Diary of a Vampire Masquerade Books
Imagine finding a diary from 1986 and realizing the sixteen-year-old author was the object of desire for "real" vampires who lurked in her high school. Not blood-sucking, immortal vampires...these "vampires" were predators, abusive guys, who seduced innocent girls with their studly good looks and charm. They didn't turn you into a vampire or kill you like the fictional bloodsuckers. By the

time these soul-sucking vampires dumped you, broken, lost, alone, empty- you had only one wish left-that you really were dead. Sydney's Vampire Diary - Sophomore & Junior Years weaves the hot topic of vampires with the reality of teen dating violence. Teens will never meet a blood-sucking, immortal vampire but many will meet a soul-sucking predator who will emotionally or physically hurt them. Set in the medieval ages or the 1980's, a time before cell phones, computers and personal networking websites, sophomore Sydney Barrett tries to pick

up the pieces from her last "vampire" relationship with the wickedly handsome Chase in time to make Varsity cheerleader. But have her "vampire" experiences damaged her so badly that she'll never find true love or happiness with luscious new hottie Heath? Or will she always crave the excitement, danger and thrill of a relationship with a vampire?

The spellbinding classic that started it all, from the #1 New York Times bestselling author—the inspiration for the hit television series “A magnificent, compulsively readable thriller . . . Rice begins where Bram Stoker and the Hollywood versions leave off and

penetrates directly to the true fascination of the myth—the education of the vampire.”—Chicago Tribune Here are the confessions of a vampire. Hypnotic, shocking, and chillingly sensual, this is a novel of mesmerizing beauty and astonishing force—a story of danger and flight, of love and loss, of suspense and resolution, and of the extraordinary power of the senses. It is a novel only Anne Rice could write.

A diary is discovered by a college student in the attic of a foreclosed home. It is the diary of a music student, Nicci,

during her studies at a convent in Italy. Journeying into the unknown, the student unravels the story of a beautiful, innocent girl turned into a vampire by the love of her life. Never in her 200 years did Nicci expect her secret love affairs to be revealed.

Kera Stone was born on February 29, 1820, a leap year. She was left-handed, and her personality was not considered "normal" amongst the young women of her time. All of these details led her fellow townspeople to label her a witch and worshipper of the devil, but she was neither, although life would have been easier if she had been both. This is her diary. It tells the story of the bullying

and victimization that ultimately led to what Kera is now. In a world of the small-minded and judgmental, surrounded by cruelty, she was lucky to find kindness, as well as a new existence opening up to her. Kera's diary is the truth of what she was and what she has become. As a new creation, she found creatures she could never have imagined and love she never knew before. Now, her time is short. She and others like her have lost their ways and started a war. Perhaps through her words, a solution can be found. Perhaps recording her story can save both Kera and her friends before it's too late.

The Wimpy Vampire Strikes Back Dalkey Archive Press

This is my journal -- my diary. It's a personal glimpse into my life and all that

would happen to me one fateful summer and fall. A record, you might say, of the events that would change the course of my life for all eternity. This is my story, and I will tell you all you need to know of me -- of the life I once had, of the girl I once was. And of what I have now come to be. Have you ever wondered what it would be like to be immortal? To live forever? To be free of the pain that comes with being human? Have you ever wondered what the consequences of such a thing might be? If you had to decide between morality and a happiness few ever find -- which would you choose? And what would you do if the choice were suddenly taken from you?

The Vampire Diaries Notebook Dell
After the death of his half brother,

Stefan, at the hands of Vlad Tsepesh--also known as Dracula--and after the destruction of his vampire father, Arkady, also at the hands of Vlad, Abraham van Helsing has traveled the world slaying many vampires. With every vampire he destroys, Bram becomes stronger and Vlad weaker, and soon Bram hopes he will be able to finally kill the fearsome vampire who has kept the Tsepesh family enslaved through a centuries-old blood ritual. But a desperate Vlad and his vampire great-niece, Zsuzanna, summon help from the most powerful, brutal, and beautiful vampire of all--Countess Elizabeth of Bathory. Bram learns of their plot to destroy him, and makes his own move to strike out at Vlad before Vlad can put him to death. He teams up with a

courageous band of humans as he hunts Vlad--including Mina Harker and John Seward--and they finally succeed in killing the head of the Tsepesh clan, just as Bram Stoker foretold in Dracula. But the terror does not end with the death of Vlad, for there is another force that drives Vlad, Zsuzanna, Elizabeth and all the vampires, an ancient entity more evil than anything Bram has ever encountered: the Lord of the Vampires. And for Bram to defeat this dark lord, he must once again risk losing his very soul, to save not only his family, but humanity as well. In her final book in The Diaries of the Family Dracul trilogy, Jeanne Kalogridis brilliantly melds her own fascinating story of the Tsepesh family with that of Bram Stoker's classic, Dracula. Told in diary form like the first

two books and Stoker's own chilling tale, LORD OF THE VAMPIRES reveals the dark, startling truths behind the original Dracula.

Have you ever heard the legends and myths about Vampires? Well, what if I told you they were all wrong? Vampires are as invisible to the human eye as the spider web is to the fly. They walk around in the daylight, go to school, church and have everyday jobs like everybody else. They eat and drink the same as other people. They get married have babies, grow old and die. I should know I am one. Join me on my adventure. From the time I found out to the very end. Through heartache and tears. See my life unfold as prophesy and legend reveal the truth of my

existence.

Diary of a Vampeen BMB Digital

Nigel Mullet is just your average fifteen-year-old immortal vampire: he likes to play video games, laze about, awkwardly pursue girls, write in his diary and occasionally save the day. But now Nigel finds himself in charge of the vampire coven on the remote island of Hirta, a responsibility he's not particularly enjoying. He's sick of resolving petty disputes between vampires when he could be using his position to get to know the hot vamp girls who have been increasingly showing interest in him, especially the sultry Lenora. Power does have some other positives, though, such as having the biggest room in Hirta Castle and getting away without doing vampire history homework. When Nigel allows a recent coven recruit named Viktor to take over his role, the

newcomer proves himself to be a brutal and merciless leader. The hapless Nigel is cajoled into becoming the leader of the resistance movement, but can he defeat the tyrant? Can he prove himself a leader of men (even though he's really not that bothered)? And will he get the girl?

 "Diary of a Redneck Vampire" is the

journal of a 23 year-old female drummer, begun shortly after auditioning for the all-male heavy metal band "The Redneck Vampires" in 1993. New to the band, Flo finds herself the only girl in a man's world, and she kept this diary to deal with her changing life. She captures the band's plight as they tour North America, living on stranger's couches, fighting among themselves, getting and losing record deals, and performing for just enough cash to make it to the next town. In addition to the pursuit of rock stardom, Flo also seriously studied the pagan religion of Wicca, and her spiritual life grows and changes as the pages turn. You will laugh at the idiocy, experience the raging, energetic crowds from the view of a drummer playing on stage, and recognize the struggle bands

go through to meet their definition of success. Full of the drugs, the drama, and the dreams of rock and roll, "Diary of a Redneck Vampire" pushes limits and exposes the ugly truth of the beginning stages of a band in their struggle to make it in the music industry, shared uniquely from the perspective of a female participant.
