of miracles, and an examination of Jesus' parables. Ideal for college or seminary students, the volumes provide numerous maps and charts, as well as discussion questions for each chapter and a focus on real-life relevance and application. Forthcoming volumes will focus on Paul (Vol. 2) and the general epistles and Revelation (Vol. 3).

The Cultural Background of the New Testament HarperOne

In the comprehensive *The New Testament: Its Background and Message*, the late Thomas Lea presented a clear and concise introduction to the New Testament giving readers the key that unlocks the door to understanding these important texts. This influential work presents the background of the New Testament with broad strokes and with a focus on specific books including the Gospels, Acts, and Paul and his letters. Originally written in an easy-to-understand style and form, Lea's text continues to unlock the message of the New Testament for both new students and seasoned scholars.

Revelation A&C Black

This workbook accompanies *The New Testament in Its World* by N. T. Wright and Michael F. Bird. Following the textbook's structure, it offers assessment questions, exercises, and activities designed to support the students' learning experience. Reinforcing the teaching in the textbook, this workbook will not only help to enhance their understanding of the New Testament books as historical, literary, and social phenomena located in the world of early Christianity, but also guide them to think like a first-century believer while reading the text responsibly for today.

The New Testament Background The New TestamentIts Background and Message

This new study of the Old Testament canon by Roger Beckwith is on a scale to match H. E. Ryle's classic work, which was first published in 1892. But Beckwith has the advantage of writing after the Qumran (and other) discoveries; and he has also made full use of all the available sources, including biblical manuscripts and rabbinical and patristic literature, taking into account the seldom studied Syriac material as well as the Greek and Latin material. The result of many years of study, this book is a major work of scholarship on a subject which has been neglected in recent times. It is both historical and theological, but Beckwith's first consideration has been to make a thorough and unprejudiced historical investigation. One of his most important concerns - and one that is crucial for all students of Judaism, and Christians in particular - is to decide when the limits of the Jewish canon were settled. In the answer to this question lies an important key to the teaching of Jesus and his apostles, and the resultant beliefs of the New Testament church. Furthermore, any answers to questions about the state of the canon in the New Testament period would help to open a way through the present ecumenical (and interfaith) impasse on the subject. With its meticulous research and evenhanded approach, this book is sure to become the starting point for study of the Old Testament canon in the years to come.

Its Background and Message Paulist Press

The Bible has been translated more than any other piece of literature and is currently available in over two thousand languages, with several languages having numerous versions. Outlined here is the development of biblical translation, including a careful analysis of more than fifty versions of the Bible. One of the most respected living biblical scholars, Bruce Metzger begins this engaging survey with the earliest translations of the Old and New Testaments before proceeding to English versions dating from the eleventh century to the present. Metzger explores the circumstances under which each translation was produced and offers insight into its underlying objectives, characteristics, and strengths. Having served on a number of modern translation committees, his insights into the evolution of Bible translation flow not only from careful research, but also from personal experience. Students, pastors, and interested readers will discover the history of the written Word and gain useful insight into which modern translations best serve their own needs.

Its Literature and Theology Zondervan Academic

This helpful volume helps the student of the New Testament organize and synthesize the vast amount of biblical and extrabiblical material involved by providing a helpful visual overview of the data, chronology, historical background, and criticism of the New Testament. This format allows facts, relationships, parallels, and contrasts to be grasped quickly and easily.

The Text of New Testament Baker Books

The most comprehensive volume ever produced in defense of the Gospels and Acts The four Gospels and the book of Acts tell stories of Jesus' life and the birth of Christianity. Are these stories true history or just religious fiction? Christians accept the stories as true and say that the entire Bible is a reliable communication inspired by God. Against this, non-Christians have argued that the Bible is a book of legends, myths, and historical inaccuracies—just another example of human religious endeavor. In this volume, four world-class New Testament scholars address challenges to the reliability of the Gospels and Acts. In order to identify the most important challenges, the authors drew from the literature of skeptics and New Testament critics, plus they included questions that many Christians ask as well. The result is the most comprehensive defense of the Gospels and Acts that has ever been published. The primary purpose of the Holman Apologetics Commentary on the Bible is to equip readers to defend the reliability of Scripture and the historic evangelical understanding of its teachings. It is designed for use by general readers, though scholars will find it a probing and welcome resource as well. A secondary purpose is to encourage awareness and discussion of Bible difficulties that are not commonly mentioned from the pulpit or even the seminary lectern. This is not a verse-by-verse commentary. The authors were provided an index that identified verses known to be relevant to the topics of apologetics and biblical reliability. They restricted their comments to these verses, plus any others that they recognized as germane to the aims of this project. Typically, each commentary note begins by stating the challenge or challenges regarding the text at hand. We attempt to state the case in all its potency, as a critic would state it. This approach takes seriously the critical viewpoint and helps ensure that the reader feels the full weight of the challenge. The contributors take each challenge seriously and seek to describe viable solutions that support faith and align with a high view of Scripture.
