e course text
in five prior
editions, this
book has now
been
extensively
revised, with a
focus on

disciplinary literacy. It offers a research-based framework for helping students in grades 6–12 learn to read, write, and communicate academic content and to develop the unique literacy, language, and problem-solving skills required by the different disciplines. In an engaging, conversational style, William G. Brozo presents effective instruction and assessment	practices. Special attention is given to adaptations to support diverse populations, including English language learners. Pedagogical features include chapter-opening questions plus new case studies, classroom dialogues, practical examples, sample forms, and more. (Prior edition title: Content Literacy for Today's Adolescents, Fifth Edition.)	New to this Edition: *Incorporates a decade of research, current standards, and the latest concepts and practices related to disciplinary literacy. *Chapter on culturally and linguistically diverse learners. *Expanded coverage of the use of technology and multiple text sources, such as graphic novels and digital texts. *Increased attention to academic vocabulary
---	--	--

and language. *Congressional Record* Univ of South Carolina Press

When Heaven and Earth Collide is an investigation into what went wrong in the American South in regard to race and religion—and how things can be and are being made right. Why, in a land filled with Christian churches, was there such racial oppression and division? Why didn't white evangelicals do more to

bring racial reconciliation to the South during the 19th and 20th centuries? These questions are asked and answered through an exploration of history, politics, economics, philosophy, and social and theological studies that uncovers the hidden impetus behind racism and demonstrates how we can still make many of the same errors today—just perhaps in different

ways. The investigation finally leads us in hopeful directions involving how to live out the better way of Jesus with an eye on heaven in a world still burdened and broken under the sins of the past.

New York Magazine Routledge

Born out of an engagement with anti-racist feminist struggles as women of color from the Global South, *Feminist Freedom Warriors* (FFW) is a project showcasing

cross-generational histories of feminist activism addressing economic, anti-racist, social justice, and anti-capitalist issues across national borders. This feminist reader is a companion to the FFW video archive project that is currently available online. Using text and images, the book presents short narratives from the women featured in the FFW

project and illustrates the intersecting struggles for justice in the fight against oppression. These are stories of sister-comrades, whose ideas, words, actions, and visions of economic and social justice continue to inspire a new generation of women activists. *Freedom Riders* Simon and Schuster "A firsthand exploration of the cost of boarding the bus of change to move America

forward-written by one of the Civil Rights Movement's pioneers. At 18, Charles Person was the youngest of the original Freedom Riders, key figures in the U.S. Civil Rights Movement who left Washington, D.C. by bus in 1961, headed for New Orleans. This purposeful mix of black and white, male and female activists-including future Congressman John Lewis,

Congress of Racial Equality Director James Farmer, Reverend Benjamin Elton Cox, journalist and pacifist James Peck, and CORE field secretary Genevieve Hughes-set out to discover whether America would abide by a Supreme Court decision that ruled segregation unconstitutional in bus depots, waiting areas, restaurants, and restrooms nationwide. The Freedom Riders found

their answer. No. Southern states would continue to disregard federal law and use violence to enforce racial segregation. One bus was burned to a shell; the second, which Charles rode, was set upon by a mob that beat the Riders nearly to death. Buses Are a Comin' provides a front-row view of the struggle to belong in America, as Charles leads his colleagues off the bus, into the station, into

the mob, and into history to help defeat segregation's violent grip on African American lives. It is also a challenge from a teenager of a previous era to the young people of today: become agents of transformation. Stand firm. Create a more just and moral country where students have a voice, youth can make a difference, and everyone belongs"--

<p>Mississippi This essential guide helps teachers refine their approach to fundamental challenges in the classroom. Based on research from cognitive science and formative assessment, it ensures teachers can offer all students the support and challenge they need – and can do so sustainably. Written by an experienced teacher and teacher educator, the book balances evidence- informed</p>	<p>principles and practical suggestions. It contains: A detailed exploration of six core problems that all teachers face in planning lessons, assessing learning and responding to students Effective practical strategies to address each of these problems across a range of subjects Useful examples of each strategy in practice and accounts from teachers already using these</p>	<p>approaches Checklists to apply each principle successfully and advice tailored to teachers with specific responsibilitie s. This innovative book is a valuable resource for new and experienced teachers alike who wish to become more responsive teachers. It offers the evidence, practical strategies and supportive advice needed to make sustainable, worthwhile changes.</p>

 Scholastic Inc. Modeled after the popular TV game show; features categories like state History, Geography, Exploration, People, Statehood, State Attractions, and lots more. Each category lists educational and entertaining answers--the student gives the correct question. Includes

approximately 30 categories and 150 answers and questions. Kids love the Jeopardy-style format! This reproducible book features categories of your state to build quick-thinking skills. The categories includes missions, animals, landmarks, flag facts, ancestors, politics, settlers, statehood, trivia, first, potpourri and more.
Resurrecting the Prophet
 Crown
 There has been a recent

expansion of interest in cultural approaches to rural communities and to the economic and social situation of rurality more broadly. This interest has been particularly prominent in Australia in recent years, spurring the emergence of an interdisciplinary field called 'rural cultural studies'. This collection is framed by a large interdisciplinary research project that is part of that

emergence, particularly focused on what the idea of 'cultural sustainability' might mean for understanding experiences of growth, decline, change and heritage in small Australian country towns. However, it extends beyond the initial parameters of that research, bringing together a range of senior and emerging Australian researchers who offer diverse

approaches to rural culture. The essays collected here explore the diverse forms that rural cultural studies might take and how these intersect with other disciplinary approaches, offering a uniquely diverse but also careful account of life in country Australia. Yet, in its emphasis on the simultaneous specificity and cross-cultural recognisability of rural communities, this book also

outlines a field of inquiry and a set of critical strategies that are more broadly applicable to thinking about the "rural" in the early twenty-first century. This book will be valuable reading for students and academics of Geography, History, Literary Studies, Cultural Studies, Anthropology and Sociology, introducing rural cultural studies as a new dynamic and integrative discipline.

The Freedom Riders Across Borders
iUniverse
The saga of the Freedom Rides is an improbable, almost unbelievable story. In the course of six months in 1961, four hundred and fifty Freedom Riders expanded the realm of the possible in American politics, redefining the limits of dissent and setting the stage for the civil rights movement. In this new version of his

encyclopedic Freedom Riders, Raymond Arsenault offers a significantly condensed and tautly written account. With characters and plot lines rivaling those of the most imaginative fiction, this is a tale of heroic sacrifice and unexpected triumph. Arsenault recounts how a group of volunteers--blacks and whites--came together to travel from Washington DC through

the Deep South, defying Jim Crow laws in buses and terminals and putting their lives on the line for racial justice. News photographers captured the violence in Montgomery, shocking the nation and sparking a crisis in the Kennedy administration . Here are the key players-- their fears and courage, their determination and second thoughts, and the agonizing choices they faced as they took on Jim Crow--and triumphed.

Winner of the Owsley Prize Publication is timed to coincide with the airing of the American Experience miniseries documenting the Freedom Rides "Arsenault brings vividly to life a defining moment in modern American history." --Eric Foner, The New York Times Book Review "Authoritative, compelling history." -- William Grimes, The New York Times "For those

interested in understanding 20th-century America, this is an essential book." --Roger Wilkins, Washington Post Book World "Arsenault's record of strategy sessions, church vigils, bloody assaults, mass arrests, political maneuverings and personal anguish captures the mood and the turmoil, the excitement and the confusion of the movement and the time." --Michael Kenney, The

 More than two
 decades after
 his death,
 Martin Luther
 King, Jr.
 remains
 America's
 preeminent
 symbol of the
 civil rights
 movement. In
 the early
 years of the
 movement
 King
 advocated a
 policy of
 nonviolent
 resistance to
 the racism
 ingrained in
 American
 society. In
 later years,
 however, King
 adopted a
 more militant
 stance toward

racial and
 other forms of
 injustice. In
 this innovative
 book Richard
 Lentz
 considers King
 as a cultural
 symbol, from
 the
 Montgomery
 bus boycott of
 1955–1956 to
 the Poor
 People's
 Campaign,
 which King
 helped
 organize
 shortly before
 his
 assassination
 in 1968. In
 particular,
 Lentz
 examines the
 ways the
 three major
 news
 weeklies—Ne
 wsweek, Time,
 and U.S. News

& World
 Report—prese
 nted King to
 their readers.
 It is primarily
 through media
 institutions
 that
 Americans
 shape and
 interpret their
 values.
 Newsweek,
 Time, and U.S.
 News—though
 representing
 different
 shadings of
 political
 ideology,
 ranging from
 left of center
 to
 conservative—
 were all aimed
 at the same
 audience,
 middle-class
 Americans.
 Therefore
 their influence
 on the

nation's values during a period of enormous social upheaval was significant. In the mid-1960s, when King shifted from reform to radicalism, the news magazines were thrust into what Lentz calls a "crisis of Symbols" because King no longer fit the symbolic mold the magazines had created for him. Lentz investigates how the magazines responded to this crisis,

discussing the ways in which their analyses of King shifted over time and the means they employed to create a new symbolic image that made sense of King's radicalization for readers. This is an important, perceptive study of Martin Luther King, Jr.'s career and an astute critical analysis of the reporting practices of the news media in the modern era.

Education
Learn how to design history lessons that foster students' knowledge, skills, and dispositions for civic engagement. Each section of this practical resource introduces a key element of civic engagement, such as defending the rights of others, advocating for change, taking action when problems are observed, compromising to promote

<p>reform, and working with others to achieve common goals. Primary and secondary sources are provided for lessons on diverse topics such as Alice Paul and the Silent Sentinels, Samuel Gompers and the American Federation of Labor, Harriet Tubman, Reagan and Gorbachev's unlikely friendship, and Lincoln's plan for reconstructing the Union. With Teaching History, Learning</p>	<p>Citizenship, teachers can show students how to apply historical thinking skills to real world problems and to act on civic dispositions to make positive changes in their communities. Book Features: Ready-to-use lessons on important historical topics that are likely already part of the history curriculum. Materials that allow teachers flexibility in the way lessons are designed. Lessons</p>	<p>aligned with important civic engagement themes, including ideas for additional historical topics that are useful to teach similar material. Strategies to help teachers facilitate the transfer of thinking skills and concepts (such as empathy, corroboration, and historiography) into the realm of civic engagement. Background knowledge customized for use with the documents</p>
---	---	---

<p>included in the book.</p> <p><i>The Freedom Riders Across Borders</i></p> <p>Hodder Gibson</p> <p>What happens when a woman dares to imagine herself a hero?</p> <p>Questing, she sets out for unknown regions.</p> <p>Lighting a torch, she elicits from the darkness stories never told or heard before. The woman hero sails against the tides of great legends that recount the adventures of heroic men, legends</p>	<p>deemed universal, timeless, and essential to our understanding of the natural order that holds us and completes us in its spiral.</p> <p>Yet these myths and rituals do not fulfill her need for an empowering self-image nor do they grant her the mobility she requires to imagine, enact, and represent her quest for authentic self-knowledge.</p> <p>The Feminization of Quest-Romance</p>	<p>proposes that a female quest is a revolutionary step in both literary and cultural terms. Indeed, despite the difficulty that women writers face in challenging myths, rituals, psychological theories, and literary conventions deemed universal by a culture that exalts masculine ideals and universalizes male experience, a number of revolutionary texts have come into existence in</p>
--	--	---

the second half of the twentieth century by such American women writers as Jean Stafford, Mary McCarthy, Anne Moody, Marilynne Robinson, and Mona Simpson, all of them working to redefine the literary portrayal of American women's quests. They work, in part, by presenting questing female characters who refuse to accept the roles accorded them by restrictive social norms,

even if it means sacrificing themselves in the name of rebellion. In later texts, female heroes survive their "lighting out" experiences to explore diverse alternatives to the limiting roles that have circumscribed female development. This study of *The Mountain Lion*, *Memories of a Catholic Girlhood*, *Coming of Age in Mississippi*, *Housekeeping*, and *Anywhere but Here* identifies

transformations of the quest-romance that support a viable theory of female development and offer literary patterns that challenge the male monopoly on transformative knowledge and heroic action.

The Freedom Writers Diary (20th

Anniversary Edition) St.

Martin's Griffin

If you research the life of Martin Luther King Jr. you might find references to a time in his childhood, perhaps when

he was still known as Michael and that it was rumored he had attempted suicide. Years later in Memphis he shared his vision with the world. "I've been to the mountaintop," he declared, "and I've seen the Promised Land." He asked his listeners to carry on with faith, even if they had to do it without him. He shared with them his very personal belief that if he could be given the opportunity to

stand in heaven and choose the time and place he would most like to live, he would want to travel through the ages to watch Lincoln and the great Martin Luther and the builders of Rome and many others. But, he assured the crowd; in the end he would ask for just what he had received, a few years in the second half of the twentieth century to witness the beginnings of change

unfold. Jump from the window with Michael and travel to the mountaintop. You will never hear the words "I have a dream" again without reliving this Freedom Ride. *Mississippi Jeopardy!:* *Answers & Questions About Our State!* Guilford Publications Twelve Days in May Astra Publishing House *Riding Freedom* Wipf and Stock Publishers In the 1960s, Edenville, North Carolina is full of rules.

Sagging under the weight of racism and segregation the small community finds itself at a dangerous tipping point. Eleven-year-old Betty Grafton believes the world is fair. She knows there are worse places to live than Edenville. Unaware of the wars waging around her, she spends her days patting horses in the field and running errands for her mother. The world she doesn't see,

full of turmoil and unrest, is hiding just below the surface. One day, she has no choice but to see what's been right in front of her all along. Alma knows where to walk. She knows who to talk to and which fountain she can drink out of. Her mother, Winnie, spares no opportunity to remind her how dangerous it is to be a little black girl in the South. When a chance encounter puts Betty face to face

with the peril that exists in her own hometown, everything she knows turns upside down. The world isn't as fair or safe as she'd imagined. Her family is the Klan. Her friends are the enemy. And nothing makes sense anymore. Although the world demands they stay apart, Alma and Betty forge a secret friendship. One that could cost them their lives.

Discover the true story of the woman Dr. Martin Luther King Jr. nicknamed "Red" because of her fiery spirit! Mary Hamilton grew up knowing right from wrong. She was proud to be Black, and when the chance came along to join the Civil Rights Movement and become a Freedom Rider, she was eager to fight for what she believed in. Mary was arrested again and

again—and she did not back down when faced with insults or disrespect. In an Alabama court, a white prosecutor called her by her first name, but she refused to answer unless he called her "Miss Hamilton." The judge charged her with contempt of court, but that wasn't the end of it. Miss Mary Hamilton fought the contempt charge all the way to the Supreme Court. Powerful free

verse from Carole Boston Weatherford and striking scratchboard illustrations by Jeffery Boston Weatherford, accompanied by archival photographs, honor this unsung heroine who took a stand for respect—and won.
Freedom Rider Diary
University Press of Kentucky
Author Anne Wallace Sharp describes the events that led up to and followed the historic Freedom Rides of 1961.

The experiences of African Americans in the Jim Crow South, the stark inequality enforced with segregation laws, and the struggles of the budding civil rights movement are all discussed. Sharp recounts the experiences shared by the Freedom Riders as they faced oppression and violence, and describes how this event changed the course of American history.

The Campus

Color Line
Haymarket Books
Black Americans in the Jim Crow South could not escape the grim reality of racial segregation, whether enforced by law or by custom. In Freedom's Main Line: The Journey of Reconciliation and the Freedom Rides, author Derek Charles Catsam shows that courtrooms, classrooms, and cemeteries were not the only front

lines in African Americans' prolonged struggle for basic civil rights. Buses, trains, and other modes of public transportation provided the perfect means for civil rights activists to protest the second-class citizenship of African Americans, bringing the reality of the violence of segregation into the consciousness of America and the world. In 1947, nearly a decade before the Supreme Court voided

school segregation in Brown v. Board of Education, sixteen black and white activists embarked on a four-state bus tour, called the Journey of Reconciliation, to challenge discrimination in busing and other forms of public transportation . Although the Journey drew little national attention, it set the stage for the more timely and influential 1961 Freedom Rides. After the Supreme Court's 1960

ruling in Boynton v. Virginia that segregated public transportation violated the Interstate Commerce Act, the Congress of Racial Equality (CORE) and other civil rights groups organized the Freedom Rides to test the enforcement of the ruling in buses and bus terminals across the South. Their goal was simple: "to make bus desegregation ," as a CORE press release put it, "a

reality instead of merely an approved legal doctrine." Freedom's Main Line argues that the Freedom Rides, a turning point in the Civil Rights Movement, were a logical, natural evolution of such earlier efforts as the Journey of Reconciliation, their organizers following models provided by previous challenges to segregation and relying on the principles of nonviolence

so common in the larger movement. The impact of the Freedom Rides, however, was unprecedented, fixing the issue of civil rights in the national consciousness. Later activists were often dubbed Freedom Riders even if they never set	foot on a bus. With challenges to segregated transportation as his point of departure, Catsam chronicles black Americans' long journey toward increased civil rights. Freedom's Main Line tells the story of bold	incursions into the heart of institutional discrimination, journeys undertaken by heroic individuals who forced racial injustice into the national and international spotlight and helped pave the way for the landmark Civil Rights Act of 1964.
