 The course will start Tuesday 29th August at 9.15 in Aud 6. ...
 Rotman: An introduction to algebraic topology.
 Spanier: Algebraic topology. Switzer: Algebraic topology - homology and homotopy. Whitehead. Elements of homotopy theory.
 Algebraic Topology I Blok 1 2006 - ku
 There is a canard that every textbook of algebraic topology either ends with the definition of the Klein bottle or is a personal communication to J. H. C. Whitehead. Of course, this is false, as a glance at the books of Hilton and Wylie, Maunder,

Munkres, and Schubert reveals. Still, the canard does reflect some truth. Too often one finds too much generality and too little attention to details.
 An Introduction to Algebraic Topology - Joseph Rotman ...
 set topological nature that arise in algebraic topology. Since this is a textbook on algebraic topology, details involving point-set topology are often treated lightly or skipped entirely in the body of the text. Not included in this book is the important but somewhat more sophisticated topic of spectral sequences.
